Wake up America!

When the "Silent Majority" allows a nation to lose its sovereignty, that nation is lost. You are allowing the politicians to take our country away from us. Why should we accept and adore the multi- culturalism? Review your world history, not one country has ever survived as a multi-cultural or a borderless nation. It is uni-culturalism which is our strength! One country, one culture, one language, But the majority of our political parties espouse insanity, ignoring the will of the people and says…No! Diversity in this country has become "Dis-unity".

Once again, one country, one culture, one language. You cry out for unity but you continue to identify yourselves by your ethnicities and not your nationalism! African-American, Asian-American, Mexican-American, Irish-American, and so on. You want unity? Isn't it about time we all become just plain Americans? Furthermore, why are our inept politicians bankrupting the U.S. treasury fighting wars for countries whose citizens won't fight for themselves? They continue to distribute billions of hard earned taxpayer dollars to countries who hate us. All this while our infrastructure continues to crumble and 40% of high school graduates cannot read or write at the 4th grade level.

This is madness! Lay down your misplaced global burden and rebuild America first. You can't support the world while neglecting your own country. We are asked to show compassion for almost 20 million illegal who live in this country, but not one word of compassion for the overburdened American taxpayers who are forced to subsidize illegals by doling out over 100 billion dollars annually. America has become the welfare nation for failed corrupt foreign countries. Stop bending over backwards to accommodate every other culture but our

own. Stop allowing activist judges who ignore our history, our culture, our Declaration of Independence and every other founding document by removing GOD from public life. Remember the words that are written in our Constitution…"Endowed by their Creator with certain unalienable rights"…Not the ACLU, not the Atheist, or the anti-Americans who sit on the 9th "Circus" Court of Appeals in San Francisco. Separation of Church and State…yes! Separation of God from public life was never intended by our founding fathers! The very political parties who claim to be the party of the people, who promise changes, but do nothing to secure our borders, continue to support illegals and fund countries that dislike us. They call themselves "Progressives" or "Global Thinkers".

There was another word for these types of people back in 1776, they were called Traitors! If we do nothing now, we will be helping these corrupt politicians destroy America. I only hope to God America wakes up!

FWP ANNOUNCES DATES FOR ITS 2018-19 SEASON SETTING MEETINGS

Montana Fish, Wildlife and Parks will hold public meetings throughout the state in January to provide information, answer questions, and gather input on the 2018-19 hunting season proposals adopted by the Montana Fish and Wildlife Commission earlier this month. The public meeting schedule for Region 3 is listed below:

January 3:	Whitehall	Whitehall High School	6 p.m.–8 p.m.
January 4:	Bozeman	Holiday Inn-Bozeman	6 p.m.–8 p.m.
January 9:	Butte	United Congregational Church	6 p.m.–8 p.m.
January 10:	Livingston	Yellowstone Pioneer Lodge	6 p.m.–8 p.m.
January 11:	Helena	Montana Wild	5:30 p.m.–7:30 p.m.
January 11:	Dillon	Search & Rescue Building	6 p.m. – 8 p.m.
January 16:	Lima	Lima School	6 p.m. – 8 p.m.
January 18:	Gardiner	Gardiner High School	6 p.m. – 8 p.m.

Season structures and hunting district boundaries are adopted biennially for most game species. This happens every other year between December and final adoptions by the Fish and Wildlife Commission in February. In proposing regulations to the Commission, FWP proposes adopting the existing 2017 structure except for specific changes. Proposals are based on population status or other circumstances.

For more information on season proposals, or to comment, go to fwp.mt.gov and click on the link for Biennial Season Setting.

The deadline for public comment is 5 p.m. Wednesday, Jan. 24, 2018. Final adoption of the regulations will occur Feb. 15, 2018.

Remember Nursing Home Patients At Christmas

Tyrades! by Danny Tyree

At this festive time of year, it is good to remember those who will probably never again personally experience "city sidewalks, busy sidewalks, dressed in holiday style."

Individuals who are fortunate enough not to have close relatives in nursing homes may feel that they have "dodged a bullet" and can unashamedly concentrate on "me me me"; but visiting my mother-in-law at the nursing home over the last two years has humbled me and opened my eyes to opportunities for compassion.

Even if you don't have blood relatives or in-laws who are shut-ins, you owe it to yourself to check out the patient directory at the nearest facility. You may find the sixth-grade teacher who helped you choose your mission in life, the kindly neighbor who gave you shelter those times you accidentally locked yourself out of your house, the coach who taught you the value of persistence, the beloved aunt of your childhood sweetheart...

I realize that nursing homes are outside the comfort zone of many of us ("The smells! The moaning! The bodies that would no longer make the cover of 'GQ' or 'Sports Illustrated'!"); but most of those patients went outside their own comfort zones many times â€' leaving familiar surroundings to find a good job, traveling halfway around the

world to fight for freedom, raising stepchildren who clung to memories of their "real" father/mother, marching for civil rights, etc.

The Christ child we celebrate at Christmas certainly came outside his comfort zone. He left the right hand of God, endured the aches and sorrows of the Human Condition and was mocked and crucified. He set a high standard for us.

We cheat ourselves when we let our hectic schedules push nursing home visits way down our priority list. We rush home to watch a History Channel documentary when we COULD learn about the Great Depression or the Korean War or the Apollo program from someone who was there. We make a mad dash to the bookstore to grab the latest romance novel instead of listening to a real live senior citizen reminisce about the person who was the light of their life for 50 years.

Opportunities abound. True, some patients are staying for only six weeks of therapy after a knee replacement; but words of encouragement can speed their healing. Some patients are in the latter stages of dementia, but a smile or a kind word does not go unnoticed by our Father in heaven. Nurses and other staffers can always use a heartfelt "thank you."

Certainly, the patients who suffer from glaucoma or osteoporosis or confinement to a wheelchair but who remain mentally alert are in need of reassurance, to handle the monotony, loneliness and challenges to their dignity. Even patients who have doting relatives will appreciate an extra visit.

Giving the gift of time to someone who can't repay you in material things can be so much more rewarding than the obligatory ritual of handing a $20 Taco Bell gift card to the co-worker whom you know will reciprocate with a $20 Olive Garden gift card.

Nothing about this column is intended to limit your kindness to the holiday season. Trees and ornaments may be packed away, but the emotional needs remain.

I hope the holidays start you on a year-round program of tending to the vulnerable. It is a two-way gift that keeps on giving.

Notification

If you have active insurance coverage & your household earns 200% or less of the published federal poverty level you are eligible to apply for assistance with your Barrett Hospital & HealthCare bills. For details see below and contact Barrett Hospital & HealthCare.

BHH's financial assistance program is administered in conjunction with the Federal Poverty Guidelines that are used nationwide and that pertain to medical services provided at Barrett Hospital and Healthcare only. These guidelines incorporate rationale for age, number and ages of dependents and provide definitions of family and net income. The United States Department of Health and Human Services sets the Federal Poverty Income Guidelines and applies annual revisions to account for increases in the Consumer Price Index. BHH increases the federal poverty income levels from 100% to 200% for eligibility purposes.
