Judith Helen Martz, 74

Judith Helen Martz, 74, passed away peacefully at her home at 4 a.m., Oct. 30, 2017, after a long battle with pancreatic cancer.

Judy was born in Big Timber, Montana to Joe and Dorothy Morstein. She was one of six children and loved being around her siblings. She moved to Butte when she was a little girl, attended Hawthorne Elementary School and graduated from Butte High School.

She loved to compete, at anything! In 1962, she was named Miss Rodeo Montana then, runner-up

to Miss Rodeo America. In 1963 she made the World Speed Skating Team then went on to make the 1964 Olympic Speed Skating Team in Innsbruck, Austria.

In 1965, she married her husband Harry Martz. For 37 years they owned and operated Martz Disposal Service together.

In 1996, she was selected by Marc Racicot to be Lieutenant Governor and then in 2000 she was elected Montana's first female governor.

Judy did so many things, threw her hat in the ring and "stepped up to the table" as she would say. What I want people to know about her is her love of God, her family and friends.

Her faith NEVER wavered. When she was unbelievably sick in bed she would say "God is good."

She loved our dad. She thought he was the greatest thing. What an amazing example they set for my brother and I. What love they showed each other, day in and day out.

She loved Justin and I so much. She was so giving of herself. She was at everything we did, whether it was basketball or volleyball or scraping mud off of race cars or motorbikes. She loved my husband Abe and our kids, Remy and Rogan, with all her heart. She lit up when they were around.

She was always there for you. Whenever, wherever you needed her. She didn't hesitate. She was always helping someone, a lot of times we didn't even know them. I think this came around tenfold with all the people wanting to help her in these last months. There was such an outpouring of love for her.

Her friends meant so much to her also, there are too many to name, you know who you are. Her laugh was contagious,

By: MJ

At the Oct. 10, 2017 meeting Mayor Klakken said that he would present to the committee for their approval text that would set up "Standards" for pre-1976 trailers. At Oct 24th meeting the discussion on "standards" was tabled.

Mr. Mooney stood and stated; "Standards" cover everything from ground up. "Standards" represent the vision for community. He stated that you can't have someone come in after a house is built and get it certified. Inspection and certification must be done at the time of manufacturing process. Can't get house certified to meet building codes. **QUESTION:** Is this saying that a trailer cannot be updated to a point where it would ever be accepted in the city of Dillon, even if the update starts with the bare frame? Dillon has several businesses that own trailer courts.

Unzoned areas: Oct 10th (1) College area to be zoned POI except for street So Dakota to Atlantic would be zoned C-2. (2) Ashcraft area; discussion by the board of how much should be zoned. Should the zoning include Meyer's property? At Oct 24th meeting Todd Hazelbaker said that Mr. Ashcraft may be interested in C-2 zoning. Mooney, a member of public, told board that this area was tagged in growth plan as residential. Councilman Nye stated it would be zoned R-3 and if Ashcraft would later want to do more construction the board could update the zoning to C-2. (3) Miller tract CA and parcel 2A will be zoned C-2 and Shooting Star Parcel B and Parcel K1A will be zoned R-2. Motions were made and passed to accept the above listed zoning.

Central Business District zoning. Oct 10th meeting; Change ordinance to get rid of off street parking because there is no one down town that can meet the off street parking requirements laid out in the zoning document. Also discussed was how the parking requirements need to change for growth and businesses in downtown area. Oct 24th meeting Councilman Garry suggested that there needed to be better working in the downtown parking ordinance. He wants a more coherent plan. He gave an example of an apartment complex going in and they would not have to provide parking. Committee member Stoker reminded the board that this had been discussed at prior meetings and rehashing would be a disservice. He asked the board which was a better option for city (a vacant building or an apartment).

Grandfather expression: Councilman Garry asked if City Attorney Dolan would provide information that would make clear for the board how grandfather pertains to Dillon's code. At the Oct 24th meeting this information was not available. The issue was tabled.

Certificate # 2504. This was a permit to move a cabin 10 feet by 28 feet to 535 E Orr Street to be used by owner as a man-cave/office/studio... Director of Operations Todd Hazebacker explained to the board that set backs were complied with, how the owner plans to hook up to utilities and the building will be set on a cement slab with parking available alongside the garage. Councilman Garry expressed a need for better drawings. He wants the owner to explicitly tell the board what he is doing with water and sewer. Councilman Garry made a motion to table until more information is given. Motion carried. **Question:** When a permit has listed all the information that is required by the city does the zoning board often delay permission by tabling? Zoning board only meets every two weeks thus delaying progress for permittee. The board members have no skin in the game however the continue delay may get costly to the permittee or possibly stop their project all together. Improvements may bring extra tax dollars into the city coffers.

Letter to the Editor

I enjoyed Monday's very interesting article about Mayor Klakken and Don Hand's thoughtful efforts to locate human remains in the Poindexter Cemetery. Those efforts of caring leadership led to some satisfying results! It's this kind of attitude that builds confidence in our leaders.

As an elderly citizen I have also been the subject of Mayor Klakken's "going the extra mile" in helpfulness. In solving the malfunctions of my computer, he went beyond the ordinary with his generous thoughtfulness in order to bring a resolution to my needs. Such "care" leads me to appreciate living in Dillon!

Letter to the Editor

"You know you're a cop if you've ever referred to Tuesday as 'my weekend'."

Most of us would not think twice about calling 911 at 3:00 in the morning if we have an emergency. We all expect that a police officer will respond within minutes, arriving to provide protection and assistance to any threat to our safety and well-being. What most people don't think about is how physically brutal it is to work the rotating shifts required to provide that service.

Our Dillon City police officers cope with the debilitating physical effects and personal disruption of normal life that shift work demands. They also consistently maintain their professionalism, training and enthusiasm to provide our community with the most immediate and vital security.

A YES vote on the "Dillon City Police Protective Services Mill Levy" on the November 7 ballot will provide security for our officers' health benefits and retirement. A YES vote will also ensure our officers get regular days off and the necessity of taking time off if they're sick without worrying about the hardship it will impose on their overworked colleagues, advantages most of us take for granted.

Our police officers step up every day and stay up every night to ensure our community is safe and respond to any and every emergency that might befall our families. We need to step up and vote YES to ensure they have the resources they need to be safe and secure and as healthy as possible.

HUNTER NUMBERS DIP ON SECOND WEEKEND OF THE GENERAL SEASON

Sunny skies and warmer temperatures greeted hunters to start the second weekend of the general hunting season in Montana with harvest success slightly down compared to opening weekend and fewer hunters heading into the field.

Again, the Cameron check station was the busiest in Region 3 with 360 hunters stopping to meet with staff and volunteers. Last week, the same check stations saw 691 hunters come through.

At the check stations at Divide and Mill Creek in the Butte area, in addition to deer and elk, a moose was brought through each station and hunter numbers were relatively high respectively speaking.

Hunter success was the highest in the Gardiner area with over 14 percent of hunters bringing through deer or elk.

In addition to the data gathered in terms of hunter harvest at the two check stations in Park County (Livingston and Gardiner), 22 chronic wasting disease samples were also collected for testing.

It is important to note that several stations will only be operating on the first and last weekends of the season.

2017 R3 Check Station Summary - Weekend 2, Oct. 28 & 29

Check Station	Hunters	White-tailed Deer				Mule Deer				Elk				Hunters w/ D&E

MICHAEL
KLAKKEN
For MAYOR

Letter to the Citizens of Dillon:

I have been the Mayor of the City of Dillon for the last four years. During my term I have worked to make city government more efficient. I have used these savings to maintain and in some cases, increase services on a very limited budget. In my first term I was elected to represent ALL the people in the community. I feel that I have accomplished this. I have done the necessary research so that I can present facts and figures to the Council in order for them to make better decisions for the community as a whole. I take input from City employees on how they can do their job more effectively. Most importantly, I listen to individuals and organizations in the office, at home, and on the street so that your concerns are heard. I am asking you to re-elect me to one more term so that I can finish the projects that have been started and to complete the others that are still waiting to start. Let's keep moving Dillon in the Right Direction. Thank you for your vote.

Big Changes at Dillon Small Animal Hospital

After 24 years of serving the pets and people of Dillon as well as surrounding Beaverhead County, Dr. Andrea Simonsen is taking some well deserved time for herself and her family. She will continue to see patients on a reduced schedule, and Dr. Bob Braun will be taking the reins and leading Dillon Small Animal Hospital into the future. Also joining the practice is Dr. Ryan Braun, Dr. Braun's son. All three doctors are excited to expand the availability of veterinary care for Dillon's pets, and are taking emergencies 7 days a week.
