Mural Installation

Dillon is Character Rich! And now, we have a few more characters in our midst.

A new mural featuring two ladies, their beloved pets and a trio of bird houses add life to the once boarded up windows on the backside of the old IGA building. A vent pipe that is a permanent structure is in the process of getting a colorful new paint scheme and a wire bird by sculptor Steve Cook will soon be perched on top.

Artist Clare Bailey in conjunction with Jackie Taylor of Taylor Construction & Design, LLC installed the first of a few murals slated to happen in Dillon this season. The mural, titled "Neighborhood Watch" is located between Montana and Idaho streets at Sebree and across the alley from Wildwood Floral Creations.

This mural was made possible by dART (Dillon Art) an organization dedicated to bringing art to Dillon as well as fostering the roll of artists in our community.

For his tireless efforts and enthusiasm regarding these beautification projects, a special thank you goes out to Todd Hazelbaker, Director of Operations for the City of Dillon

State FFA Convention

The BCHS FFA had a very busy week in Billings, and were fortunate enough to have some real success!

I am very excited to announce that for the first time ever, the Beaverhead FFA was named the 1st place Star Chapter for the state of Montana! This is a tremendous honor, as this award considers all aspects of the FFA chapter - competitions, local activities, community service, and student projects/ records. We have been working towards this award for a long time, and it is exciting to finally bring it home to Dillon.

This year, four members received their State FFA Degrees, the highest award that an FFA member can be awarded by the State FFA while still in high school. Those members were Reese Meine, Dylan Johnson, Alfred Peterson, and Trent Wahl. Please congratulate these four on their outstanding achievement!

On the competition front, there are still some scoring hiccups to be worked out, but what we do know is as follows:

- Ag Sales team received a silver award. Team members were Paige Noble, Harleigh Johnson, and Madelyn Krikpatrick.
- Ag Mechanics team received a bronze award. Team members were Brayden Hankinson, Zach Craig, Tristen Setzer, and Zeke Ellis.
- Agronomy team received a bronze award. Team members were Reese Meine and Joe Kidd.
- Farm Business Management earned a bronze award. Team members were Trent Wahl, Dylan Johnson, and Alfred Peterson.
- Livestock Judging team received a bronze award. Team members were Luke Peterson, Hunter Probst, Tristen Setzer, and TJ Sigman.

Thanks for letting me have all these kids last week. They all worked rally hard to get to State, and we are pretty excited with how it all turned out.

Beaverhead Search and Rescue News

Submitted by: Mel Rice-Public Relations Officer

On Wednesday, April, 4, the Beaverhead Search and Rescue held its monthly meeting. The meeting was called to order by Commander Alan Holt with 30 plus members in attendance. There were several items discussed during the meeting. As far as searches or rescues are concerned for the past month, there were none. First thing discussed was the up and coming auction to be held Sunday, May 6th at the S&R building. A portion of this year's auction comes from an estate. The amount of stuff donated from this estate is incredible. If you have items you would like to donate to the Search and Rescue, please contact any member and they will make arrangements for a pickup at your convenience.

The next item up for discussion was training. New training officer, Lawrence Morrisroe, let everyone know about swift water rescue training to be held April 27,28, and 29. There will be extensive classroom work on the 27th, while the 28th and 29th will be spent in the field on the Big Hole River. Participants will be on/in the river as well as learning techniques to assist those in/on the river from the bank. It will be three very intense days of training…

Jason Erickson and Tara Remely received a hardy thank you for assisting with the polar plunge. The two members were there to assist in water rescues in the event someone needed assistance after jumping into the frigid water. Luckily all made it out under their own power.

During the meeting there was a committee break out session. During this time each of the standing committees discusses things that should be looked at/worked on and possibly things that need attention. The committees are responsible for areas from communications to the building and grounds to equipment, etc.... After their group discussions, they reported back to the general membership with recommendations for their area.

For the good of the order, three new members have been inducted into the unit. They are Kolby Malesich, Grady Holt, and Casey Crawford. If you run into one of these young men congratulate them on their new position. They will be outstanding assets for the Beaverhead Search and Rescue. The new Sheriff's deputy, Pat Cruz, was also introduced to the membership. I'm sure deputy Cruz and the S&R Unit will become closely acquainted.

If you have an interest in becoming a member of the Search and Rescue, pick up an application from a member, fill it out and return it. If not sure, come to one of our monthly meetings. Then if you want to join fill out the application. The next meeting will be May 2nd.
