Holiday time is upon us.

By: MJ

Holidays may or may not be a joyful time for you. Holidays can be a burden on the budget, can be stressful in many ways yet they can be very joyful. Sometimes all it takes is changing how we think about and react to holidays. Do we celebrate the true historic meaning of the day or do we react to how society of today projects the day, filling the pockets of retail businesses by spending money we may or may not have. Holidays can make a person feel depressed, alone and lonely.

Being alone is not the same feeling as loneliness. If you are in the company of people where there is no conversation, where emotions and hurt feelings are causing you to walk out or not talk, you might be opening yourself up for loneliness. We all have our own styles of "checking out." Humans have a tendency to shut down, blame others like their boss, husbands, wives... *Reality is we cannot change anyone else however; we can change ourselves and our own behaviors.* Research shows that friends and family are key players in what makes us happy and those relationships require participation from the players.

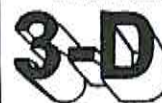

Loneliness is a feeling of emptiness in our hearts. It could be a feeling where you feel you are on the outside, cut off, and not accepted. Maybe you're feeling loneliness because you feel inadequate when participating in conversations, because you have lost a loved one, because you are physically isolated... Owning your own business and being your own boss, doing what you love often means you are alone and loneliness creeps into your world. Co-working places have advantages and provide outlets for communication.

Loneliness is not the same as being alone. A person will always have time when they chose to be alone. Loneliness is the feeling of being alone and feeling sad about it. We all feel lonely some of the time. It is only when we seem trapped in our loneliness that it becomes a real problem.

To overcome loneliness be active, don't procrastinate just get the grunt things done and out of the way first, share conversation with people at coffee or via a phone call, become active in the community, take breaks, remembering the happy moments you shared with a loved one that has passed on or the loss of an important friendship/lover...

- Whatever you hold in your mind will tend to occur in your life.
- If you continue to believe as you have always believed, you will continue to act as you have always acted.
- If you continue to act as you have always acted, you will continue to get what you have always gotten.
- If you want different results in your life or your work, all you have to do is change your mind and you will change your actions.

Letter to the Editor

I would like to give a SHOUT out to Officer Miles Miles of the sheriff's department.

Friday night, Nov. 17th, we were coming back from Lima when my daughter hit a deer on the right side of my car. When I called 911 Officer Miles was the responder. I just want to publicly tell him a big THANK YOU, you were so helpful and kind, and we three females were very comforted by your professionalism.

FWP holds meetings in Helena and Townsend to review Local Boater Program

Montana Fish, Wildlife and Parks is holding two public meetings to review the 2017 Local Boater Program and discuss the plans for the program in 2018.

"We want to give people an opportunity to provide us with feedback on the program and hear what we have planned for the coming year," said FWP's aquatic invasive species bureau chief Tom Woolf.

The meetings are set for Nov. 28 in Helena at Montana WILD from 6 - 8 p.m., and in Townsend on Dec. 5 at the Community School Room from 6 - 8 p.m.

The Local Boater Program was established on Tiber and Canyon Ferry Reservoirs after suspect detections of invasive mussel larvae at Canyon Ferry and positive larvae samples from Tiber.

For more information on the meeting, contact Beth Giddings at 444-7815.

Here's the Dillon Middle School news for the week of November 27th through December 1st, 2017. We hope everybody had a nice Thanksgiving break

The lunch menu for the week is as follows: On Monday we will enjoy beef and bean burritos with seasoned potatoes. On Tuesday sub sandwiches will be served with trimmings and chips, and on Wednesday, we will have a local beef hamburger on a school made bun with trimmings. Thursday, we will enjoy chicken soft shell tacos. And on Friday we will have tator tot casserole served with a dinner roll.

This last week, Mrs. Telling's 7th grade language arts classes went to the elementary school to hang out with the kindergartners. With a Thanksgiving theme, they worked on math patterns, sight words, and even taught the kindergartners a turkey dance. Fun was had by all, and it was a great learning experience for both groups of students.

This past week, the middle school had a "caught ya doing something right" assembly to reward students and staff for all their hard work this first quarter. The staff and students enjoyed popcorn and a fun time of celebration.

We want to report on the generosity of our students and staff as they participated in a "Pennies For Scott" campaign last week. Many students brought in spare change to help out a fellow student who is facing major health challenges. Several students donated part of the proceeds of their 4H animals, and we are so proud of the generosity of our student body. Almost \$1500 was raised to help for medical related expenses.

This week, in boys' basketball the B teams will host Deer Lodge on Thursday, November 30th. Both teams will be in the new gym. Seventh grade will play at 4:00 pm, followed by 8th grade at 5:00 pm. And on Saturday, the A teams will travel to Anaconda for a tournament. Times are to be determined, and notes should be sent home with players Thursday or Friday.

Second quarter midterm report cards will be sent home with students, next Thursday, December 7th. If you don't receive one, please feel free to contact the middle school office.

Food Drive, Food Drive, Food Drive. Today begins the Middle School food drive to benefit the local food pantry. Please bring your non-perishable food to your 8th period class. We will gather food until December 21st. The food pantry especially needs canned fruit, canned vegetables, canned soup, peanut butter, cereal, individual oatmeal packets, macaroni and cheese, crackers, jelly or jam. There will be lots of fun incentives along the way as well as prizes at the end for the top three teams. So bring those nonperishable food items in, and help out your fellow community members.

giving plans in this season of Joy and Thanksgiving.**

The Town Pump charitable foundation is matching local contributions again this year.

We are so blessed to have a community of people who care about, and care for their neighbors. We want to thank so many people, local businesses, organizations, and charities that contribute to feeding our community. And we want to thank our all-volunteer group for contributing their time, money, efforts and compassion to make sure the Beaverhead Community Food Pantry remains vibrant and a vital part of our community.

Every week we distribute food to our neighbors and friends requesting it. We serve an average of 300 people every week. Over the last year we provided 126,000 pounds of food for 310 different households or 764 people, from newborns to the elderly, from Lima to Twin Bridges.

We pick up and receive food every day from many places and in many ways. This includes food from local groceries, restaurants, food drives, gardens, ranches, farms, and kitchens. Our food donors include individuals, local businesses, non-profits, faith groups and government agencies. We wish to thank everyone for their generosity.

We use your financial donations to buy food from our local grocery stores and the Montana Food Bank Network, to pay for meat processing, and to keep the refrigerators and freezers running. We are a United Way agency and receive donations from individuals, memorials, businesses and organizations. We wish to thank everyone for their generosity.

Food donations are accepted on Wednesdays from 12:30- 3:30 at the pantry, 131 East Helena in Dillon. If you cannot drop off your food on Wednesdays, please call us at 683-2199 to arrange another time.

Please mail your donations by check to:

Beaverhead Community Food Pantry
PO Box 1356
131 East Helena
Dillon, Montana 59725

For anyone needing assistance, we distribute food every Wednesday from 1 -3:30 pm. If you have questions, please call us at 683-2199.
