Differences between a mobile home, manufactured home

Some clarification for your readers on the differences between a mobile home, manufactured home and a modular home. Prior to 1974, states, if they chose to had the responsibility for the construction of mobile homes. It was an evolving process where first plumbing, electrical, heating etc. were regulated. Later structural requirements were implemented. Each state that required regulations and inspections affixed a label or a tag to the rear of it which certified it met certain standards. Difficulties arose when mobile homes were moved across state lines and did not meet the standards for the state which it was being moved into. Subsequently, in 1974 the Federal government (HUD) wrote regulations and construction standards for all mobile homes constructed across the country. The law went into effect in July of 1976 and the term "manufactured home" replaced the term "mobilehome". Subsequent to this law each transportable section of a manufactured home will have a HUD label on the rear. It's a red label about business card sized and is issued by the inspection agency. This could be a state ie, AZ 12345 or a third party UL 12345. A manufactured home will also have a data compliance certificate glued inside a closet wall, laundry room cabinet or in some place inside the home. This certificate gives manufacturer info, design loads, appliance make & models etc. Both a mobile home and a manufactured home have a chassis and axles. The axles can be removed on a manufactured home, but the chassis remains part of the structural integrity and is left intact. Most states and local governments only allow a manufactured home to be placed on a foundation and most present day manufacturer's will provide the buyer with those plans. A modular home is also built in a factory or yard and may be shipped to the job site on a chassis, but often the chassis is removed for the installation. A modular home is constructed to regular building codes, usually meeting state codes for single family or multiple family. A modular home will usually have a label or tag on it to verify the standard to which it was constructed, where, by who, when etc. Manufactured homes and modular homes receive inspections at the factory though usually they are at random stages of construction, rather than at each step as in stick built for jurisdictions that have a building code requirement for single family dwellings.

Zoning Problem Areas:

By: MJ

Dillon's 270± page zoning ordinance has proven to be troublesome in several areas. The document lacks in conventional logic where a contradiction consists of a logical incompatibility between two or more suggestions. Dillon's code does not fully conform to the language of related Montana State Codes. Often in the meeting discussions the words "intention and assumptions" are used. We cannot go back in time and read someone's mind, so Intentions and assumptions are immaterial as they are only an opinion of what a person remembers. Plans are like diapers, they need to be changed when needed.

Objectives of Zoning Ordinances: Zoning is a legislative process for dividing land into zones for different uses. **1)** Zoning laws regulate the use of land and structures built on it. **2)** Protecting the value and enjoyment of properties by separating incompatible land uses and minimizing their potentially negative impacts upon each other. **3)** Protect the value and enjoyment of properties by allowing a property its most appropriate land use given its location and surrounding uses. **4)** Provide for the orderly development of a city, including making provisions for land uses in the best interests of its citizens. **5)** Providing adequate public infrastructure, e.g., roads, water, and sewers.

One of Problem Areas in Document: (Housing types) It is evident that there is a wide disparity in the understanding of manufactured housing and the role it plays in the housing market in Dillon's zoning document. **Questions:** Would it eliminate some of the confusion if Dillon' document conform to the language of applicable Montana State Codes? Does the committee need to consider additional information on **1)** construction and safety, **2)** appearance," and **3)** property values? The committee and some public members have expressed their opinions on construction and safety however, few facts have been brought forward on appearance and property values. Note: The mayor has researched wages in Dillon and presented that information to the committee.

"Manufactured Home" is a home built on a nonremovable steel chassis or frames. **"Mobile Homes"** are defined in 15-1-101 MCA and means a form of housing known as "trailer", "house trailer" or "trailer coaches" exceeding eight feet in width or 45 feet in total length designed to be moved from one place to another by an independent power connected to them or any trailer, house trailer, or trailer coach up to eight feet in width or 45 feet in length used as a principal residence. **"Modular Home"** means a home built in a factory setting in units, transported to the home site, placed on a permanent foundation, and joined.

New Firewood Permits Available April 1

New Forest Service firewood permits will be available for purchase beginning April 1. The annual permit allows firewood cutting April 1, 2018 through March 31, 2019.

The cost of a firewood permit from the Beaverhead-Deerlodge National Forest is $20 for a minimum purchase of four cords. Additional cords may be purchased for $5 per cord up to a total of 12 cords per individual per year.

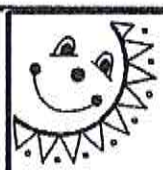

A cord is the amount of tightly piled wood in a stack four feet high by four feet wide by eight feet long. The permit allows woodcutters to remove downed timber or to cut down standing dead trees under most conditions in the national forests and grasslands in Montana, northern Idaho, and parts of North and South Dakota, and on lands administered by the Bureau of Land Management (BLM) in Montana and northern Idaho. If you plan to gather firewood from other National Forests or lands administered by the BLM, contact that forest or BLM office for their firewood gathering guidelines.

Woodcutters are reminded to be safe while cutting and gathering wood; keep vehicles on designated roads and trails; be sure your chosen location for cutting wood is not within the designated right of way of any major road or interstate; and please don't drive off designated roads.

For more information, check the firewood permit and the Forest Service's firewood handout available from agency offices and at www.fs.usda.gov/bdnf. Beaverhead-Deerlodge NF offices are located in Wisdom, Philipsburg, Butte, Dillon, Ennis, Sheridan, and Wise River. Permits may also be purchased from Bureau of Land Management offices in Butte and Dillon. Forest Service and BLM offices are open weekdays, from 8 a.m. to 4:30 p.m.

The following businesses also have permits available to sell: Anaconda: Hardware Hank; Boulder: Hardware Hank; Ennis: True Value Hardware; Sheridan: McLeod Mercantile; Butte: Bob Ward and Butte Ace Hardware; Harrison: Wheat and Thistle General Store: Lima: Ralph's Exxon; Deer Lodge: I-90 Auto Truck Plaza; Drummond: Fic's Conoco; and Whitehall: Ace Hardware.

Here's the Dillon Middle School news for the week of March 26th through March 30th, 2018

The lunch menu for the week is as follows: On Monday, Spaghetti with meat sauce will be served with French bread. On Tuesday, we will enjoy stromboli with rotini with white sauce. On Wednesday, a Sloppy Joe on a bun will be served with cabbage salad, and on Thursday, we will have an early release breakfast meal of sausage, pancakes, hash browns and fruit.

There will be no school on Friday, March 30th nor Monday, April 2nd as we take our spring break. School will resume, Tuesday, April 3rd. Enjoy the long weekend.

Next week we start our smarter balance testing. Parents, if at all possible, please schedule any appointments around testing, and if you must be out of town during testing, please let Mrs. Williams know, so that she can test your child before you leave.

The first tests will begin next week, April 3rd through 5th with English Language testing. English Language testing will continue April 9, 11 and 12, and also May 1st through 3rd. Math testing will begin April 16 and 17 for Mr. Jory's classes and April 18 and 19 for Mr. Zier's classes. Further Math testing will be May 7 through 10. Keep listening for more testing dates. Students please come well rested and ready to do your best.

Dillon Middle School has reason to be proud of nineteen of its students. On Tuesday, March 13, the DMS Academic Olympics teams went to Bozeman to compete in the regional tournament. This year their three teams placed first, second, and fifth out of 49 teams. The winning teams are made up of sixth, seventh, and eighth grade students who begin practicing for the competition in October of each school year. Their hard work and dedication paid off.

The winning team was made up of Daniel Martin, Ainsley Shipman, Ben Pickens, Gavin Garrison, Olivette Copple and Sean Regan. B team members, who placed second having been beaten by the A team in the finals, were: Evey Hansen, John Bramlet, Garrett Wahl, Trapper Doering, Cole Miles, and Laura Martin.

Finally, the C team had its best showing ever taking home fifth place. The members were Carsten Lemelin, William Webster, Luke Sherwood, Marcus Sandall, Joel Harvey, Neal Brandon

and Quincee Anderson. Students also take a written test in February for individual awards. These are scored against over 100 other students from the region.

Eighth grader Ben Pickens won the second place prize and Daniel Martin took the third place prize. Ainsley Shipman and Evey Hansen also scored in the top ten. Sixth grader Laura Martin got the fifth highest score of all seventh and sixth graders with Sean Regan and Olivette Copple scoring in the top ten for their age division. Every student came home with "hardware" and represented Dillon well. Good job DMS! Thank you, Mrs. Waldorf for all your hard work with our students!!!

Track and field starts today, Monday, March 26th after school for 7th and 8th graders. Students must have their permission slips, physicals, and signed concussion packets into the office before they can participate. Tuesday, March 27th, at 5:00 pm, in the DMS gym, there will be a mandatory parent meeting for all track participants and their parents. Please do not miss this important meeting.

Track and field pictures will be taken on Friday, April 6th. Parents look for picture packets to come home with students. Also, Friday, April 6th, Eighth graders will have their Middle School graduation pictures taken. Students must be dressed appropriately. A cap and gown will be available for students to wear if they prefer.

This week in our spring fund raising event, on Tuesday, sixth graders will have the opportunity to "Smash out Cancer" by paying $1 to play dodgeball 8th period. Then on Wednesday, March 30th, the 7th graders will have the chance to win baked goodies by participating in the "Cake Walk for a Cure" Also, students, don't forget to buy your luminarias during 8th A to honor a cancer survivor or a memorial for someone who has lost their battle with cancer. Remember, the 8th period class that raises the most money will get a celebration pizza party. Thanks for all your support of this very worthy cause.

Healthy families are the cornerstones in a community where all young people thrive. Children develop lasting resilience when raised with consistency. The ACEs Task Force works to nurture and develop resilience in our community. Healthy families build strong communities.

CITY OF DILLON
JOB POSTING

Title: Clerk of Dillon City Court
Close Date: Open until filled
Salary: $10.00 per hour/pay D.O.E.
Benefits: Full benefits - effective at hire date

The Clerk of Dillon City Court assists the City Court Judge in managing the court and serving as the first point of contact between the Court and the public. Clerk of City Court duties include: greeting the public; entering data into the court management software system; preparing, processing, and filing court documents and correspondence; preparing reports; managing the Court's calendar; receiving and recording payments; preparing deposits and checks payable; and maintaining detailed account records. The Clerk of City Court attends court sessions, acts as bailiff, administers oaths, maintains the active jury pool, and summons juries.

At least once a year, the Clerk of City Court must attend an out of town, two-day training seminar. A qualified candidate for the Clerk of City Court position will have general knowledge of basic legal procedure and terminology, the ability to quickly learn new software programs and proficiently operate office equipment, pass a criminal background check, and be a positive, self-starter who is able to complete daily tasks with minimal supervision.

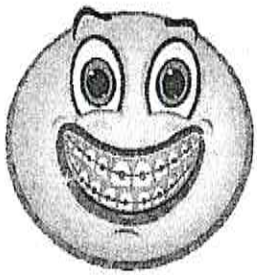

$10.00 per hour/pay D.O.E. with $.50 per hour increase in pay after successful completion of six-month probationary period.

Position: City of Dillon, Clerk of Dillon City Court

Requires: City of Dillon application, resume, and three work-related references

To apply: Applicants may pick up application at 31 E. Center St. or download and print the application from www.dillonmt.org. Please submit the complete application, resume, and list of references to the Butte Job Service, 2201 White Blvd., Butte, MT 59701 or e-mail the documents to buttejsc@mt.gov. The position is open until filled.

8th Annual Hagenbarth Charity Pheasant Hunt and Raffle Results

The Eighth Annual Hagenbarth Charity Pheasant Hunt and American Legion Post #20 and VFW Post #1020 Raffle were held near Glen Montana on Sunday, March 11, 2018. Fifteen 3 man teams, aided by man's best friend tried their skills in harvesting 10 pheasants from the cattails along the Big Hole River, breaking ten clays and retrieving 5 thrown birds. Don and Janet Richardson of Glen organized the event and secured the raffle sponsors. All ran smoothly with the help of family and friends. Special thanks goes to Janet, Don, and Michael Richardson, Mathew Means, Inga Nead, Carol Bryan, Candice & Tony Wondercheck, and the VFW and Legion volunteers, who kept time, records and scores on the events. A special thanks to Dr. Ron Loge for his help and donation of a 12 gauge CZ-USA shotgun to the participants won by Trap Christiansen and to Laurie Hagenbarth for providing lunch. Three places were paid and the following teams earned the bragging rights, 1st Elton Roberts of Whitehall, Brian Gertiser of Bozeman and Max Tidwell of Buckley, Washington (323.64), 2nd Bridger Kemph, Parker Puyear and Carter Curnow all from Dillon (318.25), and 3rd Paul Cleary of Glen, Ray Gross of Dillon and Steve Luebeck of Butte (311.71). A raffle was held with 45 items donated by 32 area businesses and individuals. Several individuals and businesses made cash donations. This year $10018 was donated to the American Legion and VFW. Rocky Mountain Supply won the sponsor's raffle, a 3 bird hunt. We thank KDBM, The Dillon Tribune, and The Dillonite Daily for donating advertising. We thank all the hunt participants, organizers, raffle ticket sellers and purchasers, those donating cash, and the participating area businesses and individuals for making this a successful and fun event. We are looking forward to next year.
