Jaycee Park Renovation Project

The Jaycee Park and Renovation Project committee would like to give a big THANK YOU to Kelly Rowe at Rowe Excavation and Chris, Tom and the RE Miller crew for the help in getting the Park Project started. The picture above shows Millers loading the Rowe trucks and they hauled off the old concrete. We are so excited and great full for two companies working together to make this park a reality instead of a concept.

Dillon Library Statistics

By: MJ

The Librarian provides a statistic document each month. For the month of January, the library was open 25 days, with an average of 117 people entering each day. Total checkouts were 2,144; adult 2,015, young adult 67, juvenile 862. People using the computers was reported as 601 for the month. A thank you to the ten (10) volunteers that worked 58 hours. In our society today where money is the ruler, the volunteers, unpaid workers do not get the recognition they deserve.

Did you know; Dillon's library is one of the libraries that was funded by the Carnegie donations? A Carnegie library is a library built with money donated by Scottish businessman and philanthropist Andrew Carnegie. Mr. Carnegie believed in the diffusion of knowledge and built libraries to accomplish that.

A Trained Librarian is a Powerful Search Engine with a HEART. Dillon is fortunate to have that Librarian with that big heart overseeing the library.

Beaver Head Hunters

On Tuesday, March 20, the Beaver Head Hunters Genealogical Society will hold their monthly meeting in the Museum Research room at 7:00 pm. After our brief business meeting, we will hear from Carly Anderson, the Beaverhead county Clerk of Court. She will be discussing probate records; what information can be found in them, and their importance in family histories. This will be a great opportunity to learn all about probate records. As always, the public is invited.

Attorney General Fox Applauds U.S. District Court Recommendations in Polygamy Case

Montana Attorney General Tim Fox announced a U.S. District Court judge adopted in full the findings and recommendations of a U.S. Magistrate judge in a case challenging Montana's bigamy laws.

In the case, Collier v. Fox, plaintiffs Nathan, Vicki, and Christine Collier sought to legalize their plural marriage. In 2015, the Colliers were denied a marriage license by Yellowstone County when Nathan Collier, who is legally married to Vicki Collier, wanted to legalize his domestic partnership with Christine Parkinson Collier.

United States Magistrate Judge Timothy J. Cavan found the Colliers did not have standing to challenge Montana's criminal bigamy laws. Vicki Collier is legally married to Nathan and the Colliers failed to provide any evidence she is suffering a constitutionally-recognized injury to that relationship. The Court found the State has not interfered in the Colliers' way of life and the Colliers have not violated any laws. The Court recognized The United State Supreme Court upheld the constitutionality of anti-polygamy laws in 1878, and is still followed by courts today.

DILLON EARTH DAY CLEANUP AND CELEBRATION ANNOUNCED

The University of Montana Western's Terra Verde Club and the City of Dillon will be hosting the 2018 Earth Day Cleanup and Celebration on Saturday, April 28, 2018.

Registration for the clean-up and lunch is at 9:00 a.m. on Montana Street across from the Depot Park (between Los Koritas and Beaverhead Brewery) in Dillon, Mont. where the celebration will also take place. The festivities start at noon with music, food, exhibits, and activities running until 3 p.m.

Community members and public and private organizations, including those involved in community development or public services, are invited to participate by reserving a table for exhibits or a space for activities related to nature and/or community life.

The Earth Day Celebration in Dillon dates to as early as 1995 when UMW students belonging to Terra Verde began gathering to pick up trash around the community and celebrate Earth Day. The event became a joint project with the City of Dillon in 2014, and has expanded to include an increasing number of displays and demonstrations as part of the celebration representing many local businesses, organizations and community members. The Earth Day Celebration is also a great opportunity to network with potential volunteers.

Please RSVP to dillonearthday@gmail.com or call 683-1249 in the evenings before April 20, to reserve a table or space.

Please join us to make this event fun and educational for the entire community. Visit <http://dillonearthday.blogspot.com> for more

TRIO PINT NIGHT AT THE BEAVERHEAD BREWERY ANNOUNCED

The University of Montana Western's TRIO Student Support Services will be celebrating National TRIO Day with a Pint Night at the Beaverhead Brewery on Friday, March 23 from 5:00-8:00 p.m.

One dollar from every pint will be donated to the program which provides for students at the University of Montana Western who are low income, first-generation or disabled. The funds raised through the Pint Night will directly benefit local TRIO students.

Leading up to the Pint Night, TRIO Mentors will spend the week volunteering at the Dillon Public Library, the Beaverhead County Museum, and the Animal Shelter.

Please help us to meet our goal of providing increased access to higher education for participating TRIO students. For more information about TRIO and the Pint Night, call 406-683-7311.

Letter to the Editor

This is the real authentic news of the day! First the front page news. The leader of the swamp has drained the swamp. Now nothing left in the swamp but slimy sludge. The leader of the swamp got rid of everyone. Some quit, some got fired, some are still under investigation. But every day we are still getting swamped with new confusion. Not much left in the swamp but leaches that are trying to suck out the truth.

The weather report! It is very stormy over the daniels. As of yesterday the temperature was very very hot. \$130,000 has been spent to cool this storm. We will have to wait to see what course this storm will take.

Political news of the day! United States and North Korea have no diplomatic relations. There have been other relations, but that is a different story. The United States has no Ambassador assigned to North Korea. The only logical person to do this job is Dennis Rodman. Many think Mr. Rodman will bounce to this appointment.

Interior Secretary report! Mr. Ryan Zinke will spend \$139,000 for new doors in his office. These doors must be magic or some form of witchcraft for that price. Many want to know if Mr. Zinke is adorable or a door mat for the government?

Tariff news! Congress and the President are looking into a tariff on steel and aluminum. Also being studied is having a tariff on political lies. A tariff lie machine was tried out last week but in just one day it caught on fire.

Spring is almost here, you can hear the tweets all around. No, not the birds but tweets from the White House. Also, everyone in the United States lost one hour because of Daylight Saving Time. After reading the news it might be the best lost hour of your life.

Starting next week the comics will be on the front page because the comics have been rated the best part of the news!

Bible Truth... God's Grace seen in both Old and New Testaments of the Bible (Part 2)

(#74)

---We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

In part 1 of the study of God's grace, scriptures were presented revealing that no-one is deserving of this grace. God's grace (favor, graciousness) emanates from the love He has for His creation. Grace is a term not exclusive to the New Testament but is seen through-out the Old Testament also.

God's grace is seen in the very creation. In Genesis 1:31 God looked at His creation and saw that it was very good (pleasant & favorable).

God's grace (favor) toward man is seen in creating man after His own likeness and Image, Genesis 1:27-17. Only man became "a living soul" when God breathed into them the breath of life, Genesis 2:7. Man alone received an eternal spirit that no other living creature received. Only mankind was created to have a personal, spiritual, loving, eternal relationship with the Creator.

Another manifestation of God's favor toward man is the fact that man was given dominion over all other living creatures, Genesis 1:28-30. God then gave man the privilege and responsibility of caring for His creation, Genesis 2:15.

Genesis 6:8 states the "Noah found grace in the eyes of the Lord." The reason he found God's favor is stated in vs. 9, "Noah was a just (righteous) man and perfect in his generations, and Noah walked with God." The word 'perfect' means to be sound, healthy, & without moral blemish.

Psalms 84:11 states that "...the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly." An upright walk is the result of putting your faith in Jesus Christ as your personal Savior just as Noah did. Hebrews 11:6 states that "without faith it is impossible to please God."

Conclusion: "For by grace are ye saved through faith;" Eph. 2:8.
