## Soroptimist International Club of Dillon Announces 2018 Live Your Dream Award

Soroptimist International Club of Dillon awarded Klaire Kramer the annual Live Your Dream Award of \$1,000. She is the daughter of Karsten and Barbara Kramer of Dillon. Klaire received her award in early January so she could pay for her next semester of school, and then was honored at our Purses with a Purpose event at the Elk's Club on January 20th.

This award will help Klaire and her daughter with anything they need from child care to gas to get back and forth to work at her fulltime job and to pay for educational materials she needs. Klaire will complete her education in April of this year. This award will help her secure her economic independence.

Being a single mother and working fulltime can be stressful and make it very difficult to complete an education. Klaire's art work is seen in various business windows around Dillon. She plans to pursue art education once she is finished with her Medical Coding and Billing Transcriptionist schooling.

Klaire was chosen among seven very good area applicants. She will now advance to the Soroptimist Northwestern Region award level, where recipients can receive up to an additional \$5,000. Should she receive that award, Klaire would then be eligible for an additional \$10,000.

Klaire joins a long list of women who have reclaimed their dreams since 1972 with the help of the Live Your Dream Award.

## Zoning Committee 3.13.2018

By: MJ

Present: Chair Stoker, Schwandt, Garry, Erfle, Mayor Klakken.  
Director of Operations...

Chairman Stoker opened the meeting with an outline of how he would conduct the meeting. Example; the board would discuss issues on the table and after that discussion they would take public comment. Public comment would be closed, and the committee would proceed with business at hand. Using this process, the committee has been able to have a nonstop conversation on topics presented to them for decisions. With this method both public and committee participate in a constructive and beneficial way. Mr. Stoker asked the city officials if they would report back to the committee on the council decisions.

**Certificates:** # 2517 Larche; addition - denied. Did not meet set back requirements in the zoning document (ordinance). # 2518 Mitchell; single family dwelling - approved with conditions. Michell made available a detailed set of plans at the city.

**Atlantic Street rezoning:** The committee voted to recommendation to the council that the 700 block be rezoned.

**Todd Annexation:** The committee moved to start the process of holding public hearing to change the zoning from C-2 to a RMH zone. Trailers are not allowed in a C-2 area however, the document does allow manufactured home in a C-2 zone. This opened another can of worms. What is a manufactured home, what is a mobile home and what is a modular home. *If the trailer the hitch and wheels are removed would it still be classified as a mobile home or a manufactured home?* The committee discussed doing a RMA overlay deciding against it. Dillon's zoning Ordinance is extremely complex and goes beyond what the Hud and State of Montana require.

Mr. Todd gave the committee an overview of his projected 68-unit trailer park project located in an area behind John Deere. Mr. Todd will be putting in the infrastructure and provide spaces for privately owned trailers to park.

## PLAYGROUND

The children of Dillon created the design for our playground on September 14th, 2017. They drew pictures and were interviewed by designers from the playground company, Play by Design. The design includes three age-appropriate play areas (baby, 2-5 yrs., 5-12 yrs.). In addition to several traditional state-of-the-art pieces of equipment, there are also unique historical/geographical elements specific to Beaverhead County. Some of these elements include a Beaverhead rock-climbing wall, train depot, fly shop, and Fish and Wildlife scavenger hunt.

Play by Design specializes in community builds. We will need hundreds of volunteers to participate in building our new playground (no experience necessary). Our build dates are August 6-11th, 2018. If you are interested in being a part of this exciting community build, please contact Erin Hughes at werin26@gmail.com.

## DILLON HAHNKAMP

The Western Horseman magazine had a story on Dillon Hahnkamp and his goal to hit the pro rodeo trail and go as far and he can in calf roping. He has hopes of getting into the top 15 one of these days.

Last year Dillon won the Montana High School Rodeo Association tie-down roping championship, claimed the reserve title at the National High School Finals Rodeo, placed fifth at the Roy Cooper Vegas Invitational, and won the Harden Rodeo. He was named Rookie of the Year and Champion Tie-Down Roper in 2016 by the Northern Rodeo Association.

Dillon graduated from Beaverhead County High School

and went to rodeo for the Ranger College in Ranger, Texas, about 90 miles west of Fort Worth.. He said there are a lot more calf ropers in Texas. That makes it a tough place to rope but an easy place to learn more.

Dillon follows in the steps of rodeo made by his father with was a calf roper and his grandfather who was a stock contractor.

Dillon has just started working with a 12-year-old gelding named Jax. He is hoping they can work well together.
