DAY OF GOOD DEEDS

Wednesday, January 17th is the annual DAY OF GOOD DEEDS sponsored by the Beaverhead White Hat Coalition.

While out and about today or any day we should all be conscious of each other and think of our neighbors, friends, family or strangers as we go through our day in the community. A simple act of kindness can change the path of another's day or build goodwill with those we interact with in the community. So, keep in mind doing something for a person or the community that will make a difference no matter how big or small.

Street and Alley

By: MJ

Present were Mr. Jim McIsaac, Mr. John Garry and Mr. Russ Schwandt, Mayor Klakken and staff members.

Street Evaluation: A motion was made and passed to hire DJ&A to help determine methodology for ranking streets in Dillon for repair. The cost to hire DJ&A would be paid from Street Maintenance funds. Mayor Klakken stated that he would like to have the ranking done by March so work could start after the ground thawed.

Reeder and Pacific St. stop signs: There was a petition over a year ago to reinstall stop signs on Reeder and Sebree Streets intersecting with Washington and Pacific Streets. It was decided at that time by the council to wait a year to see if there was more public concern. There has been no public input during the past year.

Street Maintenance and Street Lighting: Mr. Joe Morstein addressed the committee on the cost for street maintenance and lighting on 12.77 acres. He stated that from 2016 to 2018 the lighting district costs increased 3,900 percent and street maintenance increased 64 percent. Mr. Morstein said about one (1) acre is commercial and the rest is a vacant lot and he asked if the vacant lot tax is different based on the use. Mayor Klakken explained how the tax and cost are figured and he would run a report for properties of one (1) acre or more and see how many are coded as commercial. Mr. Morstein paid his taxes under protest. He has 90 days to file an action. A motion was made and passed to table until Mayor Klakken is able to recalculate taxes based on vacant lot.

Street Signs: Director of Operations, Mr. Hazelbaker reported that more street signs will be installed. 417 signs cost \$5,435.00. This will be 2/3rd of the needed street signs. It is hoped that the rest of signs can be ordered this year.

Fence (Carpita) Parking lot: The fence has been received by the city and will be installed in the spring.

Seasonal Helicopter Crewmember

The Coeur d' Alene Helitack crew is looking to fill seasonal helicopter crewmember positions for the upcoming 2018 fire season. We are seeking strong, motivated individuals who wish to be a part of a specialized aerial delivered fire fighting module. The duty station and crew is located at the Idaho Department of Lands Fire Bureau Headquarters in Coeur d' Alene, Idaho. The crew is dispatched statewide and responsible for initial attack, extended attack, and large fire support in multiple locations. For 90 days the crew staffs two type 2 medium helicopters. It is not uncommon for the crew to have multiple fire assignment outside the state as well. The crew stays very busy and can expect a significant amount of overtime and 5 months of employment. On average the crew responds to 40+ incidents each season nearing 300-400 flight hours. The CDA Helitack offers managers competitive benefits and an opportunity for training and career growth within the agency. Duties include wild land fire suppression, helicopter operations, large fire support, project work, prescribed burning, and interagency hand crew assignments. The Idaho Panhandle is considered to be the inland northwest. The Coeur d' Alene area is a vibrant community with a large emphasis on the outdoors. Activities include world class hunting and fishing as well as hiking, skiing, boating, biking, kayaking and a wide variety of diverse community activities. Housing is abundant and reasonably priced. There are full service medical facilities and numerous schools K - 12th grade. Downtown is also home to NIC North Idaho College. Interested applicants should contact us to receive updates and the status of any upcoming openings. If you wish to be considered for employment please have a completed application and personal resume sent to the Helitack crew as soon as possible. An application can be downloaded at the Idaho Department of Lands website. For additional information feel free to contact us. We would be happy to answer any questions you may have about our crew.

Beaverhead-Deerlodge Over Snow Vehicle Use Maps Available

The Beaverhead-Deerlodge National Forest announced that free Over Snow Vehicle Use Maps are available to the public at Forest Service offices and on their website. Three large double-sided maps show what areas of the Forest are open for travel by snowmobile or other over snow vehicles.

The Over Snow Vehicle Use Maps follow the 2009 Beaverhead-Deerlodge Forest Plan, which designated what areas of the Forest would be open to motorized winter recreation, each year from December 2 to May 15. A 2016 Record of Decision reaffirmed what areas would be open and closed, following six years of legal challenges and additional analysis. An "over snow vehicle" is defined as any motor vehicle having skis or tracks designed exclusively for over-snow travel and operated entirely on snow. An ATV fitted with removable tracks is considered an over snow vehicle.

Approximately 60% of the Beaverhead-Deerlodge National Forest is open to winter motorized use. Closed areas include wilderness areas, recommended wilderness areas, private land, and other areas identified to protect wildlife, soils, or other forest resources.

In addition to showing what areas of the forest are open to over-snow vehicles, the maps identify over 650 miles of road open to over-snow vehicles. Some of the roads are part of groomed snowmobile trails maintained by groups such as the Anaconda Snowmobile Club, Beaverhead Sno-Riders, Big Hole Snowmobile Club, Deer Lodge Snowmobile Club, Mining City Trail Riders, Wise River Jackpine Savages, and the Vigilante Snowmobilers. Forest Supervisor Melany Glossa announced the new maps. "The maps reflect years of public involvement and work by the Forest Service to provide opportunities for all kinds of winter recreation while protecting sensitive areas and wildlife."

The Over Snow maps are available at Forest Service offices in Dillon, Butte, Wisdom, Ennis, Sheridan, and Philipsburg. Online PDF maps are also available on the Forest website at www.fs.usda.gov/main/bdnf/maps-pubs. The PDF maps are geo-referenced, which allows users with compatible GPS-enabled smartphones to see their location on the map.

Please keep avalanche safety in mind as you travel in the forest. The Over Snow maps do not imply or otherwise suggest that an area open to motorized over-snow use has been evaluated for avalanche hazard. Avalanche hazard may exist at any time there is snow on the ground; users are responsible for making their own assessment as to avalanche risk and other conditions. More information is available online at www.avalanche.org.

For more information on winter recreation or the Over Snow Vehicle Use Maps, call (406) 683-3900.

Letter to the Editor

Pete: Sorry that I haven't been able to respond to your non-stop fever induced ramblings. The Trump economy has everyone working....that wants to that is. Unlike the Messiah Barack Huseim Obama that encouraged everyone to put in for a free phone so they could order their medical pot and welfare checks sent to their government housing. Your reference to wolves is fitting since you liberals are the ones that brought them in. In the unlikely even that you strayed from your government housing I doubt that the wolves were eating elk, they were probably eating sheep or cows. Wolves are just like liberals...they would rather not work for anything that they can whine enough and have it given to them. You are right Pete, Trump is certainly rewarding the people that want to work. And Pete, people like you, want some one to wipe them cradle to grave, it may get a little messy waiting for Trump.

BOA Annual Banquet

The BOA is having their annual banquet/auction/fund raiser on Feb. 3rd, at the Dillon Elks Lodge. This is our only fund raiser of each year, and a necessity for our ongoing projects. Besides the kid's fish pond and sponsoring the Kid's Fish Derby, we have been involved in many other projects over the years, including the never ending battle of keeping our public lands open to multiple use, which includes livestock, mining, access to hunting & fishing, and hopefully the use of our renewable timber resources. We are requesting your assistance again by donating new or lightly used items for our live & silent auctions. Also our members will be selling raffle tickets for some nice outdoor items. Your support is greatly appreciated. Call 683-4745 for pick-up of donations.
