CAMPUS COMPACT ANNOUNCES 2018 NEWMAN CIVIC FELLOWS

Campus Compact, a Boston-based non-profit organization working to advance the public purposes of higher education, has announced the 268 students who will make up the organization's 2018 cohort of Newman Civic Fellows, including Montana Western student, Caitlyn Corso.

Caitlyn Corso, a junior at the University of Montana Western, is active in youth, senior and women's programs in the town of Dillon, Montana. While in high school, she participated in her community's Serving and Volunteering Youth (SAVY) program and attended the Montana Behavioral Initiative conference in Billings, Mont. in 2015, where she was a keynote speaker on "real-life" heroes.

According to Montana Western Chancellor Beth Weatherby, "Caitlyn is inspired to support those who struggle with life complexities, and seeks opportunities to volunteer for projects that influence individual lives and social justice."

Corso currently supports seniors at an assisted living center by engaging in community activities with them, and serves young women as a mentor at the Women's Resource Community Support Center in Dillon, Mont.

Montana Western student Caitlyn Corso has been selected as one of the 2018 Newman Civic Fellows by the Boston-based, non-profit organization Campus Compact.

The Newman Civic Fellowship, named for Campus Compact co-founder Frank Newman, is a one-year experience emphasizing personal, professional, and civic growth. Through the fellowship, Campus Compact provides a variety of learning and networking opportunities, including a national conference of Newman Civic Fellows in partnership with the Edward M. Kennedy Institute for the United States Senate. The fellowship also provides fellows with access to apply for exclusive scholarship and post-graduate opportunities.

Zoning Committee Feb. 27th

By: MJ

Members present: Chair Tim Stoker, John Garry, Doug Frank, Jackie Erfle, Russ Schwandt. City representative; Mayor Klakken, Director of Operations Todd Hazelbaker, and City Attorney Mr. Dolan.

Chairman Stoker opened the meeting. He explained to all present, that he was making a change as to how the meeting would be conducted. **Change:** "Public comment would be taken after discussion of items 4 through 10 by the zoning commission; followed by final discussion by the commission; and final vote by the commission if necessary." This procedure allowed the committee to have a full and open discussion on issues without interruption from public. **Note:** After committee discussed issues Chairman Stoker asked the public for their comments. Public comment was closed, and the committee continued discussions taking into consideration any new information present by the public.

Review, Discussion/Recommendation of Proposed re-zoning of 700 block on Atlantic St. was one of the issues on the agenda. *The committee voted to approve the zoning change from R2 to C2 and make that recommendation to the council.* The city is required to send out certified letters to people that are within 200 feet of the area being zoned. Councilman Garry asked what the results of those letters were. Ms. O'Rourke reported that 5 were against and 1 was in favor of zoning change.

Chairman Stoker presented the opponent and proponent facts on the letters received by the city and also the people that testified at the public hearing. There were 38 for and 10 against the zoning change. Everyone's voice was heard and considered by the committee. The committee discussed the history of Atlantic St. having commercial businesses. The council will hold a public hearing before making their decision. Ms. Erfle, a member of committee spoke of how nice it was that young entrepreneurs wanted to remain in Dillon and they should be supported.

In times gone by there was an attractive building that housed a car dealership and across the street was a veterinary hospital. The houses in the area were owned and lived in by the owners. Times have changed and most of those houses are now rentals that have taken on a new life and a much different look. Commercial businesses for the most part maintain the buildings and the surrounding area. This is a main highway through town where people would stop and spend money as they pass through town if the stores were available. **Example:** Sparky's restaurant, Dairy Queen, Vans... You have beautiful buildings at the college however that exquisiteness is spotty as one continues down Atlantic Street. Let's work for the betterment of the community by working together to figure out a long-term goal of how to make Atlantic St. attractive and inviting.

Chairman Stoker continued to reiterate throughout the meeting that the committee was there to do what was best for the entire community and not what was best for a few.

Correction! - Walking Schoolbus phone number

A new season of The Walking School Bus is starting in March! The program allows children to walk to school safely, to learn how to behave safely around traffic and enjoy being outdoor with friends before a long day sitting in the classroom. Our volunteers pick up the children along two routes across town from Dillon street in the South to Noble Avenue in the North. To consult a map of the routes, visit the website page: <https://www.beaverheadtrails.org/walkingschool/>

The program also need more volunteers. If you wish to help and/or participate, **contact Jamie Flynn (406) 683-3780**. You can also reach us at beaverheadtrails@gmail.com and consult the Facebook page "Dillon, MT Walking School Bus".

A luncheon will be held at the courtroom's breakroom (downstairs) on March 7th at noon to organize the start of the program and recruit new volunteers!

WINDSYNC – woodwind quintet

WindSync is a hot young ensemble quickly broadening the appeal of the woodwind quintet by mixing familiar classical music, some familiar lighter tunes and their interesting stage presentation and communication skills, all of which yields a great program for every audience.

These program talents will be shown here in Dillon on Thursday, March 8, 2017, at the UM-Western Beier Auditorium at 7:30 pm. The Dillon Concert Association proudly presents WindSync with the sponsorship of Ruby Harvey and season sponsors John and Elizabeth Garry.

Dillon Concert Association membership grants admission into all 2017-18 performances. Single event tickets will be sold at the door: Adults \$15; College \$10; Students/Youth \$6. For information call Laurie Hagenbarth at 683-5050.

Jaycee Park Renovation Project

This is to provide some information for the Renovation Project at Jaycee Park as well as contact names and numbers. It will be coming in sections over several days. If you have questions for the committee - please send them to dillonnews@womackspringing.com and we will try to get the answers for you or give you the contact to answer them.

Playground

The children of Dillon created the design for our playground on September 14th, 2017. They drew pictures and were interviewed by designers from the playground company, Play by Design. The design includes three age-appropriate play areas (baby, 2-5yrs., 5-12yrs.). In addition to several traditional state-of-the-art pieces of equipment, there are also unique historical/geographical elements specific to Beaverhead County. Some of these elements include a Beaverhead rock-climbing wall, train depot, fly shop, and Fish and Wildlife scavenger hunt.

Play by Design specializes in community builds. We will need hundreds of volunteers to participate in building our new playground (no experience necessary). Our build dates are August 6-11th, 2018. If you are interested in being a part of this exciting community build, please contact Erin Hughes at werin26@gmail.com.
