**Letter to the Editor**To Everything There Is A Season  
Ecclesiastes 3A Season to be born & a season to die;  
A season to plant & a season to pluck up;  
A season to work & a season to rest.

Rest as in retire. Pastor Rand Saffell will be turning 70 this year, and with much prayer, decided it was the season to retire as Pastor of Beaverhead River Cowboy Church. God has blessed Pastor Rand and the church with an interim Pastor until a permanent Pastor can fill the position. It has been a great honor and privilege for us to pastor such a fantastic and devoted congregation. We have been given by God the opportunity to touch many lives with the gospel in the Dillon community and have made countless life long friends.

We thank everyone for all their love and support through the years. We love you.

In His Love,

Pastor Rand and Leilani Saffell

Repertory Dance Theatre (RDT), founded in 1966 in Salt Lake City, Utah, is a professional modern dance repertory company dedicated to the creation, performance, perpetuation and appreciation of modern dance. For over 50 years, RDT has pushed the boundaries of modern dance, while preserving and celebrating its legacy. Known worldwide for its collection of dance treasures, RDT is both a museum and contemporary gallery representing the scope and diversity of modern dance, past and present. From the early pioneers of the art form to today's cutting edge choreographers, the company maintains one of the largest collections of modern dance classics in the world. As a repository for this rich heritage, RDT is a resource center and laboratory for contemporary dancers, choreographers, visual artists, writers and composers.

In addition to public performances, RDT produces a variety of community-based programs and has a long-standing commitment to arts-in-education. Outreach activities include lectures, informal performances, teachers' workshops, open rehearsals, annual summer workshops and year-round classes which all serve to train and ignite the creative voice in people of all ages. At its home in the Rose Wagner Performing Arts Center, the company contributes to the cultural, social, and economic vitality of the community. RDT remains committed to building bridges of understanding that demystify the art of dance.

## Letter to the Editor

What's going to happen? Will this country ever learn from past mistakes? President Trump said he was concerned about the gassing of civilians in Syria. So he ordered military strikes against Syria. Retaliate! Bomb, kill and destroy people we don't know because we need revenge.

Mr. Trump's presidency is in chaos. Mr. Trump's personal life is in disarray. Mr. Trump can't work with people in his own party. Mr. Trump can't work with people he has hired to work with him. But Mr. Trump can bomb other countries.

What short memories this President and past presidents have had. We cannot let chemical warfare take place. It is not humane. It is not right for the world! But do you remember Vietnam? The United States dropped 29 million gallons of agent Orange on Vietnam and it's people. The United States did this from 1961 to 1971. This chemical which contains Dioxin causes cancer, birth defects, rashes, psychological and neurological problems and death. You remember, 58,000 young Americans died in this war. Thousands of U.S. Veterans have suffered health problems related to agent Orange. Millions of Vietnam children, women and men died and they still are dying.

Yes! Chemical weapons should not be used. But why stop at chemical weapons. Why do we kill each other? Trillions of dollars spent on war. And who wins? You already know that answer!

So Mr. Trump can now say, "look at me I am strong." "My bone spurs did not stop me from killing innocent people."

Enough is enough!
