SIREN SYSTEM

Beaverhead County would like to announce that our new siren system is now fully operational. We will be resuming our noon-hour tests as well as sounding the alarm for any calls for Dillon Volunteer Fire Department. Please don't be alarmed when you hear the siren, but do be aware that there are volunteer responders that are trying to make their way to the fire hall or ambulance service and remember to move over for emergency vehicles. We would like to extend a sincere "thank you" to all the members of the community for being so patient while we got this system up and running.

Zoning Meeting; Jan 9, 2018

By MJ

Election of Officers: Chairman, Raymond Graham and Vice Chair, Tim Stoker.

Director of Operations Report. No report; Director was out of town.

Certificates:

#2511 - (Tabled) Good Krama Properties LLC (Skradski), for a 600-ft. stick building. Committee members voted to table the request for incomplete information; lot size, access issues, safety issues…

2512 – Approved with condition. Mike and Patty Todd for a storage unit.

Zone Change, (Board approved moving forward with procedure to make a zone change. Public hearings will be held). Mr. Keith Curtis filed and application for a zoning change for 700 Block on Atlantic Street. Requested change: R2 to C2. Note: All Atlantic St. is zoned Commercial, except for the 700, 800 and 900 blocks. If the 700 block was rezoned to C2 from R2 it would be just an extension of the current Commercial zoning.

Items Tables: On the agenda was scheduling hearings for Non-Conforming Zoning Changes, and Hearing for Variance and Recreational Vehicles. All were tabled.

Public Comments: A member of the audience asks, "what fire code did the city adopt" the NFPA/National Fire Prevention Act or the ICC/International Fire Code. He City of Dillon adopted the International Fire Code (ICC). It appears there are differences in these two codes. Mr. Rick Later, Dillon's Fire Marshall is responsible for determining if the adopted city code is being followed.

BCHS SPEECH AND DRAMA

Sarah Griffin and Heidi Martin earned a championship in Humorous Duo Acting, at the Laurel Locomotive Invitational on Saturday, January 13th. The duo had strong preliminary scores and a exceptional final to emerge on top out of the field of 23. Raymond Shipman was the only other member of the Beaver team to advance to the final round. Ray placed 5th out of 29 competitors in Humorous Solo Acting.

"This meet was the largest meet we have attending this year especially in the number of entries in the Drama event, many had more competitors than will be at the state tournament. We competed against all of the teams in the Eastern division as well as the Central which will be beneficial for our students as we head toward the state tournament." Said Head Coach Maria Hansen.

Alison Bramlett and Tess Davis narrowly missed advancing to the final round in Humorous Duo tying for 8th place but losing the tie breaker as did Elizabeth Simonsen in the Expository Speaking event. Both entries finished in 9th place.

The team will travel to Ronan on Saturday, January 20th to compete in the Southwestern Class "A" Divisional tournament. The top 12 students in each event to qualify for the State Tournament on January 26th-27th in Corvallis.

Individual Results for the Locomotive Invitational

Sarah Griffin and Heidi Martin Humorous Duo Acting	first place	
Raymond Shipman Humorous Solo Acting	fifth place	
Alison Bramlet and Tess Davis Humorous Duo Acting	ninth place	
Elizabeth Simonsen	ninth place	Expository
Alison Bramlet	11th place	Serious Solo Acting
Rhiannon Murdoch Kalsta	12th place	Humorous Solo Acting

Larkin Voss, Anthony Agee, Tess Davis, Riley Hall, Gabe Sanders, Monika de los Rios, and Sarah Mootry, also competed in the Locomotive invitational.

Victim Advocate continued:

By: MJ

I wrote an article on the hiring of an Victim Advocate last week. The person was hired approximately three (3) months ago and has been working on behalf of county and city.

The city provided $20,000 of the matching funds on a grant the county was seeking to pay advocated expenses. **NOTE:** The mayor took all information to the council, and the council being the final decision makers, approved using the $20,000 as matching funds for a grant the county was applying for to help pay advocate expenses. There is an **M.O.U.** in place between the county and city where the advocate will provide services for both entities. Beaverhead County is paying all payroll expenses, benefits and supplying office space for the advocate. The program will cost the city $3,000± a year.

Question: It appears that Councilwoman O'Rourke is seeking additional information on the subject as she asked for further clarification at the January 3rd Council meeting.

Rotary Speaker

Tracey Roberts with Rattlesnake Creek Alpacas will be the featured presenter at the noon Rotary meeting scheduled for Wednesday, January 17, 2018.

The Rotary Club will meet at the Guild Hall of St. James Episcopal Church located at 203 East Glendale St. in Dillon. Visitors are welcome to join Rotarians for lunch. The presentation is scheduled to begin at 12:30 p.m. For more information, email Deb Hedeen at deborahhedeen@gmail.com or Roxanne Engellant at engellantr@gmail.com.

Helicopter Manager

Become part of an organization where you will work with dedicated and extraordinary people who have commitment and skills to manage and protect Idaho's natural resources. The Idaho Department of Lands believes in its employees and values teamwork, innovation, quality contributions, and individual initiative and leadership. We strive for a culture where leadership equips, entrusts and expects employees to make decisions in fulfillment of our missions.

The Department of Lands is looking to fill a benefited seasonal Helicopter Manager (8 months) position for the upcoming 2018 fire season. We are seeking strong, motivated individuals who wish to provide leadership and direction as part of a specialized aerial delivered fire fighting module. The duty station for the crew is at the IDL fire bureau located in Coeur D' Alene, ID. This crew is a state booster crew and, as a statewide resource, is responsible for initial attack, extended attack, and large fire support in multiple locations throughout the state of Idaho. The crew can expect to stay very busy and all crew members may expect 5 or more months of employment. In the past, the crew has responded to numerous incidents each season with a significant amount of overtime. This Helitack position offers competitive benefits (http://dhr.idaho.gov/index.html; click on the 'benefits' tab on the left hand side of the screen), including paid holidays, and an opportunity for training and career growth within the agency. Duties include wild land fire suppression, helicopter operations, large fire support, project work, prescribed burning, and interagency hand crew assignments.

These positions participate in wildland firefighting activities. Based on the type of work performed, taking and passing the Work Capacity Test (WCT) at the Arduous level is a condition of employment. The Arduous fitness (Pack) test requires completing a three (3) mile hike within forty-five (45) minutes while carrying a forty-five (45) pound pack.If you wish to be considered for employment please have a completed application and personal resume sent to the Fire Aviation Program Manager or Helicopter Operations Specialist. An application can be downloaded at the Idaho Department of Lands website; http://www.idl.idaho.gov/jobs/index.html. If you have questions or are in need of additional information please don't hesitate to contact:
