Joe Aldon Hayes

Joe Aldon Hayes passed away in a motorcycle accident in Kendall Co, Ill. where he was working. Joe was Harold and Alice Hayes's first born child. He entered this world January 23, 1955, in Brawley, CA.

Joe had an honorable belief that hard work, equal play time and loving his family was the way to have a full rich life. Joe did just that; worked hard, played hard and loved with all his heart.

Joe just completed his beautiful home that he built with his own hands. He and his partner Jude Davis had just settled into the home.

Joe knew this country like the back of his hand. Every free moment he had, you would find him enjoying the outdoors. He enjoyed snowmobiling, riding his motorcycles, camping, fishing, hunting, 4-wheeling and much more with his many friends. At the end of a day sitting around a camp fire and laughing about the day's playfulness with friends, Joe would be the one preparing a delicious meal for all. Cooking was one of Joe's loves.

Joe is survived by his mother, Alice Hayes, devoted partner Jude Hayes, Sister Marina of Dillon, Brother Charles Hayes, Vista CA, sons Luke, Missoula; Will (Brittney) Potomac and Mitch (Chelsea), Lolo, MT. Joe loved and enjoyed seven (7) grandchildren; Dominic, Samantha, Elisa, Isaac, William Jr., Camilla, and Joseph. He leaves a nephew Nicholas, niece Elisa and many other family and friends who loved him. Joe was preceded in death by his father Harold, nephew Dana and adored dog Maggie.

Services will be held Oct. 23, Monday 12:00 noon at the Brundage Funeral Home.

Gaspar Corona, 43

Gaspar Corona, 43 years of age of May, Idaho the Pahsimeroi Valley, passed away October 14, 2017.

Gaspar was born on March 9, 1974 in San Blas, Nayarit, Mexico the son of Luis and Marcelina (Bobadilla) Corona. He moved to California with his family when he was seven years old. Growing up he loved to watch the Chicago Bulls play during the Michael Jordan era. He endured all the highs and lows being a loyal Raiders fan. He loved to visit his cousins and play basketball and give them a hard time.

In 1996, he moved out to Beaverhead County to work

at the Erb Ranch for the summer. He quickly fell in love with Montana and the ranch and rodeo life. He was married to Monica Martinez and they had two sons, Ivan and Jonathan. Following their divorce, Gaspar moved and worked in Lemhi and Custer County in Idaho.

As a family, they ranched, went to rodeos and rode horses whenever possible. They enjoyed four wheeling and exploring adventures into the mountains with their extended family from California and Washington.

Gaspar was always someone you could count on. If you knew Gaspar, you know he was never shy to express his opinion but would always accept yours in return. He had a great sense of humor even if it was at our expense. Gaspar's boys were always his priority. He loved them more than anything in this world.

He is survived by his parents Luis (Marcelina) Corona of Tumwater, Washington; ex-wife Monica Martinez of Helena, Montana; sons: Ivan Corona of Bozeman, Montana, Jonathan Corona of Helena, Montana; brother Luis Corona of Tumwater, Washington; cousins: Dario (Danielle) Bobadilla, Dago (Gaby) Bobadilla all of Chico, Californina and Pedro (Marisol) Bobadilla of Willows, California and many other extended family.

He was preceded in death by his grandparents Isidro (Angela) Bobadilla. There is a Vigil Service scheduled for Thursday, October 19th at Brundage Funeral Home at 7 PM followed by a Rosary and visitation. A Funeral Mass is scheduled for Friday, October 20th at St. Rose of Lima Catholic Church at 11:00 AM. A guestbook is available at www.brundagefuneralhome.com.

Dear Dillon Residents,

The officers of the Dillon Police Department humbly ask for your assistance in passing the Police Protective Service Mill Levy, in November, 2017. We need your help.

The Department is currently staffed with only eight sworn officers. This number has been the same since at least 1983. It is extremely difficult to staff police 24 hours a day, 7 days a week, 365 days a year with 6 Patrolman and two administrators, whom also fill patrol shifts. Crime and the demands on law enforcement have increased. Changes in law, technology, and procedure have placed an enormous added burden on the department. We are struggling to investigate on going cases and effectively perform basic community service.

More often than not there is only one officer on duty. This poses a safety issue for both the officer and the public. Daily we are faced with making decisions on which calls are most vital. The person in crisis rightfully believes their emergency is more important, leaving us to make the difficult decision.

We are dads, moms, husbands, wives, sons, daughters, brothers, and sisters. We are Veterans, youth coaches, volunteers, and EMT's. We are often denied much needed time off away from our families as state mandatory trainings, and military service requires our fellow officers to perform away from home, or even protecting our country in their capacity as an army reservist. We will have an officer at the police academy until April which leaves us with only 7 officers to protect Dillon all of the time. We work sick, and often tired as we are required to testify after working all night. We cannot match the demand of our job. This deficiency has put our community at risk of not receiving the police protection it deserves.

Dillon has a population of approximately 5400 including college students. We have 8 full time officers. In comparison, Polson has a population of 4744 and has 16 full time officers. Hamilton has a population of 4348 and has 14 officers. To demonstrate how busy we are, the Dillon police department made 317 arrests in 2016. In comparison, the Missoula County Sheriff's Department made 309 (Montana Board of Crime Control statistics). They have over 50 Deputies.

We understand money is an issue for every household as we all have families. We understand the city general fund cannot support

more officers. We are only asking for two officers which would bring our staff to 10, this is still way below the similar sized cities. We have kept in mind that people work hard for their money and more officers require more money. Two Officers would help immensely, but we will still be functioning well below the average numbers. This will at least allow us some flexibility to perform proactive duties to prevent crime, rather than only having time to react to past crimes.

The police department currently only has three patrol vehicles. A 2010, a 2014, and a 2016. The 2014 currently has 100,000 miles while the other two have 30,000. We report this to assure the community that we are very frugal and would not be asking for this mill levy unless we were in desperate need. The cost if the mill levy passes will be $60.75 per year on a $100,000 home, and $121.50 per year on a $200,000 home. A monthly cost of approximately $5.06 and $10.12 respectively.

We appreciate your support and ask that you help us so we can better protect you and your neighbors. Show your support for your police officers by voting FOR the police protective mill levy.

Your Dillon Police Officers

Dyeing with Native Plants Workshop

Join the U.S. Forest Service and Calypso Chapter of the Native Plant Society in a fun workshop using native plants to extract natural dyes. Participants will learn how to use some of our local, and not so local, flora to extract dyes for coloring silk and wool materials.

Participants are encouraged to bring any plant dyes they have extracted and ready to use, bring dye pots and utensils if they have them, and a hot plate if available. Participants may also bring a small item of silk or wool to dye, however items will be available to purchase at the event.

The event is scheduled for October 29th from 10 a.m. to 3 p.m. at the Beaverhead County 4-H Building at the Fairgrounds in Dillon. Be prepared to have fun and bring a sack lunch and beverage.

The event is free and open to the public, however, reservations are required as space is limited. Register by contacting Jessie at (406) 683-3947. Limit 20 people.

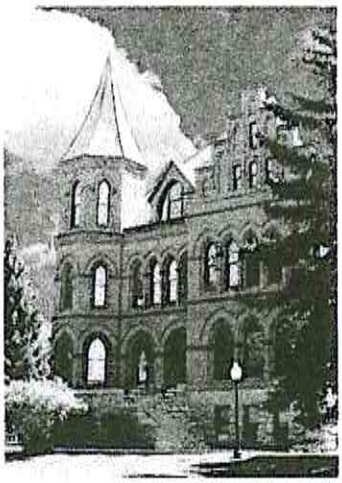
THE UNIVERSITY OF MONTANA WESTERN RANKED AMONG THE BEST COLLEGES IN THE REGION

The University of Montana Western was recently ranked among the "25 Best Western Regional Colleges for 2017" by College Choice, an online education resource. The ranking is based on factors including institutional excellence, student satisfaction, and return on investment. The other Montana colleges in the listing are Carroll College, Montana Tech, Rocky Mountain College, and the University of Providence.

U.S. News & World Report has also bestowed The University of Montana Western, a public institution founded in 1893, with several impressive rankings in the Western region. The rankings include #8 in Best Regional Colleges, #4 in Top Public Schools, #5 in Best Value Schools, and #6 in Best Colleges for Veterans. One of the most unique aspects of Montana Western is the Experience One program, an innovative class scheduling system that allows students to focus on a single course at a time.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Studies, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. The 20-acre campus is an excellent choice for students to take advantage of the experiential learning offered by the Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities. Montana Western's commitment to engagement and support offer an incredible experience for students while maintaining a high standard of academic excellence and low tuition costs.



For more information about Experience One and the University of Montana Western, or to schedule a visit, visit www.umwestern.edu or call 877-683-7331.

Talking to your children about sex

"Let's talk…" These are two very simple words, but for many parents, they are not so simple when the rest of the sentence is "… about sex."

While it may be uncomfortable, especially at first, research continues to show that children and teens want to receive their information about sexual health from their parents and caregivers. And the simple fact is that parents have an enormous influence on their children's decisions about sex and other risk-taking behaviors – more than friends, the media or teachers.

So if the kids want to talk, how does a parent get started? Initiating conversations about the facts of life may be difficult for some parents because they did not grow up in an environment where the subject was discussed. Some parents may be afraid they do not know the right answers or feel confused about the proper amount of information to offer. To help, here are 10 tips from the experts at Advocates for Youth:

1. First, encourage communication by reassuring kids that they can talk to you about anything.
2. Take advantage of teachable moments. A friend's pregnancy, news articles, or a TV show can help start a conversation.
3. Listen more than you talk. Think about what you're being asked. Confirm with our child that what you heard is in fact what he or she meant to ask.
4. Don't jump to conclusions. The fact that a teen asks about sex does not mean they are having or thinking about having sex.
5. Answer questions simply and directly. Give factual, honest, short, and simple answers.
6. Respect our child's views. Share your thoughts and values and help our child express theirs.
7. Reassure young people that they are normal – as are their questions and thoughts.
8. Teach your children ways to make good decisions about sex and coach them on how to get out of risky situations.
9. Admit when you don't know the answer to a question. Suggest the two of you find the answer together on the Internet or in the library.
10. Discuss that at times your teen may feel more comfortable talking with someone other than you. Together, think of other trusted adults with whom they can talk.

For more resources about how to be your children's primary sexual health educator, visit the following sites: www.advocatesforyouth.org; www.teenpregnancy.org or check out the "Let's Talk Month" website, Twitter, and Facebook pages. Parents and their children are encouraged to join the conversation using the hash tag #LetsTalkMonth.

Montana Receives One-Year Extension for REAL ID Compliance from Department of Homeland Security

The Montana Department of Justice's Motor Vehicle Division (MVD) received an extension from the U.S. Department of Homeland Security, Wednesday, for the implementation of the federal identification law, REAL ID. The extension expires October 10, 2018. During this time, Montana drivers' licenses are accepted by the Transportation Security Administration to board domestic, commercial flights and access federal facilities.

MVD Administrator Sarah Garcia said, "This extension gives MVD time to develop business processes, hire new staff, and acquire the necessary equipment needed to implement REAL ID. With this extension, MVD is on track to comply with REAL ID requirements, and also gives Montana citizens time to prepare for issuance of REAL ID credentials."

Through Senate Bill 366 (Cohenour), the 2017 Montana Legislature authorized MVD to comply with the Federal REAL ID law and to begin issuing compliant credentials starting January 2019. MVD will request another one year extension in 2018, and will continue to work with DHS to ensure full compliance with the law.

MVD has partnered with Montana State University Billings to develop a public information campaign to relay information to the public regarding REAL ID compliance. MVD will utilize MSU-B student work through marketing and research classes to develop the public information campaign. MSU-B has agreed to develop the campaign free-of-charge, with the state only shouldering costs for student materials, research, advertisement printing and on-air ad placement.

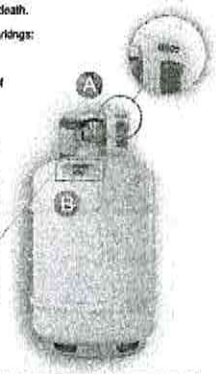
Is your propane cylinder SAFE?

Propane cylinders must be periodically requalified to be safe for use*. Do not use cylinders that have not been requalified because you risk property damage, severe injuries, or death.

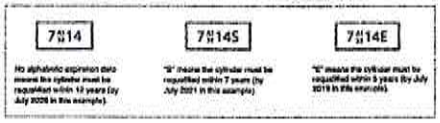
To see if your cylinder is okay to use, look for these markings:

A Manufacturing Date:
Cylinders must be requalified within 12 years of manufacture (in this illustration by May 2017).

B Requalification Date:
If the cylinder is older than 12 years, look for a "requalification date".



Other possible requalification markings:



*A list of US DOT approved requalifiers and their ID number (RIN) is available on the PHMSA website:
https://portal.phmsa.dot.gov/inlocator

For more information, contact the Hazmat Info Center:
1-800-467-4922

Rocky Mountain Supply is happy to offer propane cylinder requalification FREE of charge. Please make sure your propane cylinders are empty and plan a little extra time for the inspection process. We are unable to fill cylinders that are out of date until they have been requalified.
