Thoughts to mull over

By: MJ

Everyone needs a thought for the day.

America is capitalist and greedy – yet half of population is subsidized and think they are victims. They have representatives that run the government yet the poor keep getting poorer. **Question:** What is wrong with this picture? **Note:** *Capitalism is freely giving your money in exchange for something of value.* When you give someone something for nothing, you rob them of their dignity and self-worth.

The people in America that are subsidized, classified as poor via statistics, have things that people in other countries only dream of having. **Example:** Insurance, doctors, cars, running water, electricity, food, homes on foundations, several changes of cloths, washing machines, food to prepare a meal with stopping the hunger pains and feeding their children… **Question:** Why is it that a small percentage of people in America want America to be more like those other countries? I am one person living in America that likes the freedoms I still have with all the products available making my life easier.

Freedom of speech allows us to express our opinions on issues dear to our hearts in many ways. One of the topics that many have deep feelings about is guns. Why is it that a tiny part of America's population puts the effort into creating a well-planned out plots to express their anger by killing masses of people. I read somewhere that a gun is like a parachute. If you need one, and don't have one you'll probably never need one again. Thank the lord 99± American citizens have compassion, respect for others including admiration, love and commitment for their country They choose to live a life void of hateful anger that includes hateful speeches and actions that ultimately destroying people and countries.

Social Security: If you live in America you hear a lot about social security running out of money, but we never hear about welfare or food stamps running out of money. **REALITY**: *The first group of people "worked for" their money, but the second didn't.*

It is Christmas time. A time we give gifts. **Question is:** do we give gifts that are truly going to be a gift needed or do we give something so we can feel good about ourselves with the unwanted gift ending up in the trash? Make a **New a Year's resolution** to not only give gifts at Christmas time – to continue giving throughout the year with a gift of reverence, love and commitment to your country. Be aware of the words that roll off your tongue – make those words impeccable, non-judgmental, unsullied, truthful….

Montana Motor Vehicle Division Introduces New Colored Tabs for License Plates

Will Assist Law Enforcement in Identification of Expired Registration

The Montana Department of Justice's Motor Vehicle Division (MVD), in partnership with Montana Correctional Enterprises (MCE), has developed colored tabs to indicate the year of expiration on a motor vehicle's registration.

Colonel Tom Butler of the Montana Highway Patrol said, "The new colored tabs will significantly assist law enforcement officers in identifying drivers who are in compliance with valid vehicle registration and those who are not. The Montana Highway Patrol would like to thank the Motor Vehicle Division for seeking law enforcement input throughout this process." The new tabs are now in circulation. MVD would like to remind all customers that titling, registration, and license plate issuance take place at your local County Treasurer's Office.

Attorney General Fox Releases Statement on Court Decision Protecting Nonpartisan Judicial Elections

Montana Attorney General Tim Fox released the following statement Thursday on the 9th U.S. Circuit Court of Appeals' decision in French v. Jones, preserving Montana's right to restrict candidates from seeking partisan endorsements in nonpartisan judicial elections:

"I'm pleased with the Court's unanimous decision allowing Montana to decide how we run our judicial elections. The people of Montana decided our judicial elections should be nonpartisan, and the Court's decision respects and protects the will of the people."

Beaverhead-Deerlodge National Forest Seeking Applicants for Summer Jobs

The U.S. Forest Service is seeking qualified applicants to fill temporary, full-time positions for the 2018 summer season on National Forests in Montana. Available jobs include firefighting, recreation, customer service, engineering, and several scientific fields. Beaverhead-Deerlodge National Forest locations include Dillon, Butte, Ennis, Philipsburg, Wisdom, Whitehall, and Wise River.

There will be two opportunities to apply for summer jobs, all online through www.usajobs.gov.

The first opportunity will be for fire and recreation positions. All these jobs will likely be listed as Forestry Aid or Forestry Technician, but will include a variety of different positions. Firefighting opportunities include entry-level firefighter, fire engine operator, handcrew member, and helitack crewmember. Recreation jobs will include general recreation, trails, and wilderness trails. Positions for all these jobs will be advertised on USAJobs January 3 to 9.

The second opportunity includes a variety of different fields, including forestry, range, archaeology, botany, fisheries, wildlife, hydrology, engineering, equipment operations, and customer service. Positions for all these jobs will be advertised on USAJobs January 31 to February 6.

The Forest Service recommends preparing your online job application early, by registering an account in USAJobs, creating an online resume, and uploading copies of school transcripts and other relevant information.

More information is available on the Beaverhead-Deerlodge National Forest website at www.fs.usda.gov/main/bdnf. Look for the Employment Information link on the right. There you will find Outreach Notices with more details on all the available opportunities, including local contacts for each position at each duty location.

The start date, length of season and number of positions hired will depend upon budget and individual unit needs. None of the positions will exceed six months in length. Seasonal housing may be available in some locations.

Forest Supervisor Melany Glossa encourages people to consider working on the Beaverhead Deerlodge this summer:

For more information contact the Beaverhead-Deerlodge National Forest office in Dillon at (406) 683-3900, or any of the District offices in Dillon, Butte, Ennis, Philipsburg, or Wisdom.

Biblical Truth..."Organized Religion" (Part 2) (#62)

----We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Bible are false.---

Ephesians 3:21 states that bringing glory to God is accomplished in a church, "Unto him (God) be glory in the church by Christ Jesus throughout all ages, world without end. Amen." The church referred to here is the church that Jesus said He would build upon Himself in Matthew 16:18b, "...thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." (Note: "THIS ROCK" refers to Jesus, NOT to Peter).

God has always had specific plans designed for worship and service to honor Him. Before Adam & Eve sinned they worshipped and fellowshipped with God in the Garden of Eden, Genesis 3:8. Afterward He provided a sacrifice for their sin, giving them laws for worship and sacrifices that would typify the sacrificial "Lamb of God" (John 1:29) that would be offered for man's spiritual salvation, Genesis 3:21. The sacrifices were made at an altar under this system of worship, Genesis 4:1-8. When an individual rejected God's regulations regarding worship, service & sacrifice, God rejected the individual.

God then established the nation of Israel, giving them what is commonly called the Law of Moses. These commandments governed Israel's worship, service, and day to day living. If they failed to perform these laws as God commanded they were rebuked and eventually chastised by God.

The Laws of Moses ended when John the Baptist prepared the material with which Jesus established a new "organized religion" by baptizing those who repented, Matthew 3:1-8. After His baptism & temptation, Jesus began "calling out" some of the disciples that had been baptized by John, Matthew 4:17-22. ("Church" means "a calling out".)

Conclusion: John 4:24 states that worship must be "in spirit and in truth." Anyone concerned about acceptable service should search & compare church teachings with the scriptures. God does not accept worship & service based on sincerity or what men deem proper.
