Shirley Lee Knox, 86

Shirley Lee Knox, age 86, passed away peacefully on January 19, 2018 in her home, with her family at her side. Shirley fought her share of health issues in recent years, and the heart full of so much love finally wore out.

Shirley was born July 1, 1931 in Wheeling, Missouri to Virgil Lee Brown and Stella Arleen (Trussell) Brown. She joined a brother, James, then another brother Charles, a sister Betty, and after a move west, brother Robert and sister Roberta came along.

Virgil found work with the Union Pacific Railroad in Blackfoot, Idaho and the family joined him there for a short time before moving to Dell, then to Lima, where Virgil and Stella put down roots and raised their children to be strong, independent, work hard, and persevere. They were instilled with the belief that the helping hand you can always count on is the one at the end of your arm.

Shirley received her early education in Lima. While still in high school, she fell in love with Carl Newton Knox. On June 11, 1947, they wed in a double ceremony at the Lima Community Church alongside her brother James, and Carl's sister, Alice. Years later when her children were grown, Shirley, along with several of her friends, attended night classes and attained their high school diplomas, an accomplishment of which she was quite proud.

Side by side, Carl and Shirley ranched with his parents on Sage Creek all their working lives. Shirley embraced the ranch life with a passion you had to witness to understand. There was no task or problem that she would not take on. She enjoyed raising sheep and cattle, but she truly loved her horses and some descendants of her bloodlines are still working on

local ranches.

Shirley and Carl were blessed with five children whom they raised on the ranch: Judy, Tana, Karla, Bill and Polly.

A hunter of rocks and big game, mom loved the challenge of trying to outfox a big muley buck. She also enjoyed quilting, collecting dolls, sharing stories over coffee with friends, and was a talented artist. Shirley and Carl retired to Lima in 2003, building a home filled with memories, love, and Shirley's "Stuff".

Shirley was one of the original instigators of the Lima swimming pool. She was a charter member of Rainbow Girls' Assembly, member of the Order of Eastern Star, and VFW Auxiliary.

Shirley is survived by her husband of 70 years, brother Robert (Lana) Brown of San Diego, daughter Tana (Dan) Shively of Cody, Wyoming; son Bill (Cathy) of Dillon; son-in-laws Ron Parks, James McGraw, and Kirk Howell; 14 grandchildren, numerous great-grandchildren, and her many nieces and nephews.

She was preceded in death by her parents, in-laws William and Ethel Knox, brothers James and Charles, sisters Betty and Roberta, daughters Judy, Karla and Polly.

Friends are invited to share memories with the family during a visitation from 6-8 pm Thursday, January 25 at Brundage Chapel. A celebration of Shirley's life will be held at 11:00 Friday, January 26, also at Brundage Chapel. Interment will be at 2:00 at the Lima Cemetery. A reception follows at the Lima Fire Hall.

In accordance with Shirley's wishes, memorials may be directed to the the Bailey Building Museum, Lima Fire Department/EMS, Lima Swimming Pool, or the Brown/Knox Scholarship at Lima High School.

"She is missed an awful lot by me. We had a lot of loving years together." (Carl)

Need help filling out forms for public assistance

With the closure of the Office of Public Assistance in Dillon the Dillon Public Library has stepped up. We have added a workstation for those seeking help filling out forms for public assistance. Both case managers from the OPA office in Dillon are donating their time to assist community members in filling out their applications or renewals. Kendra and Amber will be in the library on Friday's from 1-4:30 pm. Both have said that if we need to add more time they will be willing to accommodate.

Council January 3, 2018

By: MJ

The Jan. 3rd council meeting was the first meeting of the year and the meeting that calls for reappointments of committee and board members due to members being timed out, members resigned and new council members coming on board.

It appeared to me that Mayor Klakken appointments committee and board representation that balances the needs of the community. The mayor has been in office for a full term and has had first-hand experience participating with each committee/board, giving him valuable insight. He presents his appointee list to the council for their permission.

Not everyone gets to be on a committee/board of their choice, however all committees and boards are important to the future of city government. Remember that the city has a major problem with the budget. To keep the budget (general fund) in the black it requires collection of taxes, and using other means of collecting funds. It appears that the committees have a lot of work to be done to just keep the city solvent.

The first meeting of the year is also about swearing in all new participants to local government. There were three applicants for a vacated council position. Two 2 (ladies and 1 gentleman). Newly sworn in Councilwoman O'Rourke spoke up and said that the "elephant" in the room needed to be recognized. That "elephant" appeared to be that the council was "boys club." Councilman Nye spoke up and stated "gender made no difference. What did matter was the best choice for city representation." The vote was taken, and Ms. Barba was seated as the new councilwoman.

Dillon Tree Board Receives Development Grant

The City of Dillon and the Dillon Tree Board recently received $8,000 in grant funding from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish project work.

The 2018 grant will fund several urban forestry projects in Dillon. These projects include pruning/removal of trees on city boulevards, hiring of a seasonal tree worker to water and maintain young trees on city properties, assist homeowners in planting trees on boulevards through a cost-share program, and put on a Tree Planting /Pruning clinic in mid- April.

The first project involves the pruning of 48 trees and removal of 8 trees located on city-owned boulevards, Vigilante, Children's and Jaycee parks. The City is responsible for the maintenance of these trees. The results of a tree inventory completed in 2016 identified trees in need of pruning and those that have a high likelihood of failure. An ISA certified arborist will complete the work; all woody material will be removed from the sites, and the City will grind the stumps after removal. Property owners adjacent to the project locations will be contacted before the work begins. Work will begin in February and finish in early spring.

The second project involves hiring of a seasonal tree worker to water young trees that have been planted on city properties throughout Dillon. This position's responsibilities include watering young trees twice a week during the hot summer months, removing grass competition, perform minor pruning, and maintain mulch around the young trees.

The third portion of the grant will assist private homeowners in planting trees in city boulevards, parks or in the Mountain View Cemetery. Through a cost-share system, the program will defray some of the costs of planting new trees. Homeowners can purchase a tree for $75, with the Tree Board and City covering the remaining portion of the purchase price. This cost-share program provides the incentive for private homeowners to participate in enhancing the City's beauty by adding to the boulevard plantings and providing a tree canopy for future generations.

Lastly, the Tree board will put on a "Tree Care Workshop" in late March. Proper planting techniques, young tree pruning and tree care will be discussed at the workshop. Toby Day MSU Horticulturalist will put on the workshop.

Since 2008, the Dillon Tree Board has secured over $91,000 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

For additional information, contact City Hall at 406-683-4245 or call the DNRC office at 406-683-6305. Information can also be found on the Dillon Tree Board website at www.dillontrees.org.

BOA Annual Banquet

The BOA is having their annual banquet/auction/fund raiser on Feb. 3rd, at the Dillon Elks Lodge. This is our only fund raiser of each year, and a necessity for our ongoing projects. Besides the kid's fish pond and sponsoring the Kid's Fish Derby, including the never ending battle of keeping our public lands open to multiple use.
