James Robert McAndrews

James Robert McAndrews, born July 12, 1937 to Beryl and Walter McAndrews of Anaconda, MT., passed away peacefully at his home, in Dillon, MT on October 9, 2017. Jim graduated from Anaconda High School and shortly thereafter joined the USMC where he served for four years, met, and married his wife Shirley. Jim and Shirley lived in the Grasshopper Valley for many years. They retired in 1999 as the owners of the Southside RV Park, and spent the next several years as full time RV'ers fishing throughout Alaska, Canada, and the lower 48. Jim is preceded in death by his parents and wife (Shirley). In addition to dear friends and distant family, Jim is survived by his son James M. McAndrews, daughter Mary Lou Patterson, granddaughter Cassandra N. (Martin) Birkbeck, grandson Matthew C. Patterson, and brother Richard W. (Sharon) McAndrews.

A celebration of life will be held at a later date upon the return of Jim's grandson Matthew who is currently serving in the US Navy and on deployment. In lieu of flowers please consider giving a donation in honor of Jim to one of the following organizations; Beaverhead Hospice, or American Red Cross.

The family would like to make a special Thank You to Dr. Ron Loge and staff, and Ms. Marie Holt and her staff from Barrett Home Health services for the compassionate care given to Jim during his times of need.

Second Annual Community Spaghetti Dinner Honoring All Service Members, Veterans and Their Families

The Beaverhead County Chapter of Joining Community Forces cordially invites all service members, veterans and their families to its second annual spaghetti dinner at St. James Episcopal, 203 E. Glendale, Thursday, October 12 from 5-8 p.m. This event is free.

Joining Community Forces started in 2011 as a national initiative by Michelle Obama and Dr. Jill Biden to encourage communities and organizations to collaborate and support service members, veterans and their families.

The local chapter began in the fall of 2014 when interested community members gathered to focus on seven key service areas to offer support. Those key areas are: Behavioral/Physical Health, Family/Youth, Education/Career, Financial Wellness, Faith-Based, Legal and Crisis Response.

This dinner is one way to show appreciation for the services and sacrifices these men, women and their families have made for our country. It also provides an opportunity for local service members, veterans and their families to meet.

For more information, contact Jodie Jolly at 925-3563.

DISCLAIMER - OR RETRACTION

We were told to put in a retraction - I will call it a disclaimer - sometimes in the small paper two things are on one page. That does not mean (use this page for a sample) that the Beaverhead Outdoors Assoc. is representing the Masonic Lodge. For the person that couldn't figure that out - I don't know how else to explain it. Sorry for the misunderstanding you had.

"Smears"—Rumors on the Streets

By: MJ

The political campaign process has begun using "SMEAR" tactics. A "Smear" is a malleable process. It may be a tool used by opponents, special interests... The goal of a "smear" campaign is to destroy the character of an individual or another entity. *"Smear" masters are often driven by ideology and money they receive in their personal pockets.* It is sad that in today's world we live amid an artificial reality. A reality where it is hard to know what is true and what is not. There are smear professionals that get paid large sums of money to ruin the character of candidates, businesses and individuals. They have kept records on people, they know what words and phrases to use that people will believe, they publicize false information, they are true artist on how to manipulate the English language to fit their needs and convince others that what they are saying is reality...

If you think that "smearing" is not happening in Dillon you might be ignoring reality. It is happening in Dillon via the talk on the streets and social media. When a candidate is disliked by a person they will post on Facebook or other media outlets info that they know will get people upset. They will not print the whole story using true facts and figures. Success has been accomplished. They have discredit an individual via a "smear tactic". Ask questions, ask for the entire story (not one side) talk to the individuals directly involved, and then make your decisions. **Remember:** *It is your hard earned money, your tax dollars that the elected officials spend.*

NOTE: *Following the laws is the only way all people will be treated equal and the community will be supported as a whole and not divided. It has been apparent throughout the many meetings I have attended, that Mayor Klakken follows the law to the best of his ability and knowledge.*

The mayor does not make the final decisions on how the city will be managed. The mayor might be defined by saying that he/she is the flunky and does the grunt work of gathering information on issues for the council, enabling the council members to make the decisions. The Office Personal, City Treasurer, City Attorney, Director of Operations and others also help compile facts and figures.

It is sad when (1.09 million people) or 44% of adults get their news from Facebook (someone else's emotional opinions often void of facts to back up their postings). More often than not it is the goal of Facebook members to marginalize people.

Humans are using smear tactics in every walk of life. Look at the national campaigns. Often it is women that are used to discredit a man which was the case in Jefferson's and Hamilton's years. We heard a lot of propaganda using smear tactics that involved other women during Pres. Clinton's campaign and term, Pres. Trump's campaign, Supreme Court Judge Thomas's hearings with Anita Hill...

NOTE: Believe in yourself, believe in your own knowledge and trust in your own experiences to make decisions that are best for you.

Beaverhead Search and Rescue News

Submitted by Mel Rice: Public Relations Officer

The Beaverhead Search and Rescue had another light month as far as callouts are concerned. On the 26th of September, the unit received its only page for a rescue. A 64 year old man had rolled his UTV on a side hill in the area between Axis Canyon and the Judy Brown ranch on the east side of the Backtail. The gentleman had a severe head laceration and bumps and bruises. Once off the mountain he was transported by Beaverhead Ambulance to Barrett Hospital. He was treated and released.

On October 4th, the S&R held its monthly meeting under the direction of Commander Alan Holt. There were 34 members in attendance. It was announced by fish derby chairman, Tommy Goins, that the fish derby will be held January 27th, 2018, at Clark Canyon Reservoir. It will be set up the same as past derbies with kids contest for biggest fish, adult contest for big fish, tagged fish, fifty/fifty pots, and door prizes.

The unit has received a 2000, 1 ton pickup from donable

properties out of California. The pickup is a 4X4 crew cab with an enclosed storage canopy over the entire bed. It has 57,000 miles on it. The cost to the unit was a one way airplane ticket and a day rental car to its location in California. Brian Vinson made the trip and drove the new vehicle back to Dillon.

Chairman Trent Cotton explained the progress of the Unit's committee developing policies and procedures for the Mills Committee. This committee is made up of three individuals from the community and one S&R member who will oversee the expenditure of tax dollars the voters passed last year. When the policies and procedures are completed the S&R committee will meet with Larry Laknar, Tom Welch, and Mike Ferris. At that time the two groups can discuss and finalize the Mills disbursement policy. The first Mills payment to the Search and Rescue will happen in November.

There were two new members voted in this month. Tom McKnight and Dusty Crowe are the latest individuals to join the ranks of Beaverhead Search and Rescue. Congratulations to these two individuals. The unit is looking forward to working with you. While Dusty is relatively new to the community, Tom is a long time member of Dillon and a former member of the Beaverhead Search and Rescue. Previously Tom resigned his position because of family callings. Welcome back.

Hunting season is just around the corner. Please be prepared for the many different situations that can arise while enjoying the great outdoors. This time of year temperatures and weather conditions can change very rapidly. Make sure you have proper equipment and clothing to accommodate these situations.

Remember, the Beaverhead Search and Rescue is "In the Business of Saving Lives". But it would be much nicer to be able to stay home where it is warm and cozy. However, you can rest assured if you are in need, the BVHD S&R will be there for you indeed. Have a great hunting season.

Dillon Masonic Lodge No. 16, AF&AM would like to thank the community of Dillon and the surrounding area for the overwhelming support of the bake sale at Great Harvest Bread Company the 2ih, 28th and 29th of September. All proceeds from the bake sale will go to purchasing AED's (Automated External Defibrillators) to be placed in strategic locations in the Dillon area.

Besides our supportive community, the Dillon Masons would especially like to thank the following: Great Harvest Bread Company who gave us one of four bake sales allocated for 2017; KDBM radio for airing public service announcements advertising the project; Youth Challenge of Dillon for helping to distribute flyers throughout Dillon's business district; The Dillonite Daily for their supportive coverage of the event; and, KXLF TV of Butte for all of their special coverage prior to and days of the event. A special thanks goes out to retired chief-of-police, Paul Craft, who not only came up with the idea for the project, but donated many hours to planning and helping at Great Harvest the days of the sale.

The project generated enough money for the AED project to purchase approximately ten units which cost about one thousand dollars each. Hopefully they will not have to be used. Thank you everyone, again, for making this project such a success. Such support helps to keep Dillon the generous and supportive community it always has been.

Thank you- Dillon Masonic Lodge No. 16, AF&AM

KLAKKEN FOR MAYOR

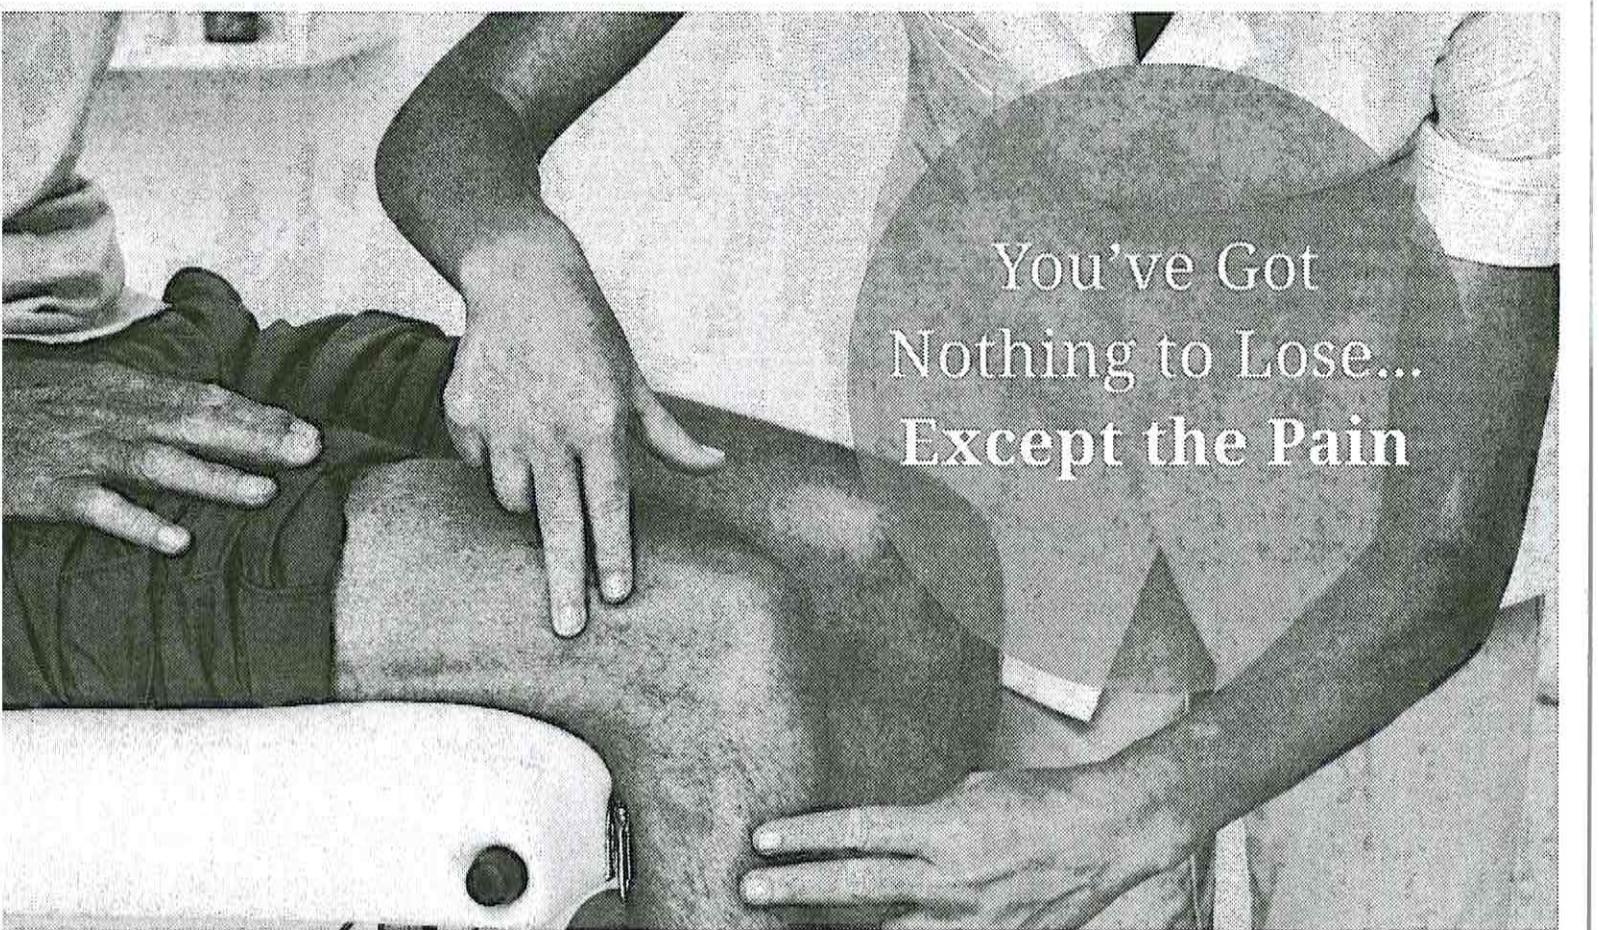

Mike Klakken has the experience and knowledge necessary to continue to be “your” Mayor.

During Mike’s tenure he has:

- Lowered monthly Water-Sewer bills by approximately \$20 for most ratepayers.
- Saved the City approximately \$7,400,000 long-term by paying off some water and sewer bonds and refinancing other sewer and police retirement bonds to take advantage of the lower interest rates.
- Implemented a long term technique to repair potholes which will save the City money by not having to redo the same repairs every year.
- Restructured Street Maintenance to allow approximately 1 ½ blocks each year to be repaired by removing the underlying clay and replacing with properly packed pit run and road mix along with up to 4-inches of asphalt.
- Listened and worked with the City Council, organizations, groups, and individuals in the community on ways to improve the City of Dillon.
- Gave residents the opportunity to access more City information on the City website, gave rate payers the option of paying their water bills online, and started the process of creating a database and graphics to track all infrastructure within the City including water and sewer lines and valves, fire hydrants, storm drains, and streets.

Mike’s experience and education make him the best choice for Mayor of Dillon. Mike’s governmental experience and training has taught him which questions to ask so that the taxpayers get the most for their tax dollars. Mike’s doctorate in Physics gives him the knowledge to read and understand technical engineering documents for all City projects.

**Mike would like to represent you for another 4 years. Please
