per game.

Dillon BLM releases Red Rock-Lima watershed report

The Red Rock/ Lima Watershed Assessment, the result
of many months of work by specialists in the Bureau of Land
Management's Dillon Field Office, is now ready for public
comment.

The Red Rock/Lima watershed is in Beaverhead County, south
of Dillon along I-15 to the Continental Divide. The watershed
covers approximately 69,000 acres of BLM-administered land in
28 grazing allotments. There are approximately 400 acres within
the watershed that are un-allotted.

The field office welcomes public comments to help
formulate alternatives and define issues for the environmental
assessment, which begins early this year. To be most helpful,
public comments should be submitted by Jan. 31.

Before including your address, phone number, e-mail
address, or other personal identifying information in your
comment, you should be aware that your entire comment -
including your personal identifying information - may be made
publicly available at any time. While you can ask us in your
comment to withhold your personal identifying information
from public review, we cannot guarantee that we will be able
to do so. The watershed assessment report has been mailed to
individuals who have expressed interest in the projects and asked
to be on the mailing list.

To receive a copy of the watershed assessment report, call
the Dillon Field Office at (406) 683-8000, or email MT_Dillon_FO@blm.gov.

The assessment report is also available online at the Bureau's
ePlanning webpages at <https://go.usa.gov/xnmZe>

In preparing the assessment from last summer's field work,
the field office evaluated the watershed's resources according to
the five standards for rangeland health. These standards include
maintaining properly functioning upland and riparian resources,
air and water quality to meet state standards, and providing
for biodiversity including forest health and fuel conditions.
As stewards, the BLM manages public lands for the benefit of
current and future generations, supporting conservation as it
pursues its multiple-use mission.

National Environmental Policy Act documents will be
prepared to analyze alternatives for revising management where
resource concerns were found within the watershed. The NEPA
document will be completed by resource specialists from the
Dillon Field Office in coordination with grazing permittees/
lessees, other agencies, and members of the public.

The BLM manages more than 245 million acres of public land, the most of any federal agency. This land is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield.

Upcoming Chamber Board Meeting

The Beaverhead Chamber of Commerce and Agricultural Board of Directors will meet on Tuesday, January 9, 2018 at Noon in the City Council Chamber. This meeting is open to the public and everyone is encouraged to attend. The agenda will include discussion on nominations for 2018 Board Members, recruitment of an Executive Director, recruitment of board members, nominations for Business leaders of the Year, Black Tie & Boots Gala and other upcoming projects.

Attendance to these meetings is critical for all members of the Chamber. Please come on in and share your opinions!

Mule Deer Harvest Approaches CWD Hunt Quota

Hunters have harvested 268 deer in Carbon County as part of a special hunt to gather data on chronic wasting disease, or CWD, in south central Montana. Of those, 183 were mule deer - just short of the 200-animal quota that will trigger a closure of that part of the season.

The deer brought to Montana Fish, Wildlife and Parks' check station at Joliet or to Billings since Dec. 15 also include 85 white-tailed deer. Hunting for all deer in the special season will continue until Feb. 15, unless hunters fill a quota of 200 deer of each species before that date.

To date, the laboratory testing samples from deer harvested during the special hunt has not completed its analysis.

During the 2017 general deer hunting season, FWP sampled about 1,300 deer harvested in south central Montana. The laboratory found that six of those deer - five mule deer and one white-tailed deer all in Carbon County - tested positive for exposure to CWD. That promoted the special hunt.

The special hunt is designed to gather information about the distribution and prevalence of CWD in deer in an area of Carbon County. Hunters are required to submit their harvested deer to FWP within three days either at a check station at Joliet or at FWP's Region 5 headquarters in Billings Heights. The Joliet check station will open from 10 a.m. to half an hour after sunset every day except Martin Luther King Day on Jan. 15, or until the quotas for both species are met and the season closes. The Region 5 headquarters is open during normal business hours.

CWD is a progressive, fatal neurological disease that effects deer, elk and moose. It has been present for some years in states and Canadian provinces north, east and south of Montana, but was first found in wild deer in the state this fall during a focused CWD surveillance throughout south central Montana.

CWD has not been shown to spread to people, pets, livestock or wildlife outside of the deer family. However, the World Health Organization and the Centers for Disease Control and Prevention (CDC) recommend not consuming meat from an animal known to be infected with CWD. The CDC also recommends that hunters have deer tested if they were harvested in areas where CWD is known to be present.

More information about CWD and the special hunt is available online to <http://fwp.mt.gov/cwd>.

Medicare Fraud Watch Program

The Southwest Montana Retired Educators' Association will host a special program Friday, January 5, 2018 at 1:00 pm in the day room at the Bicentennial Apartment complex.

The program will discuss Medicare fraud and ways to identify and avoid fraudulent practices. It will also provide seniors and the disabled with information on available resources needed to combat this type of fraud. We especially encourage all interested seniors and disabled people to attend. Come and learn about this growing problem and how you can join the fight to stop Medicare fraud. Refreshments will be served.

Reminder: 2018-19 Season Setting Meeting Schedule Underway

Montana Fish, Wildlife and Parks will hold public meetings throughout the state in January to provide information, answer questions, and gather input on the 2018-19 hunting season proposals adopted by the Montana Fish and Wildlife Commission earlier this month. The public meeting schedule for Region 3 is listed below:

January 3:	Whitehall	Whitehall High School	6 p.m.-8 p.m.
January 4:	Bozeman	Holiday Inn-Bozeman	6 p.m.-8 p.m.
January 9:	Butte	United Congregational Church	6 p.m.-8 p.m.
January 10:	Livingston	Yellowstone Pioneer Lodge	6 p.m.-8 p.m.
January 11:	Helena	Montana Wild	5:30 p.m.-7:30 p.m.
January 11:	Dillon	Search & Rescue Building	6 p.m. - 8 p.m.
January 16:	Lima	Lima School	6 p.m. - 8 p.m.
January 18:	Gardiner	Gardiner High School	6 p.m. - 8 p.m.

Season structures and hunting district boundaries are adopted biennially for most game species. This happens every other year between December and final adoptions by the Fish and Wildlife Commission in February. In proposing regulations to the Commission, FWP proposes adopting the existing 2017 structure except for specific changes. Proposals are based on population status or other circumstances.

For more information on season proposals, or to comment, go to fwp.mt.gov and click on the link for Biennial Season Setting.

The deadline for public comment is 5 p.m. Wednesday, Jan. 24, 2018. Final adoption of the regulations will occur Feb. 15, 2018.

**Visiting Restriction Currently in Effect for
Barrett Hospital & HealthCare Due to Influenza**

Visiting restriction currently in effect for Barrett Hospital & HealthCare due to influenza. Children under age 16 are not permitted to visit patients in the hospital. Children are prime carriers of influenza. If you have a cough, cold, fever, or any other flu-like symptom, please visit on another day when you are well. This visiting restriction notice will remain in place until further notice. Any patients coming into the hospital with flu or cold symptoms will be required to wear a mask. To decrease your risk of getting the flu please obtain a flu vaccine, wash your hands frequently, and encourage everyone to cover their coughs and sneezes.

BARRETT
HOSPITAL & HEALTHCARE

Barrett Hospital & HealthCare

is seeking a full-time Housekeeper for our Surgery (PeriOperative Services) Department

Barrett Hospital & HealthCare is seeking a full-time Housekeeper in our Surgery (PeriOperative Services) Department. This housekeeping position is responsible for maintenance of a clean and safe environment for patients, staff members and visitors to the PeriOperative area. Housekeeper will have the ability to read and understand simple instructions, both verbal and written, as well as communicate both verbally and in writing. He/she will have the ability to do basic addition, subtraction, multiplication and division; and have an understanding of weight measurements, volumes, and distance. The employee will demonstrate common sense understanding to carry out detailed instructions. This employee will work collaboratively with the licensed and technical staff of PeriOperative Services, and, at times, take direction from them. This position includes regularly scheduled shifts. Minimum Qualifications: High school diploma or general education degree(GED); Healthcare experience preferred. One to three months related experience or equivalent combination of education and experience. Must be able to lift up to 50 lbs maximum, with 20 lbs frequently. Position is full-time (30 hrs/wk) and includes full benefit package. Salary DOE. To apply complete the online application. For more information please call Tammy Brickzin at 683-3009. Barrett Hospital & HealthCare is proud to be an Equal Opportunity Employer

Bible Truth...The Days of Noah and the world today

---We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

When nations or individuals cast aside God & His principles they will begin to deteriorate spiritually, morally, politically and socially. This principle is clearly illustrated in our nation over the past hundred years. As God, Christianity, the Bible & prayer have been rejected the spiritual principles of morality and marriage have all but disappeared. Drugs, alcohol and violence have continued to increase in spite of failed legislation against all of these things. Politics & politicians have become more corrupt, greedy & selfish.

The Bible uses the days of Noah & Lot as a warning about the coming judgment of God in Luke 17:26-29. The people of those days rejected God and His commands for morality and separation from sin. Noah's society, with the exception of 8, was destroyed by a flood. Only 3 survived the destruction of Sodom and Gomorrah by fire and brimstone.

Note the parallels of Noah's day in Genesis 6:1-5 to much of what we see in our present society. There were giants (men who were bullies and tyrants) who had no good intentions toward the nation. There were men of great fame or conspicuous position. The society of Noah's day was a selfish, corrupt, evil, violent, selfish, chest beating, muscle flexing, all-about-me society with no room for God in their lives.

The parallel of Sodom and Gomorrah to the world today is seen in the fact that first, they rejected God. Rejecting God led them to a lifestyle of terrible, immoral acts of sin that ultimately resulted in God's judgment and destruction.

As God judged those of Noah's & Lot's day He will one day judge the nations of the world. Many things will occur on earth before then, but the ultimate destruction of this creation and the forming of a new one for those that have trusted Jesus Christ as their personal Savior is found in 2 Peter 3:3-13.
