BELOV and PENN DUO

Arias, Duets, Broadway Show Tunes…it's all in the concert by two of the top opera performers working today. Anton Belov and Hannah Penn have formed a vocal duo after working together in multiple operas, collaborating to present a program offering a range of duets and arias as well as Broadway tunes.

Belov and Penn will take the stage at UM-Western Beier Auditorium Saturday, February 3, 2018, at 7:30 pm. They appear as a part of the current series of concerts provided by the Dillon Concert Association and are sponsored by Richard and Dorothy Wheeler, Sandra McIntyre and Eric Hammer, and Steve and Sandy Jennings. Season sponsors are John and Elizabeth Garry.

This will be a fun evening for all! Dillon Concert Association membership grants admission into all 2017-2018 performances. Single event tickets will be sold at the door: Adults $15; College $10; Students/Youth $6.

Managing Land for Cattle and Watershed Health

The Beaverhead Watershed Committee is working in the Red Rock watershed (everything flowing into Clark Canyon Reservoir, including Horse Prairie) to identify and learn from what practices are working well, and plan restoration projects for areas with excessive erosion. We're working to hear from landowners and other land managers about what they value and what they'd like to see improved, what partnerships are in place, and new ones they'd like to see developed.

Local landowners have worked with private, state, and federal groups on things like grazing plans, off-stream cattle watering, stream crossings, irrigation infrastructure and stream improvement projects. The Beaverhead Watershed Committee is working in the area to assist with those things as well as restoring riparian areas, upland wet meadows, and addressing conifer encroachment with the Bureau of Land Management (BLM), Natural Resources Conservation Service (NRCS) and other public and private groups. In addition to improving sage grouse and other wildlife habitat, this work can improve and increase cattle forage by replacing sage brush with grasses and other plants in areas that were historically highly productive meadows. We're also working to increase soil moisture in sage brush landscapes through removal of conifer trees which have expanded into sagebrush habitat.

Because of how the west was settled, most wet and riparian areas are on private land, and these are the most critical areas for cattle, wildlife and stream health. The Beaverhead Watershed Committee, Beaverhead Conservation District and our partners are available to work with private landowners on any projects which help water quality and stream bank stability. Please contact us with any questions or ideas.

BOA Annual Banquet

The BOA is having their annual banquet/auction/fund raiser on Feb. 3rd, at the Dillon Elks Lodge. This is our only fund raiser of each year, and a necessity for our ongoing projects. Besides the kid's fish pond and sponsoring the Kid's Fish Derby, including the never ending battle of keeping our public lands open to multiple use.

Letter to the Editor

Every school child has been taught that slavery officially ended in 1865 with the ratification of the 13th Amendment. The deep-seated belief in white supremacy that underlay slavery, however, persists to this day.

The triumphant moment of white racism was the election in 2016 of Donald Trump. It was a strong repudiation of the previous administration, headed improbably by a black man. In Trump, white supremacists found their champion and he has not disappointed them.

Trump's recent comments about s***hole countries in Africa and his wish for more immigrants from countries like Norway, are clear examples of his commitment to white supremacy. So are his comments about Nigerians living in huts and all Haitians having AIDS. So is his calling black NFL players who knelt in protest of police violence against black people "sons of b****es." So is his claiming that Mexico sends us their rapists and murderers.

None of this should be surprising. Trump has a long history of being hostile to people of color. Trump's father (once a KKK member) and he were prosecuted in the 1970s for housing discrimination against black tenants. In 1989, he wrote an op-ed for the NY Daily News calling for the execution of the five black and Latino teenage boys accused of raping a white woman in Central Park. Despite their being cleared years later by DNA evidence, Trump still insists that the young men were "guilty of something." And who can forget that for five years he lied about Barack Obama's place of birth?

Nearly 70% of Beaverhead County voters voted for Donald Trump in 2016. It's a frightening thought, but it's at least possible that the same racism that disgusted some of us actually attracted this large majority of white people – for Beaverhead County is 96% white -- to him.

DO NOT REMOVE THE RIBBONS

City owned trees included in the upcoming pruning contract are marked with blue ribbon. The Dillon Tree Board requests that folks please do not remove the ribbons from trees around the city. When ribbons are removed, someone from the Tree Board has to go back out and re-mark them for the arborist to find.

Questions concerning trees marked for pruning may be directed to Tim or Jason at the DNRC office 683-6305.

On Tuesday chicken teriyaki will be served with rice, and on Wednesday, we will have chicken patty with trimmings. Thursday, we will enjoy corn dogs served with baked beans. And on Friday, we will have vegetable beef soup served with school made bread, WOW butter and honey, applesauce and fresh veggies..

Second quarter report cards went home with students last Friday. Parents, if you didn't receive your child's report card, please contact the DMS office. Parent teacher conferences are coming up, Monday, February 19th and Tuesday February 20th from 4 to 7 pm. Our conferences are not scheduled, so parents feel free to come during this time to meet with your student's teachers.

Congratulations to our Semester One perfect attendance achievers. The following students had perfect attendance for the first semester: Connor Curnow, Jack Gibson, Zoie Glass, Aleina Hanson, Abigail Kizzar, Nicolas Marquez, Emma Mitchell, Tawni Schmauch, Brooklyn Schroeder, Asher Voss, and Jordyn Walker. Great job, students, on your accomplishment.

Eighth grade parents, please put Freshman orientation on your schedule. This year it will be held Wednesday, February 28th at 7 pm in the BCHS Auditorium. Freshman English honors testing will be given the same evening at 6 pm in Room 105. Eighth graders, please don't miss this very important evening.

Student council members will be selling valentines starting February 8th. Students, save up your money so you can buy valentines for your friends.

On Wednesday, January 17, 2018, DMS had a Spelling Bee to choose 10 spellers to compete in the County Spelling Bee on February 21st. A sportsmanlike spirit and a bit of anxiety hovered in the room. The competition was held in rounds to see who could spell the hardest words. After a word was given, the speller carefully put letters together hoping it was the correct combination to stay in the 'game'. DMS is proud to report the winners of this year's school bee: Daniel Martin, Connor Curnow, Treyton Anderson, Quincee Anderson, Garrett Wahl, Eden Kinberg, Jessica Kelly, Dillon Hansen, Aubrey Hawley, Rachel Fluckiger,

Nearly 70% of all children experience at least one Adverse Childhood Experience while growing up. The Beaverhead County ACEs Task Force supports students expressing their needs and feelings, without blame, as an important step in learning resilience. Language, that doesn't judge, helps everyone achieve greater connection with the people in their lives. Strong families build strong communities.
