CELEBRATE OUR PUBLIC SCHOOLS

American Education Week will be celebrated nationwide on November 13-17, 2017. This is a time to celebrate the great educational system that has been created in America. It is also a time when retired educators focus attention and support for our public schools and teaching staffs dedicated to educating children to their full capacity.

As retired educators, we still hold the torch of learning high. We try to re-enforce the good work being done by practicing teachers as they strive to teach students the skills needed to live productive lives.

This week is an excellent time to take the opportunity to show appreciation to our teachers and administrators for their professional work. To cite Alex Haley, author of *Roots* "... teachers should be honored and respected for their dedication in working with students. Teachers are magical people who sprinkle stardust in the lives of students..." Stardust indeed! No one could have expressed their appreciation for the dedication of teachers better than Alex Haley.

Our teachers are great motivators of students. They interact everyday with students at the feeling level. Teachers have strong rapport drives which are used to develop life-long relationships with students. At the elementary school level, our teachers are "student centered" and will do whatever is possible to create a nurturing learning environment.

So, thank you teachers for the way you challenge students in ways to make them use higher level thinking skills and set realistic creative goals to live productive lives.

American Education Week is a good time for parents and community members to focus attention on the good work being done in our public schools. These are just some of the reasons why we celebrate the world's greatest educational system.

Jim Keef, Ed.D. Retired Montana School District Superintendent, President, Southwest Retired Educators Association

Letter to the Editor

Once again this community is collecting winter coats for children and adults. What a nice gesture to all who participate in this cause. But! And yes, there is a but!

Donald Trump, the man who said, "I will rarely leave the White house because there 's so much work to be done. I will not be a President who takes vacations." But since Mr Trump has become President he has gone golfing 75 times. The cost to the tax payers has been more than \$65 million dollars.

And we have to collect coats for children. Something is wrong with this picture. Making America great again??

All of the money that was allotted to the Secret Service to guard Mr. Trump and his family has been depleted. The Secret Service have requested an additional \$30 million dollars to cover Mr. Trump and his family.

And we have to collect coats for children! Yes, we need to guard the President but the expense has gone overboard!

It cost the taxpayers over \$300,000 for vice-president Pence to walk out of a football game so he could get a photo-op. And we have to collect coats for children.

Wait till you hear this one! The Pentagon spent \$28 million dollars to buy uniforms for the Afghan National Army! And yes we are asking you to donate coats for American children this winter. Something wrong with this picture.

Many big corporations pay no taxes because of loop holes and make billions in profits. Some even get money back from the government for paying no taxes. But yes! We are collecting coats for children.

Is there anybody sane in Washington D.C.? Is there anybody sane in Congress? You already know the answer but please give your unneeded coats to help keep the children of this community warm this winter.

Dillon Middle School news

Here's the Dillon Middle School news for the week of
November 13th through 17th, 2017.

The lunch menu for the week is as follows: On Monday
we will enjoy a baked potato bar. On Tuesday hot roast beef
sandwiches will be served with mashed potatoes and gravy, and
on Wednesday, we will have a local beef hamburger on a school
made bun. Thursday, we will enjoy chili salad with trimmings
and corn bread. And on Friday we will have weiner wraps with
savory rice.

First quarter report cards went home last Friday, November
10th. If you did not receive your child's report card, please call
the DMS office.

The Dillon Middle School Veterans Day Assembly was one
of the best ever. The band performed to honor the occasion and
the lunchroom staff decorated the cafeteria welcoming more than
30 local veterans. Thank you to those veterans who allow us to
attend school daily and display our patriotism with pride!

Mr. Anderson's Tech Ed classes have been busy with their
"Montana Business Challenge". Students form teams of two to
five students. Each week they make all the operating decisions
for their simulated business. The decision inputs are then
matched against the other teams in the competition as all teams
"go to market"...competing against one another. Each week
of classroom decisions represents a business quarter. The game
runs for eight weeks during a semester...or the equivalent of two
years in their business cycle. The teams make decisions each
week in such things as marketing and advertising, production
and inventory, pricing, ethics, hiring and firing, and research and

Over 500 teams are competing in the state of Montana. Dillon Middle school has three teams in the top 15. In second place at this point is "COLTER INC"...managed by Holter Santos and Connor Curnow. Also in the top 15 are CHORUS INC, managed by Lauryn Petersen, Abby Brevig, and Cassidy Philipps, and KCC INC, managed by Christopher Ramos, Connor Vezina, and Kyle Hawley. Congratulations to each of our DMS teams...keep up the good work. This wonderful program is made possible by the generous financial support of the following businesses: Bank of Commerce, Pioneer Federal Credit Union, and Stockman Bank. Thank you for all your generous support.

This week, students will be traveling to Helena for the annual MBI Youth Days. Representing Dillon this year is: Quincee Anderson, Kee Christiansen, Gavin Garrison, Evelyn Hansen, Noah Huffaker, Eden Kindberg, Parker Puyear, Brianna Schroeder, Ainsley Shipman, and Jordyn Walker. MBI students orchestrated a drive for our troops. DMS students brought in items for care packages that will be sent to members of our military overseas.

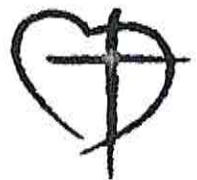

This week, students are having a "Pennies for Scott" drive. Students please bring in spare change to help out a fellow student who is facing major health challenges which have led to major financial challenges for his family. If you'd like to donate, please contact Mrs. Williams at DMS.

Congratulations to Quincee Anderson for becoming this year's BOLF champion. BOLF is a game that combines basketball and golf. Each year, Mr. Williams hosts a tournament for the sixth graders. Great job, Quincee.

The boys' basketball B teams traveled to Deer Lodge last week. Both 7B and 8B lost, but are improving. Way to play hard. In boys' basketball, today, Monday, November 13th, DMS hosts Anaconda. 7th grade plays in the DMS gym, while 8th grade plays in the new gym. B teams play at 4:30, followed by A teams at 5:30.

This week the girls participating in cross training will be doing yoga. Eighth grade will participate Monday and Thursday, while 7th grade will go Tuesday and Friday. Pick up your children at DMS 5:00 pm Monday through Thursday, and 4:00 pm on Friday.
