DILLON OPTOMETRIST TO SPEAK TO DILLON KIWANIS

Dr. John Creger will be the featured speaker at the Wednesday, Nov. 15 meeting of the Kiwanis Club of Dillon.

Creger will give a presentation spotlighting what is new in Optometry. He will speak about the new innovations and technology that yield better results for patients.

The Kiwanis meets the first three Wednesdays of each month at 12 p.m. at the Beaverhead Brewery, 218 South Montana Street in downtown Dillon. Visitors are welcome but if wanting lunch, need to call ahead.

Our speaker gifts are provided by Sportswear and Design.

The Kiwanis Club of Dillon has been serving our community since 1940.

Inquiry Class

"Fasting" is the topic of this month's Inquiry Class with Fr. Russell Radoicich of Holy Trinity Orthodox Christian Church on Wed. 11/15, meeting at UMW at 5:30 pm in Room 150 of Main Hall.

Fasting days account for more than half a year in the life of the Orthodox, following ancient traditions of the Jews (Jesus was a Jew, remember) as well as Jesus' admonitions of a lifestyle of fasting, prayer and almsgiving.

It is a timely topic because Nov. 28 begins the six week Nativity Fast celebrated every year before Old Calendar Christmas on Jan. 7. Everyone is welcome to join the discussion and hear the Orthodox view of Christianity, no matter their religious persuasion, or lack thereof. Fr. Russell is interesting, fun, and approachable.

Please join us if you have any curiosity at all. Call Toni at 865-0081 for questions or directions.

November 13th -17th is National Education Week. First time this was ever observed was December 4th -10th, 1921 in Des Moines, Iowa. It is now celebrated each year the week prior to Thanksgiving. The established resolution supports; "An educational week observed in all communities annually for the purpose of informing the public of the accomplishments and needs of the Public Schools and to secure the cooperation and support of the public in meeting those needs." The week was sponsored by the American Legion and National Education Association. Since that time many other organizations and groups have taken time to give honor and thanks to those involved with Public Education in America. The resolution that began in 1921, still remains.

I want to thank all who have been a part of helping Public Education. Together we're making great public schools for every child. This is part of America's promise to all people of America. This is a time to remember that caring teachers, professional educational supporters, substitute educators, parents, and all others involved with public schools make a difference in the lives of our youth.

All make a difference! How often have you heard or had the experience of a teacher or coach that stayed after school to help with some learning difficulty or problems with life? Educators have made the difference by letting students know that they CAN Do! They can learn! When taught to "Think I Can!" instead of "I can't" makes a big difference in the future of every student. A teacher's encouragement to challenge one's ability, as a youth, is extremely important in the development of a productive adult. Our students and communities need Educators and supporters of Education. Our country needs to provide a sound background for every child in America in order it to remain strong and free. Many in America cannot afford private education therefore we have provided public education to allow everyone an equal opportunity to learn. We need Public Education to be strong in all we do to preserve our way of life.

Take time to thank those involved with helping our youth develop into confident, productive adults. Thanks to all who have been strong supporters of our Public Education. Without community support, our educational system cannot succeed. I believe "Education is like a chain, it is only as strong as its weakest link." Please help build our Educational system to meet the needs of all students. Visit your schools and keep up on what is happening in education. Volunteer to be part of your local school system and keep abreast of what is going on to help improve our education system.

Thanks to all who help make education a success and have a good National Education Week!

2017 Love in a shoe box!

It's time again to get the shoe boxes out and make a difference this year for a child! This is part of a national effort to help children across the country and around the world. Anyone can help: groups, individuals, families, schools, or churches.

All you need to do is:

- 1) Put together a shoe box to send to a child, or
- 2) Make a Donation – every donation helps.

Shipping costs \$9 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at Mary's house or donate online and track your shoe box! Donations are tax deductible. For online donations go to: <http://www.samaritanpurse.org/what-we-do/operation-christmas-child/> and click on "support."

Deadline, drop off to Mary by November 15th, 2017. Last minute drop off ok.

There's still time! Questions? Need boxes? Need pickup?
Let's work together to brighten a child's life!
