BEAVERHEAD TRAIL COALITION INSTALLS NEW BENCHES

On October 14th, Beaverhead Trails Coalition installed two new benches on the Dillon Town Overlook Trail system between the "M" and "B" on the foothills west of Dillon.

"The new benches replace one that was vandalized and stolen last spring although they are in new locations" Coalition President Dan Downey reports. "The Bureau of Land Management will also replace their bench at the Dillon Overlook as soon as they can schedule installation," he adds.

Both of the new benches were donated by parties upset by vandalism to the previous benches on a trail system that is popular to hikers in the Dillon area. One was purchased by the McNeill family as a memorial to Bob and Chris McNeill. The second was donated by Bill and Roxi Mancoronal of General Welding & Repair.

Montana Department of Justice Announces New Partnership with MVD Express as an Authorized Agent Third-Party Dealer Titling Transactions Available

MVD Express, an authorized agent for the Montana Department of Justice's Motor Vehicle Division (MVD), will begin processing dealer-only title transactions starting Oct. 17, 2017. Currently, the Vehicle Services Bureau (VSB) processes all titling transactions from the public as well as all Montana automobile dealership titling transactions.

Bruce Knudsen, Montana Auto Dealers Association (MTADA) Executive Vice President, said, "MVD Express coming to Montana is a win-win for Montana businesses and our state. It will allow our dealers to get titles within a couple of days while easing the strain felt at the Montana MVD."

MVD Express has over two decades of experience in motor vehicle titling as a third-party provider. Janice Lucero, MVD Express Founder & CEO, said, "Our deep understanding of the commercial auto industry and culture of continuous improvement allows us to design a personalized service experience for car dealers. We couldn't be more thrilled about this new partnership with the State of Montana and look forward to working with the dealer community."

MVD Express is located inside the Auto Auction of Montana in Billings at 4432 S Frontage Rd. "MVD Express will be a great option for car dealers in our state. Having another office processing title transactions will allow for an expedited option, benefitting dealers all across Montana," said Owen Kelley, Executive Director for Montana Independent Automobile Dealers Association (MTIADA).

MVD Express will celebrate its grand opening during the MTIADA's Annual Expo Tradeshow and the Auto Auction of Montana's Anniversary Sale at 3:00 pm on Tuesday, October 17. Janice Lucero and members of the Montana Department of Justice's Motor Vehicle Division will be in attendance to celebrate the new partnership.

Sky Schaefer, MVD Deputy Administrator, said, "We are excited to bring this partnership to the state of Montana. Dealers will now have two options to complete titling transactions, through VSB or through MVD Express for an additional fee."

Dillon BLM reviewing mining plan of operations

The Bureau of Land Management's Dillon Field Office is reviewing a plan of operations to conduct mining exploration work in Beaverhead County.

The plan of operations was filed with the BLM for exploration in the southwest Ruby Mountains. The plan includes BLM lands that are part of the Dillon Field Office, as well as private lands where the BLM manages the mineral estate.

"The Dillon Field Office is actively engaged in supporting working landscapes through our many programs including mining exploration," said acting Dillon Field Manager Keith Johnson.

The exploration activities include geologic mapping, rock sampling to include cores sampled with a backpack drill, and geophysical surveys. The proposed activities would take place during spring, summer and fall of 2018 and 2019.

The BLM's Environmental Assessment will be posted online at the agency's ePlanning website (bit.ly/2uJQUvJ). The BLM welcomes and values diverse views from the public and will take public comment on the plan of operations until Nov. 30.

For more information or to submit comments, please contact the Dillon Field Office at (406) 683-8000, or by email to MT_Dillon_FO@blm.gov. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

For more information, contact BLM Geologist Steve Lubinski at slubinski@blm.gov or (406) 683-8011.

Is your propane cylinder SAFE?

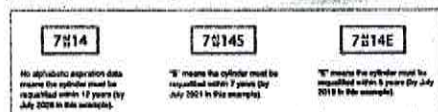

Propane cylinders must be periodically requalified to be safe for use*. Do not use cylinders that have not been requalified because you risk property damage, severe injuries, or death.

To see if your cylinder is okay to use, look for these markings:

- A Manufacturing Date:**
Cylinders must be requalified within 12 years of manufacture (in this illustration by May 2017).
- B Requalification Date:**
If the cylinder is older than 12 years, look for a "requalification date".

Other possible requalification markings:

*A list of US DOT approved requalifiers and their ID number (RIR) is available on the PHMSA website:
<https://portal.phmsa.dot.gov/information>
For more information, contact the National Info Center:
1-800-487-4822

Rocky Mountain Supply is happy to offer propane cylinder requalification **FREE** of charge. Please make sure your propane cylinders are empty and plan a little extra time for the inspection process. We are unable to fill cylinders that are out of date until they have been requalified.

Tom Straugh is a skilled team builder and leader who has served 8 years on the City Council (5 as President). He has pushed for fair treatment of all residents, enforcement of all laws (including Zoning and Parking), and development of teamwork on the Council, in the City workforce, and in the community.
