Don Colbert

Don Colbert entered fully into the presence of his Lord and Savior on October 30. He died of natural causes with family by his side. He may be gone, but his infectious smile and kind heart will forever be remembered.

Donald Ray Colbert was born October 3, 1943 in Sparta, Illinois. He was the third of five children born to Edgar and Marie Colbert. Don grew up in Butte after the family moved there when he was six years old. He moved with his parents and two younger siblings to Dillon in 1961. Don worked at Robert's Food before he was recruited by the State Bank & Trust in 1970. He advanced quickly and would oversee the bank operations until his retirement in 2005.

Don was an avid bowler and golfer, and he excelled at both. He loved the challenge of duplicate bridge. From May to September you would find Don at Bannack State Park where he served as a volunteer. Don also enjoyed spending time with family. Uncle Don could be counted on to play cards, outdoor games, shop, go to movies or just hang out by his many nieces and nephews. Above all, Don's faith was of utmost importance to him. He recognized Jesus Christ as his Lord and Savior and lived out his faith daily.

Don was preceded in death by his parents, his stepfather Stan Abbott, sister-in-law Lillian, and a niece Katherine.

Don is survived by brothers, Phil (Jann) of Helena, Dave (Nancy) of Eureka, and Mike (Judy) of Townsend; sister Leota (John) Fred of Bozeman; and many nieces and nephews.

A celebration of life will be held on Friday, November 3 at 2 p.m. at the St. Rose Parish, 226 S. Atlantic St., Dillon, Montana. Memorials may be sent to St. Rose Parish. There is a guestbook available online at www.brundagefuneralhome.com

Rebecca Wessler

Rebecca Wessler, of Anaconda, Montana passed away at her home on October 27, 2017 arrangements are pending and a full obituary will follow. A guestbook is available online at www.brundagefuneralhome.com.

Speech, Drama and Debate

The 2017-2018 Speech, Drama and Debate season is underway for the Dillon Beavers. The many members traveled to Stevensville on Saturday, October 29th to compete in the first meet of the year. There were only 8 representatives as many students were unable to attend due to other responsibilities including the pep band and the ACT test.

Freshmen Haley Thomas and Madelen Shipman and Riley Hall, as well as sophomores Sarah Mootry and Katelyn Pape competed in their first meet as members of the team, were joined by returners Elizabeth Simonsen, Rachel Stanchfield, and Monika deLos Rios.

There were 13 schools in attendance, and many speech competitors with as many as 30 in several events.

Coach Hansen was pleased with the result of the meet and is excited with the beginning of the season. The team has 30 members this year, 10 freshmen have shown interest as well as a few new upperclassmen which is exciting for the future of the program.

The Drama Team placed 2nd behind Stevensville, and ahead of Corvallis.

AUTHOR KEN EGAN TO READ AT DANCES WITH WORDS SERIES.

On Monday, Nov. 13, 2017, at 7:30 pm, author Ken Egan will visit the University of Montana Western for a reading as part of the "Dances with Words" series. Each performance in the series takes place at The Cup, Montana Western's coffeehouse located below the library on campus.

"Dances with Words" is produced by English Professor Alan Weltzien. The series, free and open to the public, provides the community with a unique opportunity to listen to writers reading their own works, including Montana Western student writers.

After receiving his Ph.D. in American literature at the University of Wisconsin-Madison, Ken Egan taught college English for 25 years. He is currently the executive director of Humanities Montana, a non-profit organization that provides support for public humanities programs throughout the state.

His new book, "Montana 1889: Indians, Cowboys and Miners in the Year of Statehood," is a sequel to "Montana 1864," which was a finalist for the High Plains Book Award for Nonfiction in 2015.

"Montana 1889" tells the many stories of the overwhelming transformation to statehood by entering into the lives, emotions, and decisions of diverse peoples cooperating and competing on this contested ground. Like Egan's previous history, the acclaimed "Montana 1864," these stories are told month by month, deftly showing the flow and friction of events and the unfolding destiny of individuals and nations.

According to Professor Weltzien, "Anyone interested in the official genesis of Big Sky Country will want to read this book."

For more information, please contact Alan Weltzien by email at alan.weltzien@umwestern.edu or call 406-683-7431.

Letter to the Editor

Twenty-nine years ago,I pulled into Dillon to interview as an anesthetist. Following a heavy snow storm and a warm chinook breeze,what I saw in my windshield was a "hick" town with its dusty streets and black bermed snow. It wasn't really an attractive town physically,but the people that I met touched my heart. From folks like Ruth and Garth Haugland to Art and Margie Christiensen,and so many others, I couldn't have met better folks. Their warmth and endearing nature drew me back. Now,I cannot imagine living In the big city,however, we do have big city problems here. Issues that I see in my current medical practice include the abuse of drugs,which is not only nationwide, but right here in our community. Our suicide rate is second only to Alaska. And domestic violence is ever increasing at a highly alarming rate every year.

When things go amuck,who are the first individuals to respond when we call out for help? It is our men and women in uniform. These are our Blue Angels driving old outfits and utilizing old technology to fight a hi-tech war,often by themselves. We live in the largest county in Montana and 47th largest in the nation with only 8 officers on the force. After 8 P.M. on November 7th your voice may only be a scream in the dark and may not be heard. Without our support on the mill levy,we could return to the wild, wild west,and it frightens me to think what that might mean for our kids and our grandkids. Please. Please mark YES on the Dillon City Police Protective Services Mill levy. It's a mail in ballot,so put your stamp on it, and get it in there let's keep Dillon the best and safest little town in America. They maintain our safety and bear the burden at their own peril and at all costs; they deserve our support.

Adventures in After School Program

This program gives participants more in depth programming while giving parents flexibility to fit work schedules. Children will ride bus 9 to the Y, have a snack, and then be involved in the camp offered for that week. You may sign up for a week or the month, it's up to you. Children in K-5th grade are eligible to join. Camp will end at 5:30pm each day. Camps will be offered all school year long with the exception of school holidays. Full and half day programs will be offered on school's out days for an additional charge. A separate registration is required. Sign up the entire month at one time and save!

Lego Land

Next in the After School Series (Nov. 6th-Nov. 10th) is " Lego Land". Children will be creating, building, and having fun with all kinds of legos.

Project Zero

Project Zero is a program designed to help you avoid gaining that dreaded holiday weight. Come to the YMCA and weigh in on November 20, 2017, and put $5.00 in the pot. On January the 2nd, any participants not gaining weight will split the pot. Project Zero is open to members and non members.

Youth Hunt Raffle

Donna Belderrain won the Schuett elk hunt and Alison Lovaas was the winner of the Bar Double TT cow elk hunt. Both winners will receive free meat processing from L & S Meat Processing. A big thank you to our donors and everyone who purchased a raffle ticket!

Strong Family Campaign

Give to the campaign, you can exercise your heart in more ways than one!
The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Our 2017 campaign goal is $113,000.
Thanks for your continued support of the YMCA!
The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.

Skills I bring to the Office of Mayor

- Problem solving – Having the knowledge and firsthand experience to modify a plan to accommodate unexpected events.
- Leadership – Experience as a primary leader of teams to guide Accountants, Technicians, Military Personnel, and others to work together to successfully complete a project.
- Budgeting – Monitoring the budget set by others and keeping costs within the limitations of the budget.
- Responsibility – Take responsibility for decisions I make.
- Education – The ability to understand technical information and knowing the right questions to ask to get the best result.
- Listening – Hear others points of view and consider those views when making a decision. I am not afraid to explain my decision, take criticism, nor am I too proud to ask for information I don't know.
- Communication – Keeping lines of communication open and reporting the progress of the project to all parties.
- Statutes – I believe in following the laws, rules, regulations, and treating everyone in the community equally.

As your Mayor I am honored to be able to use these valuable skills to make Dillon a great place to live and work!

Big Changes at Dillon Small Animal Hospital

After 24 years of serving the pets and people of Dillon as well as surrounding Beaverhead County, Dr. Andrea Simonsen is taking some well deserved time for herself and her family. She will continue to see patients on a reduced schedule, and Dr. Bob Braun will be taking the reins and leading Dillon Small Animal Hospital into the future. Also joining the practice is Dr. Ryan Braun, Dr. Braun's son. All three doctors are excited to expand the availability of veterinary care for Dillon's pets, and are taking emergencies 7 days a week.
