Dorotha Marie Woodward Wassall

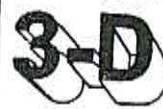

Dorotha passed away on January 29 in Sierra Madre, CA after a brief respiratory illness. She was born on October 21, 1921 in Pottersville, MO on the family farm as the first of two children to Edward and Mae Woodward. Dorotha moved to West Plains, MO with her mother and sister upon her father's death in 1932. After graduation from West Plains High School, she moved to Chicago to attend a secretarial school where she quickly found work. During WWII Dorotha met a persuasive US Army Air

Force sergeant and they were married in 1944. She then moved with him to Clayton and Rock Hill, MO, working for doctors and a large poultry wholesaler. Sons arrived in 1945, 1956, and 1960. Dorotha divorced in 1962 while attending night school for many years, culminating in her obtaining a teaching degree from Washington University in St. Louis in 1964, later followed with a Masters degree. Her first elementary school teaching position was at Vandover School with the Rockwood School District, Eureka, MO before moving on to the Webster Groves School District, Webster Groves, MO, teaching for 24 years at Bristol Elementary School until retirement in 1993 to her Sappington, MO home. Dorotha then moved to CA in 2009 where she lived with her son until her passing.

She is survived by her sons Rich (Alyce) of Dillon, MT, Brant of Sierra Madre, CA, step sons Grant (Shelli) of House Springs, MO, Edward (Susan) of Washington, MO, granddaughter Natalie of Arcadia, CA and nieces, nephews, and friends. Dorotha was preceded in death by her son John, mother Mae, father Edward, her sister Billie and by her ex husband, Richard. A February 24 memorial will be held at Valley Community Church, El Monte, CA at 10AM with a reception there at 11AM. Her sons will then privately scatter her ashes by boat in the Pacific. Remembrances may be left at memorial.yourtribute.com in Dorotha's name. Contributions in her name may be made to either Valley Community Church (VCC Building/Maintenance Fund), El Monte, CA or Assistance League of Arcadia - Senior Fellowship, Arcadia, CA.

Dorotha was a believer in Christ. May His Atonement offer a reward in Heaven for her steady devotion to her family and commitment to her students. "Well done, thou good and faithful servant" Matt. 25:21. Rest in peace, Mom.

Jennifer Hughes January 25, 2018

To our beloved community of Dillon,

Our beautiful and precious daughter, Jennifer was born to us this past Thursday, January 25, 2018. However, it was our Heavenly Father's will that she be taken to be with Him just prior of her arrival. While our hearts are broken, we are at peace knowing that Jenny's sweet spirit is now and forever with our Heavenly Father and she is now part of our eternal family.

Please know that your thoughts and prayers have and will continue to sustain us during this difficult time. We so appreciate all your love and support for us and our dear baby Jenny.

A Jennifer Hughes Memorial Fund has been created in her memory. Proceeds will be used to purchase a piece of playground equipment in her name for the Jaycee Park Renovation Project which Erin has been involved in organizing.

Donations may be sent to:

**Beaverhead-Deerlodge shares livestock
grazing accomplishments**

2017 was another productive year for livestock grazing on the Beaverhead-Deerlodge National Forest. With year-end reporting complete, records show over 106,000 head of livestock grazed on the Forest in 2017, including 96,000 cattle, 9,000 sheep, 400 horses, and 284 bison.

The livestock are owned by approximately 180 permittees grazing 228 active allotments from June through September. The Beaverhead-Deerlodge has over 2.5 million acres of active and vacant grazing allotments, more than any other National Forest in Montana, and the sixth-highest of all the National Forests in the country.

Since 1905, the U.S. Congress has authorized regulated livestock grazing through permits on National Forest System Lands. Permittees pay fees for grazing their livestock on the National Forest. In 2017 the Beaverhead-Deerlodge collected over \$300,000 in grazing fees. Generally, 25% of the collected funds are shared with local counties, 25% remain on the National Forest for rangeland improvements, and 50% goes to the National Treasury. According to a study in 2014, the Beaverhead-Deerlodge grazing and rangeland management program contributes approximately 440 jobs and \$13,300,000 to local communities.

Gary Burnett, Executive Director for Heart of the Rockies Initiative, commented on the value of livestock grazing to wildlife and habitat conservation. "Working ranchlands provide habitat year round to a wide variety of wildlife and crucial permeability for seasonal migrations. We value these wide-open spaces in Montana. They are central to our communities, economy, and way of life."

Forest Supervisor Melany Glossa spoke about the benefit to the local communities. "We believe National Forest System Lands are vital for providing sustainable economic opportunities to our local communities. The Beaverhead-Deerlodge National Forest has abundant forage that has sustained livestock from ranches in southwest Montana for generations. This contributes to the local economy, provides jobs, and helps keep ranchland open."

For more information on Beaverhead-Deerlodge rangeland management, contact the Forest Service offices in Dillon, Butte, Philipsburg, Wisdom, or Ennis.

Bible Truth... Modern Practice versus Biblical Truth

---We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

At one time our nation as a whole accepted and applied biblical truth to the way we lived our lives. Drastic changes have occurred since those days as 'truth' is now determined by a variety of factors. Now God's word is seldom consulted when considering what is right or wrong, let alone to be sought as the absolute authority regarding truth.

Sadly, most churches seem far less interested in truth than they are in getting the world to like them. Dr. John MacArthur observes, "They are so obsessed with making the church seem 'cool' to unbelievers that they can't be bothered with questions about whether another person's doctrine is sound or not."

A pastor of one of the mega-churches in California once stated that "If you want to advertise your church to the unchurched, you must learn to think and speak like they do."

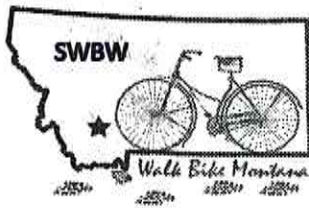

These two thoughts present a serious contradiction to God's word. In 2 Corinthians 6:17 we read, "Wherefore come out from among them, and be ye separate, says the Lord, and touch not the unclean thing; and I will receive you." Jesus says in John 4:24 that God only accepts worship that is carried out "in spirit and in truth." And in Jude 3 we are told to "contend for the faith which was once delivered to the saints."

The scriptures reveal the importance of preaching doctrines such as: repentance of sin and faith in Jesus Christ for redemption from that sin, biblical morality, commitment to God's standards of worship and service, and men only serving as leaders and pastors in churches (1 Timothy 2:12).

Thinking and speaking like the 'unchurched' and being 'cool' with the world is unacceptable to God. Keeping up with the fads, hosting Super-Bowl Sundays, stressing entertainment, drama, magic, comedy, or lining up some celebrity "who speaks spiritual sounding language" has nothing to do with carrying out the Great Commission. (Quote by MacArthur)
