Gary Lee Stoddard, 67

Gary Lee Stoddard, 67 was born January 2, 1951 to Lee and Emma Stoddard in Durango, Colorado. The family lived near Durango until (circa) 1965, when they moved to Whitehall where Gary attended High School. It was during his schooling there that his mother passed away during his sophomore year, and his father passed away a year later. Shortly after, the Rust family of Whitehall took him in as one of their own. Francis and "Ma" Rust, siblings Bill, David, Paul and Linda soon became his lifelong family. Gary graduated from High School in 1968 and shortly after he joined the Army where he served in various locations, including Korea. Gary passed away suddenly February 28, 2018.

When Gary returned to Montana following his service in the Army he began a career operating heavy equipment, starting with a job for the Anaconda Company in the Berkeley Pit. During this time, he married Randi Piazzola-Risher and had a child Tawna. Gary and Tawna became the best of friends before his passing. He was always eager to let everyone know how proud he was of his daughter and grandkids.

Over the years, he worked many construction jobs from Wyoming to Washington. It was during a job in the Tri-Cities area that he met the love of his life, Joyce. The two were married and lived together in several places in Washington, finally settling in Seattle. Gary was blessed with a second family with which he shared so many joyful occasions. He considered Joyce's family his own. When Joyce was diagnosed with cancer, he dedicated his life to caring for her until her passing.

Gary recently moved back to Montana where he lived for a year in Cardwell. His daughter and granddaughters talked him into moving to Helena with them, where he lived until January 2018 when he moved back to Whitehall. He felt that this was the place of his roots and found a place to live near where he was a part of the Rust family.

Gary was preceded in death by his parents Lee and Emma Stoddard, and step-parents Francis and 'Ma' Rust. He is survived by his daughter Tawna Stoddard, granddaughters Krya Lee Hoaglen and Ella Joy Stoddard of Helena, brothers Bill and Liz Rust of Wallace Id, Dave and Chris Rust of Colconda Id, Paul and Denice Rust of Dillon MT, sister Linda and George Rebich of Dillon MT, Uncle Bill Stoddard, cousins Mark Stoddard and Terri Stoddard, of Durango, Colorado and step-sons Todd Harms of Spokane, Washington and Kerry Harms (Darla, grandchildren Josh and Caleb) Albany, Georgia, his extended Washington family and many dear friends.

Services for Gary are pending. Gary and Joyce's ashes will be interred together in the Whitehall Cemetery once a date has been set. A notice of the service and celebration of his life will be placed in the Whitehall Ledger 2 weeks prior to the date.

Dad, grandpa, nephew, cousin and Bro Gary - you will be remembered always for your kind heart, quick twisted wit, and your strong love for Jack Daniels. You will be missed dearly!

THE UNIVERSITY OF MONTANA WESTERN 50TH ANNUAL COMMUNITY RODEO BANQUET

The University of Montana Western's annual Community Rodeo Banquet is scheduled for Friday, April 6, 2018 in the Keltz Arena on the Montana Western campus.

This year's event will be the 50th anniversary of the UMW Rodeo Banquet. Banquet proceeds provide rodeo student athletes with scholarships and partial travel expenses during the regular season and for the College National Finals at the academic year's end.

"Montana Western rodeo is grateful for fifty years of continued support from our community, friends and parents," said head rodeo coach Olie Else. "Our rodeo athletes have earned degrees and many have gone on to graduate school with their help and support."

The banquet is hosted by the Rodeo Team and Club with the help of the Athletic Department and the Montana Western Foundation. In addition to celebrating the 50th anniversary of

Coach Iola "Olie" Else will retire from coaching at the end of the season and will be honored at the upcoming 50th Anniversary Community Rodeo Banquet held April 6, 2018 on the UMW campus.

the Rodeo Banquet, we will also be honoring legendary coach Iola "Olie" Else. Coach Else will retire from coaching at the completion of the College National Finals in June of this year. Else has been involved with the Montana Western Rodeo Team and Club for the past 50 years.

Iola "Olie" Else was born in Salmon, Idaho and grew up in Tendoy where her parents ran the Tendoy Store. She attended school there through 6th grade and then went to Leadore for junior high and high school. Else has attended every Montana Western Rodeo Banquet since the first one held in 1968 when she was a visiting recruit looking at what was then called Western Montana College. Else graduated from Leadore High School in 1969 and went to WMC that fall. She competed in barrel racing, breakaway, team roping, and goat tying. She was Homecoming Queen in 1971, runner up for Miss Western in 1971, and Miss Rodeo Idaho in 1973, going on to compete for Miss Rodeo America. She was a member of the Central Board and student government, Spurs (a service organization), a Resident Assistant and manned the college switchboard.

Else has been the faculty advisor for Montana Western Rodeo and took over as head coach in 1994. In an article by J.P. Plutt, he wrote "She doesn't wrestle steers or ride broncs, but Rodeo Coach Olie Else is the motivating force behind the Rodeo Team's most successful run in school history. Under her direction, Montana Western Rodeo has become a Big Sky Region Kingpin and national power."

Rodeo Team members have received many awards and held positions in national rodeo organizations including the Montana Western Women winning the Big Sky Region five years in a row from 1998-2002, and in 2000 UMW won nine of the 11 individual titles. Olie was named NIRA Coach of the Year in 2004, the only woman to have ever received this award. In 2017, UMW had two seconds in the nation, with Ruger Piva in Bull Riding and Tristan Hansen in Bareback. Lorrie Ann Smith placed in the top ten in the 2018 Miss Rodeo America, a first ever achievement for a Miss Rodeo Hawaii contestant in the history of the competition.

According to Else, "I am proud of all the kids, including my own, that rodeoed and graduated from Western Montana College and the University of Montana Western. They are veterinarians, doctors, lawyers, teachers, bankers, entrepreneurs, rodeo coaches, and contributing members of society."

The event features a prime rib dinner, live and silent auctions and music by King Friday. A no-host cocktail bar will begin at 5:30 p.m. and the prime rib dinner starts at 6 p.m.

Tickets for this year's Banquet have already sold out. To be added to the ticket waiting list or to make an auction donation, contact the UMW Foundation at 406-683-7306.

Dillon Tree Board Announces Pruning of Community Forest

Patrick Riedl, a certified arborist and owner of Prorover Tree Service in Billings, MT was awarded the City of Dillon tree pruning and removal contract for 2018. The pruning and removal work will take place at 10 different locations along Dillon's boulevards and city parks. Forty-eight trees will be pruned, and 8 trees will be cut down and removed due to rot and possible tree failure. All tree stumps on the removed trees will be ground out. Work will begin in mid-March and should be completed by the end of April.

The certified arborist will prune trees to remove broken and dead branches, promote good structural branching and improve vigor and aesthetics of the tree. Only certified arborists are permitted to bid on these contracts, and they must follow ANSI 300 standards as set forth by the Tree Care Industry Association. The contract is being administered by the City of Dillon and the Dillon Tree Board.

The boulevards where the pruning and removals will take place include Vigilante, Children's, and Jaycee Parks, and trees along the boulevards on South Pacific, Atlantic, South Rife, South Bozeman, South Idaho, South Railroad and West Morse Streets. All adjacent landowners have been contacted and are supportive of the project. Trees to be pruned are marked with blue ribbons and trees to be cut down with a blue X at the base of the tree.

Crews will be busy and won't always see you when they are working, so please stay at least 60 feet away from all pruning activity. Prorover will be working in conjunction with city employees during the pruning and removal work.

The funding for the project is derived in full or in part from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish project work. A competitive bid process took place to determine the lowest bidder. Three bids from certified arborists were received.

Since 2008, the Dillon Tree Board has secured over \$91,000 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

New trees are available to be planted through the Tree Board's "Cost Share Program." Visit the Dillon City Hall or the Dillon Tree Board website dillontrees.org for more information about the program.

FWP LOOKING TO DEVELOP NEW FISHING ACCESS SITE IN DILLON

Montana Fish, Wildlife & Parks is proposing the development of a new Fishing Access Site on the Beaverhead River adjacent to the Selway Bridge. For some time, this property on the north side of Dillon has been used by the public to access the river without formal roads or a true boat ramp causing damage to the resource.

To move forward on the project, FWP would need to acquire a Recreational Use Permit from the Montana Department of Transportation which owns the land. Once the permit is secured, FWP will work in cooperation with the Beaverhead Trails Coalition to improve and maintain the site. These partnerships are already in place.

The proposed project would include re-grading a pioneered loop road, creating formal parking spaces, and reclaiming other pioneered areas of the site.

The draft environmental assessment can be found here:

http://fwp.mt.gov/news/publicNotices/environmentalAssessments/developmentImprovementsAndEnhancements/pn_0380.html

Public comment will be accepted 5 p.m. on April 4. Comments may be emailed to rheagney@mt.gov or sent to Montana Fish, Wildlife and Parks, Selway Bridge Fishing Access Site, Attn: Ray Heagney, 1400 S. 19th Ave., Bozeman, MT, 59718.

SENIOR CENTER INVITATION
