JAYCEE PARK GALA - HUGE SUCCESS!

The youngest committee member of the Jaycee Park Renovation Project, Jennifer Horner, holds the check presented at the Jaycee Park Gala on February 6, 2018.

The highlight of the Gala came when a check from Phyllis and John Erb for \$275,000 was presented during the evening's festivities. This generous donation will cover the cost of the entire splash pad. The committee thanks Mr. & Mrs. Erb for their generosity and help in making this project become a reality. The crowd was very pleased as well and they gave more donations that night that were announced.

Chase Reynolds, former UM Grizzly and founder of The Promise Line talked to a sold out crowd at the Jaycee Park Gala that evening. In 2013 Chase and his partner launched The Promise Line as a way to encourage people to set and pursue their goals when others say it can not happen.

The Gala was a huge success and tickets for the event had been sold out in advance according to committee member Brenda Womack. The decorating and set up committee with Vana, Kirsten, Cindy and others did an outstanding job.

The MC for the evening was the one and only Lee Pelletier from KDBM/KBEV Radio station. Lee, with the help of auctioneer Val Prophet and Cindy Wood, kept the evening going creating a light, fun and exciting atmosphere.

The event brought in \$12,220 in auction items and the committee has received \$60,156 in additional pledges and cash donations to date. The committee would like to thank our community and everyone who helped to make this evening special and such a success.

RayAnn Sutton, reported they are at 42% of their fund-raising goal at this point. You can make donations to this worthwhile cause with a one time donation or a pledge over 3 years that can be annual, quarterly or monthly. Your donation can be dropped off at Womack's Printing Place or The Bank of Commerce. No gift is too small. Working together we can renovate the Jaycee park and make it a wonderful place for everyone to enjoy.

Jaycee Park Renovation Project

Dillon has been in dire need of an update park. The JC Park update will create a safe, secure, and fun environment for children to enjoy for years to come. Being a community build project, everyone in the community can be involved and feel ownership of the playground.

The children created the design of the playground last fall. The design includes three age-appropriate play areas. Play by Design specializes in community builds that need hundreds of volunteers to participate in the building of our new playground (no experience is necessary). Our build dates are August 6-11, 2018. If you are interested in being a part of this exciting build contact Erin Hughes at werin26@gmail.com, or other committee members: Cindy Wood, Kirsten Love, Katie Barba, RayAnn Sutton, Wendy Dumke, Dr. Casey Rasch, Jordin Rasch, Brenda Womack, Ashley Mathis, or Vana Taylor.

The Splash Pad portion of the project will allow children of all ages to enjoy outdoor water recreation in a safe environment. The zero-gravity floor will allow for quick draining to avoid standing water.

The committee was very excited to announce that Phyllis and John Erb graciously donated the money for this part of the park, with construction to begin early this summer according to Casey Rasch capital campaign chairman.

With the addition of the Amphitheater, the community would have access to it for things like weddings, reunions, concerts and performances.

The park has also received a \$10,000 donation from Tery & Carol Hursh, \$6,000 donation Womack's Printing Place, \$5,000 Sunrise Fly Shop, \$5,000 Dr. Casey and Jordin Rasch, \$5,000 Morrisroe Family, \$5,000 Dixie & Bill Cotton, \$3,001 Judy Siring, Farmer's Insurance Agency, \$3,001 RayAnn and Russ Sutton. There are still some naming opportunities available for this project if you can help with your donation. Pledge/donation forms are available from The Bank of Commerce, Womack's Printing Place or committee members.

Your pledge can make a significant difference in the lives of children.

**UPCOMING NIGHT OF STARS- EDUCATION
 HALL OF FAME EVENT BRINGS THE
 COMMUNITY TOGETHER.**

Angela Racicot's High School Art Class with their chair transformation art projects. The chairs will be auctioned at the Night of Stars "Chair"ity Auction to raise funds for Montana Western Education Department Scholarships for future teachers.

The community of Dillon is in full-swing with preparations for the 2018 Night of Stars- Education Hall of Fame event presented by Stockman Bank and the University of Montana Western that will be held on April 21, 2018 at the Montana Western campus.

Students in Angela Racicot's art classes at Beaverhead County High School have been working hard on their challenging final projects: reimagining what old chairs could become and transforming them into works of art for the "Chair"ity Auction. Donated by various members of the community, the chairs are being turned into art pieces, but first, required hours of sanding, repair work, recovering seats and sewing new cushions.

High school student Emily Knight, a junior, took to the challenge with gusto.

"I loved remaking the chair into something new, it was a challenge compared to painting on a canvas. I'm excited to see the auction and

the final result for the community," Knight said.

When the students needed help with repairing or reconstructing the chairs, Woodshop teacher and former UMW football player Jason Truman was happy to provide assistance.

"This was a fun project that involved helping the students to repair and sometimes transform the chairs into something new. The Woodshop class is continually looking for ways to reach out and help the community, so this project was great for us," Truman said.

Angela Racicot, the High School Art teacher, provided insight and encouragement to the students during the project.

"Several of the students in my class are enrolled to receive dual (college and high school) credit that they can take with them to colleges in Montana. The chairs, which they worked on and are presenting for their final semester projects, were a great way for them to learn what a college art class can be like- full of challenges and opportunities."

Proceeds from the sale of the chairs in the "Chair"ity Auction will be used for scholarships for the Education Program at Montana Western for future educators.

The 2018 Education Hall of Fame Inductees are: Carey Swanberg, Harold Tusler, Rebecca Rappold, Mike and Becky Telling, and Ann Burk.

The Night of Stars also gives the Education Department an opportunity to honor outstanding students who will soon become excellent teachers.

The 2018 Night of Stars Outstanding Teacher Candidates are: Joey Paulsonmorgan, Lara Belice, Katlyn Skague, Jessica Reehl, and Jeremy Wells.

To attend the upcoming Night of Stars event, please register for tickets online at www.umwfoundation.org or call 406-683-7306. Tickets for individuals are \$20, couples are \$30 and include both the induction ceremony and reception. Montana Western students can attend the induction ceremony for free or both the induction ceremony and reception for \$5.

For more information about the Night of Stars, or if you would like to donate chairs for next year's event, please contact Vanessa Graham by email at vanessa.graham@umwestern.edu, or call 406-683-7303.

Bible Truth...Biblical Absolutes

(#70)

-----We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

I recently read about a group of 'intellectuals' discussing 'theology' in which a woman theologian expressed her opinion that absolutes were dangerous in religion, and that fundamentalism in any religion is dangerous. The following definitions are pertinent to the subject of, "Biblical Absolutes".

Absolute refers to something "positive, certain or definite."

Relative means "depending on something else for significance." The *general theory of relativity* is defined as "the absence of standards and universal application."

Fundamentalism is "the belief in the strict, literal interpretation of the scriptures."

A **Theologian** is a person experienced in *theology*, which refers to a study of God and religious truth.

In examining these definitions we would conclude that only by believing in 'Fundamentalism' could one be referred to as a genuine Theologian, since only by studying the Bible can one learn about God and religious truth.

The following ABSOLUTES are based on the fundamental, literal interpretation of God's word:

- (1) There is no salvation for mankind in the name of anyone except Jesus Christ, Acts 4:12; John 14:6.
- (2) Whoever refuses to believe in Jesus Christ as the Son of God is condemned, John 3:36.
- (3) Christ paid the sin debt for every man when He shed His blood on Calvary, 1 Peter 1:18-19.
- (4) Those that have believed in Christ will be resurrected from the dead, 1 Corinthians 15:19-23; Job 19:25-27.
- (5) Once we have committed our eternal destiny to God we are eternally secure in His hands, 2 Tim 1:12.
- (6) Sexual activity outside the bonds of marriage is an immoral act that will be judged by God, Hebrews 13:4.
- (7) Baptism must be by immersion in order to picture the death, burial, and resurrection of Christ, Romans 6:4.
- (8) Baptism administered before evidence of repentance is not acceptable, Matthew 3:7-8.

Conclusion: Being saved, serving God, & being rewarded in heaven are all based on the absolutes of God's word, NOT on individual standards.
