See you tonight!

Photo Tour of Beaverhead County Barns

In the spirit of rural tradition, the Beaverhead County Museum will be hosting a photo tour of Beaverhead County barns and an old-fashioned bunkhouse dinner on October 29th at 4:00 PM at the Old Depot Theatre in Dillon MT. Dale Giem will narrate a presentation based on the extensive research project done by Bette Hull and Ruth Little. Three binders were created of photographs and the history of Beaverhead County barns. These binders provided the informative source material for the photo tour that will be presented and highlights the amazing architectural diversity of these buildings so important to agricultural operations. The menu will be a hearty beef stew, biscuits and apple crisp.

Dale Giem, a member of the Beaverhead County Museum Association Board of Directors, said he was excited to be able to help the effort to provide this program to the public. Giem has restored a barn on his own property.

Tickets are available at the Knock About and the Beaverhead County Museum at \$15 per person and reservations can be made by calling 683-5027. Proceeds from this informative fundraiser will augment the operating budget of the Beaverhead County Museum.

Montana Department of Justice and Montana Office of Public Instruction

Encourage State's Youth to Stay Drug-Free

National Red Ribbon Week October 23 - 31

Montana Attorney General Tim Fox and Montana Superintendent of Public Instruction Elsie Arntzen are kicking off Red Ribbon Week on October 23 by encouraging students across the state to demonstrate their commitment to living healthy, drug-free lifestyles. This year's Red Ribbon Week theme is: "Your Future is Key, So Stay Drug Free."

The Office of Public Instruction will make available video messages to classrooms across the state which Attorney General Fox recorded for elementary students as well as middle/high school students. As part of his message to students, Attorney General Fox encourages them to sign the Red Ribbon Week Youth Pledge and be aware of the dangers of drug use and abuse.

"We know through our Aid Montana initiative how important prevention efforts are in the fight against substance abuse," said Attorney General Tim Fox. "Children of parents who talk to their teens regularly about drugs are 42% less likely to use drugs than those who don't, yet only a quarter of teens report having these conversations. I encourage all Montana parents to take some time during Red Ribbon Week to discuss the importance of drug and alcohol prevention with their children."

"As a teacher, I know first-hand how important it is for parents and schools to partner in guiding healthy choices for Montana students," said Superintendent Elsie Arntzen. "Our Montana communities have felt the pain of drug abuse and seen too many futures lost. On Red Ribbon Week, let's make Montana proud and honor a healthy future for our students."

The National Red Ribbon Campaign was sparked by the 1985 murder of DEA Special Agent Enrique Camarena by drug traffickers. Today, Red Ribbon Week is nationally recognized and celebrated, helping preserve Special Agent Camarena's memory. The Red Ribbon Campaign also became a way for state, county, and local agencies as well as schools to get involved and reduce the demand for drugs through prevention and education programs. By wearing a red ribbon during the last week in October, Montanans can demonstrate their opposition to drugs and remember all the men and women who have made the ultimate sacrifice in support of America's fight against drugs.

Letter to the Editor

A friend told me that letters make no difference but I cannot remain silent. The absolute evil visceral hatred evident in ALL the media toward the US Constitution, The Bill of Rights, except for their liberal purposes, and President Donald J. Trump is too much for me to remain silent. I just listened to some summaries made of General Kelly's speech last evening.

Did anyone in this town see the 2009 film "Taking Chance", starring Kevin Bacon? Everything presented in that film was detailed by General Kelly. Again! Two close friends, right here from Dillon, were extras in that film. One served multiple tours in Iraq. Portions of that film were made just over the hill in Ennis, MT. Do you remember? Why did General Kelly have to restate everything from that film? Could it be that no one saw it or remembers it! For sure the liberal, fake news media, don't want to see it or promote it. I am convinced they are either ignorant or just fools.

As a confession from this writer I had to terminate my subscription to a satellite TV company recently partly because of the same hatred presented in that form of the media. The other reason was because I found myself becoming a 'couch potato' again. That was a major portion of me going through two divorces. Also, Jesus warns of an offense, "If your hand causes you to sin, cut it off." In this case I was finding that my watching what was on TV was causing me to sin against Him. Most if not all of it is against my values in my life today.

Is your propane cylinder **SAFE?**

Propane cylinders must be periodically requalified to be safe for use*. Do not use cylinders that have not been requalified because you risk property damage, severe injuries, or death.

To see if your cylinder is okay to use, look for these markings:

A Manufacturing Date:
 Cylinders must be requalified within 12 years of manufacture (in this illustration by May 2017).

B Requalification Date:
 If the cylinder is older than 12 years, look for a "requalification date".

Type of Inspection Cylinder must be requalified within 5 years

V123456 0714 E

Requalified Month/Year requalified

This illustration illustrates a valid inspection and must be requalified within 5 years or by July 2018.

Other possible requalification markings:

7#14

No alphanumeric expiration date means the cylinder must be requalified within 12 years (by July 2028 in this example).

7#14S

"S" means the cylinder must be requalified within 5 years (by July 2021 in this example).

7#14E

"E" means the cylinder must be requalified within 5 years (by July 2018 in this example).

*A list of US DOT approved requalifiers and their ID number (RQ#) is available on the PHMSA website: <http://portal.phmsa.dot.gov/info/csr>
 For more information, contact the Hazmat Info Center: 1-800-467-4922

Rocky Mountain Supply is happy to offer propane cylinder requalification FREE of charge. Please make sure your propane cylinders are empty and plan a little extra time for the inspection process. We are unable to fill cylinders that are out of date until they have been requalified.

A perfect moment to talk about alcohol.

Alarming numbers of pre-teens are drinking alcohol¹ which makes it urgent to find every opportunity to talk to your kids about the dangers of underage drinking. For tips on how—and when—to begin the conversation, visit:
