MONTANA WESTERN PROFESSOR PUBLISHES RESEARCH ABOUT EARTH'S GEOLOGICAL PAST

Dr. Rob Thomas, Professor of Geology and Regents' Professor at Montana Western, was recently published in the journal, "Lithosphere", a publication of the Geological Society of America, the largest professional organization of geoscientists in the world.

The article addresses fundamental questions about the nature of the tropical western margin of North America around 500 million years ago.

At that time, the Pacific Ocean was just forming and the coastline was located in the northern Rocky Mountains. For years, geologists considered the old coastal margin to have been "passive," meaning there was no active mountain building or volcanism, similar to the southeastern coast of the United States today.

The paper was co-authored with Paul Link, Mary Todt and David Pearson from the Department of Geosciences at Idaho State University, and is titled "500-490 Ma detrital zircons in Upper Cambrian Worm Creek and correlative sandstones, Idaho, Montana and Wyoming: Magmatism and tectonics within the passive margin."

By dating zircon crystals collected from the old marine sediments in Montana, Idaho and Wyoming, the research team was able to show that around 500 million years ago, the coastal margin consisted of many mountains and active volcanoes.

The eroded sediments from these highlands were deposited in the surrounding ocean, allowing the team to reconstruct where the old mountains and volcanoes were located, and how they might have impacted animals and plants living in the ocean at that time.

Future work includes using the technique to reconstruct changes in environments during one of the oldest mass extinction events in Earth's history.

CHILDREN'S BELL CHOIR

Grace united Methodist Church, 131 East Bannack Street, Dillon announces the formation of a children's bell choir. The choir is open to any child age four to eight. Choir size may be anywhere from six to 21 children. Using colored "Kid's Bells" the members of the choir can be ready to perform after three or four practice sessions.

Practice session times and days will be determined by discussion with the parents of participating children. For information contact Pastor GW Bill Warren at 406-683-4594, email pstrbill@gmail.com, or text 406-924-3792. Pastor Bill is usually at the church office from 10:00 AM to 2:00 PM Monday through Thursday unless he has a meeting elsewhere. There is no fee for participation.

BCHS Annual Fall Concert, October 24th

Beaverhead County High School's Treble Chorus, Men's Chorus, Mixed Ensemble, Teen Tones, and Jazz Band will present their Fall Concert in the BCBS Auditorium on Tuesday, October 24, 2017 at 7:30pm. The concert is free to the public.

Several BCBS students will participate in All-State Band and Choir in conjunction with Montana Music Educator Convention in Bozeman, October 19-20.

Come join us for a night of great music.

COMMUNITY TRICK OR TREAT HALL-O-WEEN

The University of Montana Western's Residence Life Office is hosting their annual Residence Hall Community Trick or Treat Hall-O-Ween on Wednesday, October 25, 2017 from 7-9 p.m. Trick-or-treaters are asked to meet at the Keltz Arena. All community Kindergarten through fifth graders are invited to join the guided tours through the campus residence halls for trick or treating! Please join us for this fun event and don't forget to wear your costumes.

Hamilton gets victory over the Beavers

Dillon started the game with a couple turnovers and had a couple touchdowns called back with holding calls to give them their first loss for the season. They ended their regular season 7-1 with the 32 to 28 win by the Broncos.

The Beavers scored in the first half with a rushing touchdown by Graden Greenslade and then in the second quarter saw quarterback Coby King go in for 3 yards running and added an extra two at the end.

The Broncos came out in the third quarter and put 12 unanswered points on the board to take the lead. Beavers Jake Ferris took an interception in for another score and King went in running to finish the Beavers points for the night in the fourth quarter.

MONTANA WESTERN BIOLOGY STUDENTS RESTORE NATIVE PLANTS

Assistant Professor Wendy Ridenour's Biology 101 class recently engaged in a hands-on service learning project. The students removed invasive weeds and then applied a native seed mix to disturbed areas adjacent to the "M" trail.

The native plant seed mix was selected based on plant sampling conducted by Ridenour's Plant Systematics classes over the last two years, and contains native plants including grasses and flowering forbs.

The project is the culmination of over two years of work by three Montana Western Biology classes. The students in the course were excited to help the community by restoring the plants around the trail system in disturbed areas that allow non-native species to invade the native plant communities.

"We learned a lot about sage steppe ecosystems, and I liked being able to see this project unfold. I can't wait to see the progress this spring," said one student.

According to Ridenour, it's crucial to get students out into the field so they can experience and learn things on a deeper level.

"By being immersed in their local natural surroundings, students are able to more directly apply the knowledge they've gained about the roles of native plants and the damage that can be caused by invasive weeds to real-world ecological communities," she said.

This hands-on service learning project is one of many examples of how Experience One provides experiential learning opportunities for students while they take a single course at a time and learn by doing.

For more information about Experience One and the University of Montana Western, or to schedule a visit, visit www.umwestern.edu or call 877-683-7331.

Wendy Ridenour works with her Biology 101 students to identify and remove invasive plants during their recent service learning project.

Inquiry Class

"God as Mystery" is the topic for this month's Inquiry Class on Monday 10/23, hosted by Fr. Russell Radoicich of Holy Trinity Orthodox Christian Church in Butte. Classes are open to everyone of all ages, of any religious persuasion, or even none at all. An informal talk peppered with questions and comments is the format used in these monthly meetings held at 5:30 pm on the UM Western campus in Room 150 in Main Hall. Questions can be answered by calling Toni at 865-0081 or Fr. Russell at 723-7889.

The Eastern Orthodox Church was founded by the apostles of Jesus Christ 2,000 years ago, and for a thousand years was the only Christian Church. It is known for "keeping what has been kept" from the beginning. Join us to explore "God as Mystery."

HELPING KIDS GROW UP SAFE, HEALTHY AND DRUG FREE

DID YOU KNOW? Children of parents who talk to their teens regularly about drugs are 42% less likely to use drugs than those who don't; yet, only a quarter of teens report having these conversations.

Red Ribbon Week® (October 23-31), the oldest and largest drug prevention campaign in the nation, is your opportunity to get the ongoing conversation started.

This year's theme is *Your Future Is Key. So Stay Drug Free.*

Visit www.redribbon.org to learn more about Red Ribbon Week® and get tips for talking to your kids about drugs. The life you save may be that of your own child or a dear friend.

Local schools will be celebrating Red Ribbon Week throughout this week. This is a perfect opportunity for parents to talk to their kids about substance use. Looking for a place to start? Check out <https://www.samhsa.gov/underage-drinking>. Brought to you by BE THE CHANGE 406 COALITION.

Here's the Dillon Middle School News for the week of October 23rd through 27th, 2017

The lunch menu for the week is as follows: On Monday, we will enjoy beef and bean burritos served with seasoned potatoes. Tuesday, a sub sandwich will be served with trimmings. Wednesday, we will have a beef hamburger on a school made bun with trimmings. Thursday, we will enjoy tomato soup served with toasted cheese sandwiches. And on Friday, pizza will be served with cheesy pinwheels and marinara sauce.

Congratulations to our student council representatives. Representing the 8th grade is: Daniel Martin, Ainsley Shipman, Lauryn Petersen, and Jordyn Walker. For the 7th grade: Parker Puyear, Josiah Jones, Murphy Gaasch, and Treyton Graham. And representing the 6th grade are: Halle Fitzgerald, Max Davis, Laura Martin, and Jacob Harvey.

This week is Red Ribbon week spirit days. Red Ribbon week is a campaign against drug use and bullying. Students show your support of this very important campaign by participating in Spirit week. Today, Monday, students, wear red. The color red represents the drug free choice. Be proud to be drug free. Wear red to show your commitment to remain drug free and to help kickoff RED RIBBON WEEK. Tomorrow, Tuesday, is pajama day. Your choices are the key to your dreams.. Wednesday is Hawaiian Day.... Make sure you "LEI" off drugs. And on Thursday, we will have HAT DAY....use your head...don't use drugs. Friday is Dress to Impress.

We will finish off Red Ribbon week with a dance this Friday night, October 27th, from 7:00 - 9:00 pm. The dance will be held in the DMS gym. The price is \$2 if you "dress to impress"...Save a dollar by wearing your best clothes. Please plan to attend the whole time, and parents, we ask that you be prompt to pick up your children at the end of the dance.

Student council is running a door decorating contest this week. The theme this year is..."Your future is key to stay drug free." The 8th period classroom with the best decorated door wins donuts for the whole class. Doors will be judged October 27th. Let's get involved and take a visible stance against drugs.

520 N. Montana St. # 3 • Dillon, MT 59725
OFFICE 406-565-2012

As a result of working with people all my professional life I have become a skilled team builder. Ranging from teams gathered from temporary workers to military men and women, I was able to share my vision of the tasks and get the work done. I enjoy working as part of an effective team which allows all to grow and enjoy success.

As a City Councilman, I was the leader of the committee that made sense out of the Police Retirement problem and worked to obtain approval from the voters to resolve the ever growing deficit. We capped the deficit and will pay off the bonds used to fully fund the obligation.

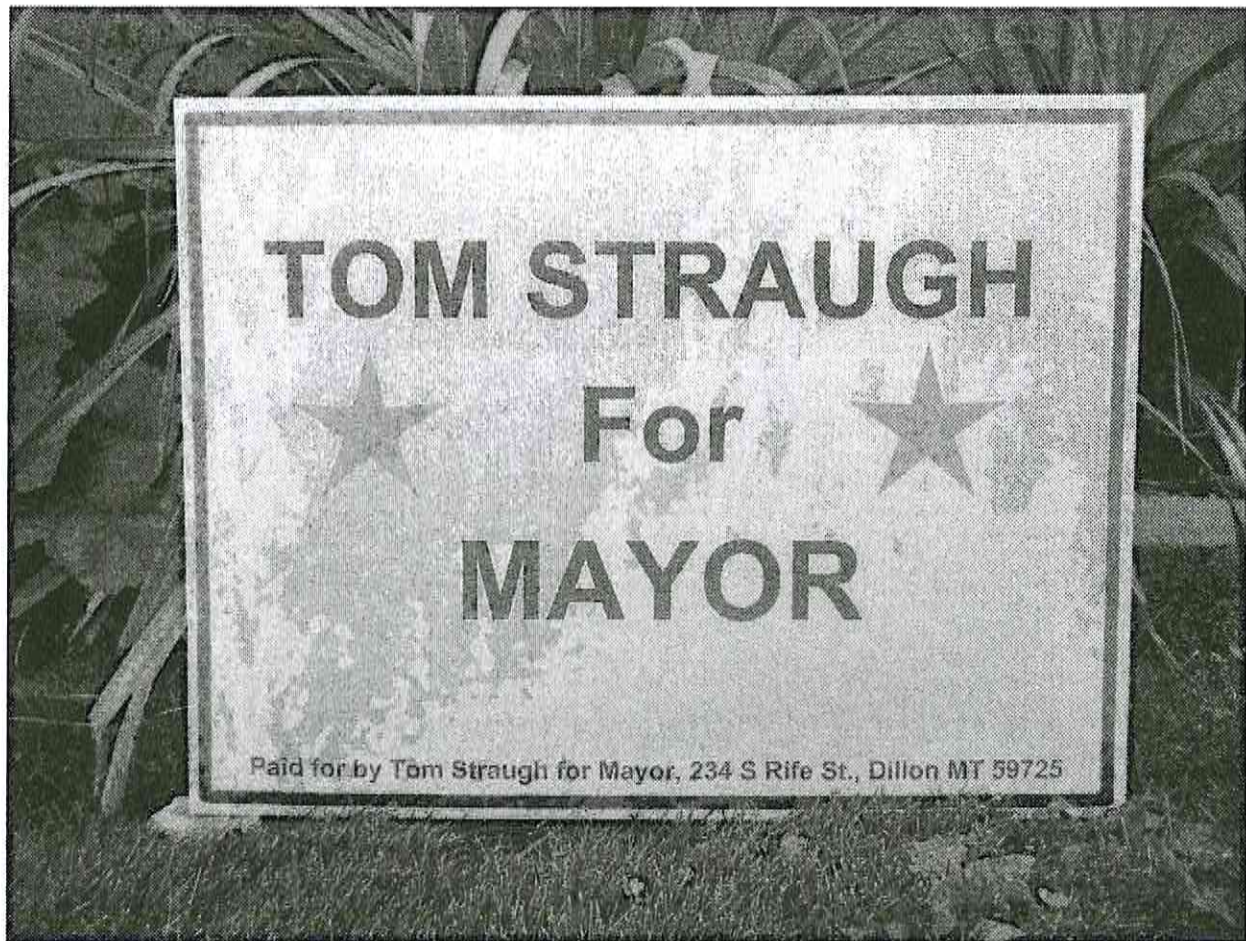

I also was President of the Council when the Thompson Avenue portion of town was added to the sewer and water systems operated by the City. It seems very hard to visualize that this health protection for the City came in 2008, not 1908.

My vision of Dillon includes fixing the streets all over town. It will take time to address all the issues but it can be done. We need to make a plan and work the plan during the budget process and work scheduling.

We have a Downtown Plan, a CIP, and a Five Year Plan all of which are purchased or updated at the cost of thousands of dollars but are not used other than to check the box in grant applications. Those plans also need to be used in planning budgets and work schedules. They are too expensive to gather dust in the office!

Our water treatment plant is operating successfully. The main waterline is about 100 years old and has been tested by engineers. It needs to be replaced to keep our City healthy. We will do it in the most economically effective manner that will support our current population and allow for growth!

It takes teamwork to operate the City. Vote Tom Straugh!

I have served in two administrations as President of the City Council. My City Council service was from 2005-2009 and 2014-2017. I have the experience working on City issues. I was a skilled administrator for school districts over 23 years. I asked for cooperation and was able to inspire action. I can do the same for Dillon.

Here are the Goals for the first year of my term:

- listening to constituents and their elected representatives
- reviewing local ordinances and removing ineffective regulations
- enforcing ordinances that remain
- balancing the city budget without raiding the reserves
- promoting the general welfare of all in the community
- building team work in the City workforce and community
- using planning documents (CIP, Downtown Plan, and Five Year Plan) to set the budget and guide expenditures
- finding effective and efficient ways to repair the streets
- maintaining public safety (peace officers and fire prevention)
- providing safe drinking water, and continuing sanitary sewer services
- keeping the business of the City of Dillon always in the number one position

Is your propane cylinder SAFE?

Propane cylinders must be periodically requalified to be safe for use. Do not use cylinders that have not been requalified because you risk property damage, severe injuries, or death.

To see if your cylinder is okay to use, look for these markings:

(A) Manufacturing Date:
Cylinders must be requalified within 12 years of manufacture (in this illustration by May 2017).

(E) Requalification Date:
If the cylinder is older than 12 years, look for a "requalification date".

Type of Inspection Cylinder must be requalified within 5 years

V123456 0714 E

Requalifier Month/year requalified

This illustration indicates a visual inspection and must be requalified within 5 years or by July 2018.

Other possible requalification markings:

7#14

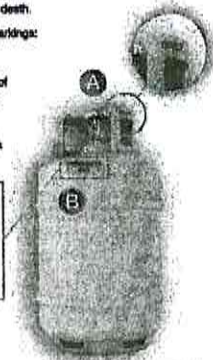

7#14S

7#14E

No alphabetic expiration date means the cylinder must be requalified within 12 years (by July 2020 in this example).

"S" means the cylinder must be requalified within 5 years (by July 2018 in this example).

"E" means the cylinder must be requalified within 5 years (by July 2018 in this example).

 A list of US DOT approved requalifiers and their ID number (PHQ) is available on the PHSA website:
<http://portal.phsa.gov/phsa/kooper>
 For more information, contact the Hazmat Info Center:
 1-800-487-9833

Rocky Mountain Supply is happy to offer propane cylinder requalification **FREE** of charge. Please make sure your propane cylinders are empty and plan a little extra time for the inspection process. We are unable to fill cylinders that are out of date until they have been requalified.
