Emphrey Eugene (Gene) Hildreth, 89

Emphrey Eugene
(Gene) Hildreth, 89,
passed away Wednesday,
Nov. 28, 2017 in assisted
living in Bozeman, after an
extensive time living with
congestive heart failure.

He was born the third of
six sons on March 9, 1928
in Dillon, Montana, to E.W.
(Bob) and Bessie Hildreth.
Gene spent his childhood
on the ranch in Medicine
Lodge and graduated high
school in Dillon. He married Winibel Jo (Wini) McMannis
in 1948. They had three children: Bernice, Julie and Craig.
Gene and Wini divorced in 1979. He married Carol Stewart in
1980 and together they guided daughter Sherrie through high
school. Gene and Carol divorced in 1987.

He went into the garage business in 1949 in Armstead,
Montana, then he sold the business in 1958. With the
construction of the Clark Canyon Dam in 1961, he moved
the family to Dell, where he continued the family tradition
of ranching in the area for the rest of his life. He turned his
skills to wood working in his later years and made beautiful
items out of many kinds of wood. We were always amazed
with his mechanical skills and his ability to build or fix about
anything. Always a generous and giving gentleman, Gene had
a quick smile.

He was preceded in death by his parents, brothers Henry
(Pat), Robert (Bill), Wini and Bernice.

He is survived by brothers; Lowell, Raymond (Darlene),
Edward Barton (Eathal) Hildreth, children; Julie (Bill)
Glauber, Craig (Rhonda), son in-law Mike Danzer,
grandchildren; Jennie Hildreth Kramer, Jesse Hildreth, Jon
Danzer, four great grandchildren also Carol, Sherrie Hebert,
special friend Darlene Brown and families. Cheers and thank
you to Gene's friends!

A memorial service is planned for 1 p.m., Dec. 18, 2017 at
the Elks Lodge, 27 East Center Street, Dillon.

It was wonder opportunity to return it to her and experience

The Confounding of Dillon

For a little change of pace during the holidays, The Beaverhead County Museum is presenting The Confounding of Dillon, a one-act comedy loosely depicting the founding of Dillon in 1880. The production, written by the late Judge Frank Davis and originally presented by the Wapiti Players, will be Sunday, December 10th, at 3:00 at the Old Depot Theatre. Following the performance will be an intermission to enjoy home-made cookies and coffee and then a short variety show of historic music. Admission is \$10 per person. Tickets are on sale at the museum and at the theatre door.

Director, Stan Smith, has gathered his cast from local personalities much in the tradition of the Wapiti Players. You will be treated to the antics of Gerald Penn, Ethan Myers, Jake Schmidt, Seth Carlin, Fred Deffinbaugh, Al Lawson, Travis Nelson, Derik Seymore, Travis Stufflebean, Tom Jones and Julea Rae. The stage manager is Dena Carlin. Sarah Thurmond will tickle the ivories during the variety show with some ragtime tunes and then members of the vintage dance ensemble, directed by R. Alexander James, will entertain with music written between 1880 and the turn of the 20th century.

Nostalgic Christmas at the Museum

Holiday festivities are being observed at the Beaverhead County Museum. The December monthly exhibit features nostalgic Christmas photographs and an array of vintage cards, toys, stocking stuffers and other holiday memorabilia. This exhibit offers viewers the opportunity to remember their childhood holidays as well as step back in time to the late 1800's. There is even a Christmas gift with a macabre twist.

Decorating at the museum was done with the excellent help of four Youth Challenge cadets. The museum will be open with free admission to all exhibits on Friday, December 8th between 5 and 7 PM. The museum gift store has many locally made items for holiday shopping. Between Christmas and New Years, the museum will be open Tuesday through Friday during regular 9 AM to 5 PM hours. Viewing Beaverhead County history is a great way to spend time for the whole family and we even have a treasure hunt designed to be an interactive museum tour for parents and children.

Public meeting to discuss project in the Boulder River area

Boulder, Mont., Dec. 1, 2017, -

The Beaverhead-Deerlodge National Forest is hosting a public meeting on Thursday, December 7 from 7:00 to 8:30 p.m. to discuss the Red Rocks Forest Health project being developed by the Butte-Jefferson Ranger District in the Boulder River area. The meeting will be held in Boulder at the Jefferson County/Boulder Fairgrounds (located off Hwy 69, ½ mile south of Boulder) in the Volunteer Hall. The Red Rocks project occurs in an insect and disease area designated under the Healthy Forest Restoration Act (HFRA). The Forest Service and stakeholders are collaboratively developing a proposal to address resource concerns in the area. Primary objectives include reducing extent of insect and disease infestations, mitigating hazardous fuels, and increasing the resilience of the forest to future outbreaks of insect, disease, and fire. Some watershed and habitat improvement opportunities have been identified as well. This meeting will also emphasize some opportunities for road management within the project area.

For more information about the project, contact Derek Milner, Project Team Leader, at dmilner@fs.fed.us or (406) 758-5340. Information about the project is posted online at: <https://www.fs.usda.gov/projects/bdnf/landmanagement/projects> (scroll down and click on Red Rocks Forest Health).

The lunch menu for the week is as follows: On Monday we will enjoy pizza served with cheezy pinwheels and sauce. On Tuesday tomato soup will be served with toasted cheese sandwiches. On Wednesday, we will have a chicken patty on a school made bun. Thursday, we will enjoy soft shell beef tacos with trimmings, black beans and fruit.

There will be no school this Friday, December 8th. School will resume Monday, December 11th. Parents, midterms are coming home this Thursday, December 7th with your child. If you have any questions, please feel free to contact the Middle School office.

This week is COMPUTER SCIENCE EDUCATION WEEK. Computer Science is the study of the principles and use of computers. During 8th period we have the privilege of hearing from 4 community members who value computer science as a career choice and want to share with the DMS students why it's important to everyone. This week, all DMS students will have at least one opportunity to practice coding, which means to give a computer a set of instructions. Students around the globe are participating in the Hour of Code. The Hour of Code takes place each year during Computer Science Education Week, which is December 4-10, but you can continue to participate at home all year round. Mrs. Sara Gibson, our technology integration specialist, will be posting a lot of great information this week on the District 10 Facebook page. Check it out if you want further information.

This is the last week for girls' cross training. Both seventh and eighth grade will be together on Tuesday and Thursday. Tuesday will be kick boxing from 3:45 to 5:00. Thursday will be the "DECK OF PAIN." There will be no cross-training on Friday.

Boys' basketball will finish up their season this week. The teams will travel to Butte East tomorrow, Tuesday, December 5th. The bus leaves at 2:00 pm. 7B plays at 3:30, 7A at 4:30, 8B at 5:30 and 8A at 6:30. Then, on Thursday, December 7th, the A teams will host Butte Central in the new gym. 7A will play at 4:00 pm, followed by 8A at 5:00 pm.

Ladies, it's not too early to begin thinking about your basketball season. Practice will start Thursday, January 4th, which is our second day back to school after our Christmas vacation. Please get all your paperwork into the office as soon as

possible. Remember that you need a new permission form for each sport that you participate in.

The Middle School food drive is in its second week. Last week, the class who brought the most food in per person got to play dodgeball. Incentives coming up are: donuts for the class bringing the most food per person. Also, popcorn and getting to go to lunch early will be upcoming rewards for bringing in food for the food pantry. Catch the Christmas spirit and the gift of giving. There is a great feeling that you will experience as you find opportunities to serve others. Let's all continue to participate. We will gather food up through December 21st. The 8th period that brings the most pounds of food per person will win a pizza party with drinks. Please get involved for a worthy cause. Our goal is to surpass 2000 pounds of food delivered as a school. Good Luck to everyone and enjoy.

Dillon Middle School - Montana Business Challenge

In the Montana Business Challenge this week students had to navigate decisions about production in an economy that is now recovery from a big recession. There were decisions on how to manage the corporation in regards to launching an ecommerce site to better improve sales figures for their MP3 players. The competition is getting exciting as we have two quarters left in the competition. There are over 500 teams competing from all over the state of Montana. With two weeks remaining we have some teams that have separated themselves from the competition and have set themselves up well for the last push to try and claim one of the 8 finals slots that will then compete in a Montana State Business Finals. In Dillon we have 5 teams in the top 25 and two that have found themselves in the Top 10.

Pear Inc.—Managed by Carsten Lemelin and Asher Voss with a stock price of \$84.55 (1st overall in the school and in the State Competition)

Blue Mustangs—Managed by Evelyn Hansen and Jordyn Walker with a stock price of \$79.18 (2nd overall in the school and 4th overall in the state completion)

Thanks again to our sponsorship of this great program we could not do it without you. The Bank of Commerce, Pioneer Federal Savings and Loan, and Stockman Bank
