Rotary Ice Melt Contest Winners

With its beginning during December of 2017, the Rotary Ice Melt Contest came to a close on Thursday, March 22, as the metal weight attached to the Ice Melt apparatus/clock assembly fell through the ice, officially stopping the clock at 12:07:02 a.m. on the date of March 22 (just past midnight).

With the help of Raymond Graham and several Dillon Rotarians, the clock/ice melt apparatus was placed on Logan's Pond, west of 1-15, during December of 2017. Tickets with appropriate "clock stoppage" guesses have been sold since that time, with the contest ending during the a.m. of March 22 as the official clock stopped.

Winners for the 2017/2018 Ice Melt Contest (closest guesses to clock stoppage) are:

\$500 - First Place Winner - John Pershing**\$250 - Second Place Winner - Stephanie Bingham****\$100 - Third Place Winner - Stephanie Bingham**

The Dillon Rotary exists and utilizes proceeds to assist in the international eradication of polio, along with contributing to a variety of local programs of a community benefit/need, including youth scholarships, medical programs, and youth leadership programs.

The Dillon Rotary is thankful to all sponsors of the Ice Melt Contest, as well as to all those purchasing tickets/guesses to this year's contest.

Letter to the Editor

This is the Donald J. Trump report for the month of March. Things are still stormy with no break in the clouds. More details later.

There has been a problem with staff in the White House. One out of every three are gone for various reasons. Some got fired, some quit, some are under investigation. Mr. Trump is going to install a revolving door in the White house This will make it easier for staff to leave. No more, "don't let the door hit you when you leave." No more open and closed doors to worry about.

Mr. Trump has been reading, no, he listens on tape, "The Impeachment of Richard Nixon." Mr. Trump has been asking his staff what "obstruction of Justice" means.

Mr. Trump has been advised to read, or listen to: "How Government Works 101." Mr. Trump did not know there were three branches to the American Government.

Mr. Trump has been advised to join, "Liars Anonymous." Mr. Trump has been counted as telling 2140 lies in his first year of office. An average of almost 6 lies per day. This total count did not count the times he was playing golf.

Speaking of golf! Mr. Trump played golf 79 times during his first year in office. Remember he is the man who said, "I will be so busy I will not leave the White House". The cost to the tax payers for Mr. Trump playing golf has been a total of \$59,937,118 dollars. Mr. Trump has given a new name to the word, "conservative."

Many in Congress are looking into the word, "delusional". That report will be next month.

This ends the DJT report for the month of March. March madness is now over! April fool is just around the corner.

Here's the Dillon Middle School news for the week of April 2nd through 6th, 2018

The lunch menu for the week is as follows: There is no school today. On Tuesday, we will enjoy beefy noodles. On Wednesday, a local beef hamburger will be served on a school made bun with trimmings. Thursday we will enjoy chicken alfredo, and on Friday, tator tot casserole will be served with a dinner roll.

This Friday, April 6th, is picture day! The track team will be having their team and individual pictures taken during practice after school. Picture packets will be sent home this week. Also, 8th graders will have their pictures taken for 8th grade graduation. Each student will receive a picture in their graduation folder. Additional pictures are available for purchase, but purchase is NOT mandatory. Eighth grade graduation pictures will not need to be ordered until after you see them.

Congratulations to our state science fair winners. Ten students from DMS traveled to Missoula to compete at the state science fair. In the 7th grade division, Gavin Garrison placed 3rd for the state in the physical science division. Our seventh graders also received 2 gold ribbons, 2 silver ribbons, and one bronze ribbon. In the 8th grade division, Daniel Martin placed third in the state in the physical science division. Our eighth graders also received 2 gold ribbons, 2 silver ribbons and 1 bronze ribbon.

We just completed another great season of indoor intramural soccer at the Dillon Middle School. 7th and 8th grade girls and boys hit the gym floors for three weeks of drill work and scrimmaging, putting their rainbow kicks, tornados, and shooting skills to the test against one another. It was a fun season. Good work this season soccer players! A big thank you to Mrs. Miller for coaching.

This week in our cancer fundraising, students will have several fun opportunities. On Tuesday, 7th graders can "Smash Out Cancer" by paying a buck to play dodgeball. On Thursday, 8th graders can win goodies at the "Cake Walk for a Cure", and on Friday, all students can "Cream Out Cancer" by buying an ice cream cone for \$1 during lunch. So, come have some fun and support cancer research.

Remember students and parents, most of the month of April, students will participate in smarter balance testing. These tests are all taken on the computer which makes the testing window over a longer period of time. Please try to AVOID taking your

students out of school during this important testing time. When this window closes, there is NO more opportunity to make up this testing. Students, please remember to take good care of yourselves – get plenty of rest, keep yourselves well hydrated, and eat wisely, so that you are able to do your best on these tests. We want your scores to reflect your true ability. If you will need to be gone, and you know ahead of time, please contact Mrs. Williams, our DMS counselor.

The Beaverhead County ACEs Task Force wants you to know that children who grow up in a household with a family member with mental illness or depression can experience confusion, fear, anxiety, and stress. But one committed, caring adult can help a child build resilience and find success. Be that adult! Healthy families build strong communities.

BACK COUNTRY HORSEMEN MEETING

Public is invited to the April 3rd meeting of Three Rivers Back Country Horsemen with doctor of Veterinary Medicine Megan Kelly presenting "Emergency Care for Your Horses in the Back Country" also first aid kits will be for sale.

Meeting time is 7:00 pm at the Search and Rescue building. Refreshments served.

TO MY FRIENDS

To my Friends throughout Beaverhead & Madison counties. At this time of my retirement and moving into this next chapter of my life, I know I want to say "Thank You" to all of the great folks that I have had the opportunity to work with throughout my years of living and working in the Dillon area.

I have a great deal of gratitude to everyone of you, for your assistance, and just having the privilege of knowing you. I will miss you all and wish I was able to visit to thank you personally, but since that is not possible. Please know I have appreciated all of you.

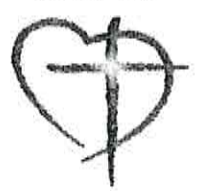

You will be in my thoughts as I stand on the banks of the rivers and lakes catching dinner. This is our time to live the dreams we've had forever. Thank you all!
