THE UNIVERSITY OF MONTANA WESTERN ANNOUNCES "THE HUNTING GROUND" VIEWING AND PANEL DISCUSSION.

The University of Montana Western's Rape Prevention Education Task Force has scheduled a showing of the documentary "The Hunting Ground" on Tuesday, January 23, 2018 at 5:30 pm in the STC Great Room on campus.

After the showing, a discussion will be held to encourage collaborative dialogue with panelists including UMW Chancellor, Beth Weatherby, Valerie Coulter, a representative for the Women's Resource Center, Russ Richardson, the NAIA Director of Student Athlete Health and Wellness, Dean of Students and Tile IX coordinator, Nicole Hazelbaker and Callie Kanthack, UMW student representative.

According to the film's website, http://thehuntinggroundfilm.com/story/, "The statistics are staggering. One in five women in college are sexually assaulted, yet only a fraction of these crimes are reported, and even fewer result in punishment for the perpetrators. From the intrepid team behind "The Invisible War" comes "The Hunting Ground," a piercing, monumental exposé of rape culture on campuses, poised to light a fire under a national debate.

In a tour de force of verité footage, expert insights, and first-person testimonies, the film follows undergraduate rape survivors pursuing both their education and justice, despite ongoing harassment and the devastating toll on them and their families.

Scrutinizing the gamut of elite Ivies, state universities, and small colleges, filmmakers Kirby Dick and Amy Ziering reveal an endemic system of institutional cover-ups, rationalizations, victim-blaming, and denial that creates perfect storm conditions for predators to prey with impunity. Meanwhile, the film captures mavericks Andrea Pino and Annie Clark, survivors who are taking matters into their own hands—ingeniously employing Title IX legal strategy to fight back and sharing their knowledge among a growing, unstoppable network of young women who will no longer be silent.

Since the film's premiere at Sundance, it had been screened at the White House and hundreds of college campuses across the country. The documentary has inspired new laws in New York and California and changes in campus policies."

The event is free and open to the public. For more information, please contact Student Wellness Coordinator Lexi Benson by email at lexi.benson@umwestern.edu, or call 406-683-7389.

January 17, 2018

Dear Beaverhead County & surrounding county residents,

I am writing to hopefully clear up some misconceptions regarding passports and the need for folks to have them to fly by January 22, 2018. Recently this office has had several passport applicants concerned about getting a passport as they have been told they will not be able to board an airplane after that date. **That is not true.**

Montana has been granted an extension until October 1, 2020. Therefore, you can still use your Montana state-issued driver's license or ID as a form of acceptable identification for domestic air travel. Note: You may be required to have additional ID. Please check with TSA before you travel.

After October 1, 2020, you will need to have a passport or a REAL ID compliant driver's license to fly domestically. More information can be found at dhs.gov/real-id-public-faqs or by calling the TSA Contact Center at (866) 289-9673. Any questions about a Montana Real ID should be directed to your local DMV.

If flying internationally, a passport is the only acceptable form of identification.

The Clerk of District Court processes passport applications Monday-Friday from 8:00 a.m. to 4:30 p.m. Applications can be downloaded online at travel.state.gov, picked up at this office or at our local post office. The Dillon Post Office does not process passport applications. First time applicants and children under 16 must apply in person. Renewal applications may be sent in by the renewing applicant.

Currently, passport applications are taking four to six weeks for normal processing. Applications may be expedited for an extra $60.00 and will be processed within three to four weeks. If you need your passport sooner, please contact this office at 406-683-3725 for additional information or visit our website at http://beaverheadcounty.org/departments/district-court/.

As always, please feel free to stop in or call with any questions.

Sincerely,

Carly Jay Anderson

Beaverhead County Clerk of District Court & Passport Agent

Dept. of Justice Releases Child Fatality Review Report

14 children previously reported to Child and Family Services died in 12-month period in 2017

The Montana Department of Justice released the 2017 Child Fatality Review Team Report, a review of deaths of children previously reported to the Child and Family Services Division (CFSD) of the Montana Department of Public Health and Human Services (DPHHS). It is the second report released by the Department of Justice's Office of the Child and Family Ombudsman (OCFO) since mandated by the Montana Legislature in 2015.

State law requires DPHHS to notify the Montana Dept. of Justice the fatality of any child who had previously been reported to CFSD. DPHHS reported 14 deaths to the Office of the Child & Family Ombudsman between Dec. 16, 2016 and Dec. 15, 2017. (Last year's report reviewed 14 deaths CFSD reported to the OCFO between July 1, 2015 and Nov. 8, 2016.)

Speaking to the report, Attorney General Tim Fox said, "The review team's findings are heartbreaking and simply unacceptable. I'm committed to working with Governor Bullock and DPHHS to give all Montanans the opportunity to live a healthy life. The state can and must do better."

Of the 14 fatalities reviewed by the CFR Team:

- Five deaths were deemed homicides.
- Four deaths were ruled accidental.
- Two deaths were due to medical complications for the child. Both included drug use by the mother, which may have contributed to the child's health.
- One death was confirmed as a suicide.
- Two deaths were unknown for cause or the investigation is ongoing.

The review team also found:

- Twelve of the fatalities involved prior reports to CFSD on the child/ children in the home.
- In nine of the cases, drugs or alcohol were identified as a possible factors.
- Ten of the fatalities involved children one-year-old or younger.
- Ten involved cases with surviving siblings, four involved cases in which a sibling or siblings were removed from the home following the fatality.
- Six involved cases where the alleged perpetrator had a criminal history.
- Six of the fatalities led to criminal charges being filed.

Through House Bill 303 (Kelker), the 2017 Legislature established the Child Abuse and Neglect Review Commission within DPHHS to address increasing child abuse and fatality cases in the state. State law requires DPHHS to "develop a strategic plan setting out measurable goals and strategies for reducing child abuse and neglect in Montana over a 5-year period." State law requires the plan to be in place by August 15, 2018

This letter is being written to thank our Real Estate Agent. Bette Grose. I should have written this thank you letter month ago! But we have been so busy. We want everyone to know, As far as we are concerned she is the best Real Estate Agent in Dillon MT. and Beaverhead County. We thought long and hard when we thought of placing our house up for sale. I mean everything was against us, or so we thought. We were told that it was so far out of Dillon. It was too far of a commute for anyone who worked in Dillon. We bought and built out by Clark Canyon Reservoir, because we liked being out in the country, we liked the peace and quiet. We did not mind the drive. It took our neighbors 5 years to sell their house. So we thought gosh if we put it up for sale it might take a while until it sells. Anyways I had an agent come out and look and give us a cost estimate. He told us how beautiful everything was, what great care we had given our house and property. But when it came to how much we should list it at we were hurt, we could not believe it! This Agent he said in his opinion was not worth hardly anything, how this could be, all of our hard work not worth anything!! I thought this agent was a friend. I was hurt my Husband was mad, he said maybe we shouldn't even try selling. I called a close friend and with her advice she told me to call another Agent,she told me to call Bette Grose. So I called Bette, I asked her to come out she did that same day. She looked, took a lot of pictures, she told me what a beautiful place we had. This is the same thing the first Agent had said. We then sat down and she asked me what we wanted to list our home for. I asked her; well what do you think we should list it at. She gave me a price I was elated it was exactly what we wanted to list at. I asked her are we being crazy, do you really think we will be able to sell it for that amount, she assured me that our place would sell she promised me that! She said I will help you sell your house so you can get closer to your kids and grandbabies. So needless to say 2 showings and 2 months later we had an offer and we sold our house. We never would have been able to do this without you! Bette, we owe you so much!! You are a great person, the Best Real Estate Agent as far as we are concerned. You are not in the Real Estate Business to turn over a fast dollar,you really care! And for that we thank you from the bottom of our hearts.

YOU ARE THE BEST!!
