BCHS Choral Ensembles and Jazz Band Annual Fall Concert, October 24th

Beaverhead County High School's Treble Chorus, Men's Chorus, Mixed Ensemble, Teen Tones, and Jazz Band will present their Fall Concert in the BCHS Auditorium on Tuesday, October 24, 2017 at 7:30pm. The concert is free to the public.

The Jazz Band, conducted by Mrs. Katie Raffety, will perform several selections. Jazz Band offers students of high level musicianship the opportunity to collaborate on music within the jazz genre and often features soloists.

The Choirs conducted by Mrs. Carolyn Van Slyke, will perform music that exemplifies the concert theme, "Remembrance," honoring servicemen and hard- working people of the world. Singing in choir offers students the opportunity for vocal training, aural training, musical literacy, and personal growth. Singers learn to collaborate to bring music to life and have fun in the process.

Several BCHS students will participate in All-State Band and Choir in conjunction with Montana Music Educator Convention in Bozeman, October 19-20. Students are selected from hundreds of other Montana high school musicians who auditioned last spring. Those participating in the choir are Kia Coon, Austin Bockting, Colter Stanchfield, and Tyler Steadman. The band members include Sarah Griffin, Heidi Martin, Cassie Wharton, and Bradley Harvey. Ti'el Lochridge will be performing with the Orchestra. They will work with outstanding directors from across the United States. We wish them the best of experiences at All State!

The band and choir students will start fundraising this month. Students use the funds they raise for music related costs: reeds, instrument repair, uniform costs, music activities and meals during travel. Ask them about what is available. Thank you for supporting and encouraging the music at Beaverhead County High School! We appreciate your support of the arts in Beaverhead County.

Come join us for a night of great music.

BOMB TEXTING ARGUMENT

On the evening of October 12, 2017 Dillon City Police Officers were notified of a texting argument between two males in their early teens. One individual made a threat to the other not to go to school because he knew how to make a bomb. The area of concern was Beaverhead County High School. Officers were immediately notified and responded to the juveniles homes and ascertained the individual who made the statement had not been away from their home the prior six hours. Officers believed the threat was not viable but to ensure absolute safety to all students, faculty, and the community, they contacted school administration and with their assistance a late night search of the school was performed. No threat was detected and law enforcement deemed the school safe.

Once again law enforcement and school officials will take every precaution necessary for the safety of our children no matter how trivial they seem. These type of incidents place school and law enforcement resources at peril no matter how insignificant. These threats cause far reaching issues which impacts every member in our community.

I would ask all parents and guardians to have a candid talk with their children and reiterate how serious any type of threat is, no matter how harmless they may think. Any threat or prank, by phone, text, social media, or in any fashion will be not be tolerated and will have serious consequences.

Don Guiberson, Chief of Police

THANK YOU

Thank you to everyone who attended and/or contributed to the Dakota Wainwright benefit, the night of October 7th, 2017.

Dakota, a former University of Montana Western football player, underwent life-saving heart surgery previously this summer due to having heart failure. Through a combined effort; the band Fast Forward, Papa T's, and the supporting community of Dillon, we were able to raise a total of $2,689.00 for Dakota to help offset medical costs.

Dakota stated that he is recovering well. He has been meeting with doctors in Bozeman the last couple of months, and the doctors are very pleased with how fast he has come along. He is feeling great and living life to the fullest doing things he loves such as hunting and fishing.

As a whole, we are overwhelmed by the love and support that this community has shown us! Fast Forward, Papa T's, as well as Dakota would like to thank you all from the bottom of our hearts.

Thank you!

Fast Forward, Papa T's, and the Wainwright Family.

Beavers only Undefeated Team

The Beavers are the only undefeated team left with their win over the Corvallis Blue Devils Friday night 34 - 14.

Early in the game, the Blue Devils take the ball down 80 yards to score first and take the lead 6-0 after the extra point failed.

The Beavers answer back with a pass from Coby King to Jake Ferris for a touch town and the kick from Gabe Kirkley was good to take that 7-6 into half time. Corvallis controlled the ball most of the first half and kept to their running game. The Beavers could not seem to stop the Blue Devils running game but did keep them from scoring. The game went back and forth with the Beavers make good adjustments at half time to come back an take control of the end of the game after back and forth touchdowns in the third quarter.

Dillon put three unanswered touchdowns on the score board for the win 34 to 14.

Other scores came from Kirkley had a reception from King, King ran two in himself and Jace Fitzgerald caught a pass from King for the last one. Two kicks after were good and two failed and Andrew Lemieux went in for a 2 point conversion.

VOLLEYBALL PLAY

The Beavers were in Butte Saturday for the Blocktoberfest Classic at the Maroon Center. Their first round was against Whitefish. We will bring you results when available.

Restrictions Eased on Gambling-Related Nonprofit Fundraising

Montana Nonprofits May Now Sell Raffle Tickets Online

The Montana Department of Justice's Gambling Control Division reminds Montana nonprofit organizations that changes made by the 2017 Legislature to ease several restrictions on gambling-related nonprofit fundraising went into effect October 1, 2017. The Gambling Control Division is now accepting registration forms from nonprofits wishing to sell raffle tickets online.

The changes are a result of Senate Bill 25, which was sponsored by Senator Mark Blasdel (R-Kalispell). Angela Nunn, Administrator of the Gambling Control Division, said, "The Montana Department of Justice worked very closely with the Gaming Advisory Council and Senator Blasdel in the last session to pass legislation that would ease restrictions on nonprofits in their gambling-related fundraising efforts. We appreciate the nonprofit organizations that reached out to us and worked with us to develop a workable solution."

Nunn added, "We hope the changes will allow nonprofits to increase their fundraising potential so they have the resources they need to continue fulfilling important missions for the people of Montana. The Gambling Control Division looks forward to developing our relationship with nonprofit organizations across the state and providing the resources and support they need to stay in compliance with Montana's gambling laws and rules."

The Gambling Control Division has created a number of resources to guide organizations that choose to incorporate gambling-related activities, such as casino nights, Calcutta auctions, or raffles into their fundraising efforts. The registration form and guidelines can be found by visiting https://dojmt.gov/gaming.

Is your propane cylinder SAFE?

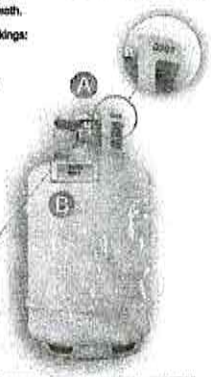

Propane cylinders must be periodically requalified to be safe for use*. Do not use cylinders that have not been requalified because you risk property damage, severe injuries, or death.

To see if your cylinder is okay to use, look for these markings:

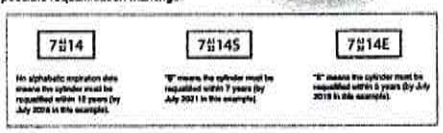

A **Manufacturing Date:**
Cylinders must be requalified within 12 years of manufacture (in this illustration by May 2017).

B **Requalification Date:**
If the cylinder is older than 12 years, look for a "requalification date".

Other possible requalification markings:

U.S. Department of Transportation
Pipeline and Hazardous Materials Safety Administration

*A list of US DOT approved requalifiers and their ID number (RIN) is available on the PHMSA website: https://portal.phmsa.dot.gov/rinlocator

For more information, contact the Hazmat Info Center: 1-800-467-4922

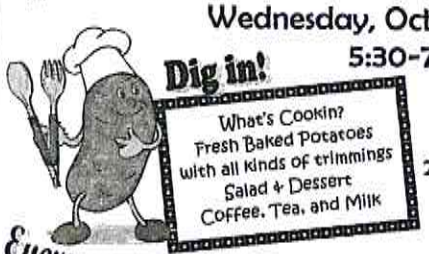

Rocky Mountain Supply is happy to offer propane cylinder requalification FREE of charge. Please make sure your propane cylinders are empty and plan a little extra time for the inspection process. We are unable to fill cylinders that are out of date until they have been requalified.

Dillon Jaycees

Volume 3 **Quarterly Newsletter** **September 30, 2017**

The saying "time flies when you're having fun" certainly rang true this summer for the Dillon Jaycees. Here is a recap of the Jaycees' events as we say goodbye to summer and welcome fall with open arms.

July opened with a fun BBQ hosted by the ladies of Jaycee Auxiliary at Ray Lynch Park, followed by the Jaycee's fireworks display at nightfall. It was a fun and safe event for all as we recognized our nation's independence and all who fought for it. This year's Demolition Derby did not disappoint as several teams from Montana and bordering states showed up, geared up, and gave it their all.

August was a busy month for the Jaycees as we prepared for Montana's Biggest Weekend. At the fairgrounds, we poured three concrete pads, donated in part by LS Ready Mix, and Anderson Fencing completed their contracted construction of new roping chutes. We announced the winner of our *Tough Enough to Wear Pink* Raffle and held a social at the Depot Park on the 13th.

September opened with a bang and Montana's Biggest Weekend was in full swing. The Wild Horse Race Calcutta found a new home on Friday night at the Beaverhead Golf Course. Saturday's rodeo had record high attendance, and the night finished with the Wild Horse Race Calcutta downtown at the Elks Lodge. Sunday's rodeo was hot and sunny, and geared everyone up for the Sunday night concert with Tucker Beathard opening for Gary Allan. It was another hugely attended concert and unlike last year, the weather actually cooperated! Monday morning the streets were lined with local and visiting families as we "Honored the Men and Women Who Serve" during our Labor Day parade, led by our Grand Marshall Retired Air Force Tech Sergeant Joseph Carroll. There were many great floats in the parade, with Sons and Daughters of the American Revolution winning first place in the "Best Use of Theme" category. Our most sincere thanks to businesses and individuals who participate in, volunteer for, donate to, and sponsor the various events of Montana's Biggest Weekend. We couldn't do what we do without you!

To find out what the Jaycees are up to or to get more information, check out on our facebook page or our website, www.dillonjaycees.com. Don't miss the *Jaycee Minute* airing every Monday at 8:20am on KBEV/KDBM for a quick update on what the Jaycees are up to each week.
