THE UNIVERSITY OF MONTANA WESTERN RANKED AMONG THE BEST ONLINE COLLEGES IN THE STATE

The University of Montana Western was recently ranked among the "7 Best Online Colleges in Montana for 2017" by College Choice, an online education resource. The ranking is based on factors including student satisfaction, return on investment, and school quality. The other Montana colleges in the listing are Montana Tech, Montana State University, the University of Montana, the University of Providence, Montana State University-Billings, and Montana State University-Northern.

The University of Montana Western offers multiple career advancement and certification courses online through the School of Outreach, which has been providing industry, healthcare and teacher professional development opportunities for 40 years. These offerings provide flexibility for rural Montanans and extend Montana Western's unique experiential learning model, called Experience One, through its online degree programming by requiring students to "practice what they learn" in their respective environments.

U.S. News & World Report has also bestowed The University of Montana Western, a public institution founded in 1893, with several impressive rankings in the Western region. The rankings include #8 in Best Regional Colleges, #4 in Top Public Schools, #5 in Best Value Schools, and #6 in Best Colleges for Veterans. Montana Western's commitment to engagement and support offer an incredible experience for students while maintaining a high standard of academic excellence and low tuition costs.

For more information about the University of Montana Western's online learning opportunities, please contact School of Outreach Program Coordinator Ryann Gibson by email at ryann.gibson@umwestern.edu or call 406-683-7304.

DECOUPAGE WORKSHOP

The Southwest Montana Arts Council would like to invite the community to sign up for a decoupage workshop with teaching artist Maria Gallegos. Decoupage is the art of decorating an object by gluing colored paper cutouts onto it in combination with special paint effects, gold leaf and other decorative elements. The youth classes are free and the adult class is \$5. Each class has room for 20 participants, so please sign up at SMACarts@gmail.com or by calling 683-6208.

SMAC's free art workshops are sponsored by Pioneer Federal Savings & Loan, Mrs. John Erb, Mandy Maass and the Dillon Jaycees.

2017 Children's Christmas Store

The Dillon Elementary Parent Council is preparing for the Children's 2017 Christmas Store. The store is for children ages preschool through fifth grade, and will be held at Parkview Elementary School. Children have the opportunity to personally select and purchase Christmas gifts for family members. After children make their purchases, the Girl Scouts provide a free gift-wrapping service for them.

This year we will feature items from Elf Shelf. Elf Shelf is a company that will ship us new items to sell ranging from 25 cents to 10 dollars. This is a trial run and depending on the outcome and feedback we receive, we will then determine if it will continue on next year.

In order to make this a special time for the children, parents are not allowed in the store. We provide coffee and cookies for the parents as they wait in the hallway. We make it a festive and fun occasion for everyone involved while earning money for our local schools.

The Children's Christmas Store will be held on Saturday, December 2, 2017. This year, we are asking for monetary donations or wrapping paper only. The monetary donations will be used to purchase wrapping paper and to help those who need a couple extra dollars to purchase their desired gift. A member of the Parent Council will be available to pick up any wrapping paper, ribbons or cash donation you may have to offer anytime.

If you have any questions, or for pick-ups, please call Courtney Brown at 925-1787 or Elaine Spicer at 925-3961. Thank you so much!

Biblical Truth... God's order for the best possible family unit

---We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---
God's commands for the family unit cannot be improved upon. All the changes made by man over the centuries have resulted in the deterioration of the home and family. The following scriptures clearly state God's formula for the best possible unity and enjoyment within the home.

The first scripture regarding God's system for the family is found in Genesis 1:27, "So God created man in his own image, in the image of God created he him; male and female he created them."

Genesis 2:17 & 21-22 reveals that God created Adam first, then created Eve from one of Adam's ribs to be an assistant to Adam, "And the Lord said, it is not good that the man should be alone; I will make a help meet (aid or helper) for him. And the Lord God caused a deep sleep to fall upon Adam, and he slept: and he took one of his ribs and closed up the flesh instead thereof; And the rib, which the Lord God had taken from man, he made a woman, and brought her unto the man."

These scriptures establish the foundation for the family unit. Note that this foundation has the man placed as the leader and the woman as his helper.

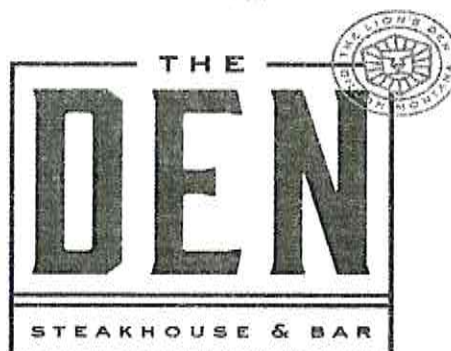

Note God's requirement for the husband in Ephesians 5:25, "Husbands, love your wives, even as Christ also loved the church, and gave himself for it."

There is no greater challenge in the home than the challenge for a husband to have this kind of love for his wife. This kind of love will be patient, compassionate & understanding. When the husband fails to fulfill these God given requirements he will fail as a husband & father. The failure of the husband to submit to this system will be the beginning of the end for the family unit.

KLAKKEN FOR MAYOR

Mayor Mike Klakken's leadership during his term has shown that he has the experience, education, and knowledge necessary to continue to be "your" Mayor.

Skills I bring to the Office of Mayor

- Problem solving – Having the knowledge and firsthand experience to modify a plan to accommodate unexpected events.
- Leadership – Experience as a primary leader of teams to guide Accountants, Technicians, Military Personnel, and others to work together to successfully complete a project.
- Budgeting – Monitoring the budget set by others and keeping costs within the limitations of the budget.
- Responsibility – Take responsibility for decisions I make.
- Education – The ability to understand technical information and knowing the right questions to ask to get the best result.
- Listening – Hear others points of view and consider those views when making a decision. I am not afraid to explain my decision, take criticism, nor am I too proud to ask for information I don't know.
- Communication – Keeping lines of communication open and reporting the progress of the project to all parties.
- Statutes – I believe in following the laws, rules, regulations, and treating everyone in the community equally.

As your Mayor I am honored to be able to use these valuable skills to make Dillon a great place to live and work!

Big Changes at Dillon Small Animal Hospital

After 24 years of serving the pets and people of Dillon as well as surrounding Beaverhead County, Dr. Andrea Simonsen is taking some well deserved time for herself and her family. She will continue to see patients on a reduced schedule, and Dr. Bob Braun will be taking the reins and leading Dillon Small Animal Hospital into the future. Also joining the practice is Dr. Ryan Braun, Dr. Braun's son. All three doctors are excited to expand the availability of veterinary care for Dillon's pets, and are taking emergencies 7 days a week.
