American Legion Auxiliary Essay Winners

Patti Odasz and Shannon MeWilliams, on behalf of the local American Legion Auxiliary, made presentations at Reichle School to three winners of the local essay contest: Class I, Cole Webster, parents Dan and Teresa Webster; Class II, Lily Rhodes, parents Justin and Anna Rhodes; Class III, Daisy Rhodes, parents Justin and Anna Rhodes. This year the essay prompt was: "What can I personally do to promote Americanism in my school or community?"

Essays were judged on originality, subject matter, and use of grammar and spelling. These winning essays have been sent to the state level where they will be judged with other first place winners throughout the state. The teachers at Reichle are Becky Jensen and Karen Sorby-Wirth.

Letter to the Editor

April is National STD Awareness Month. Beaverhead County Public Health encourages everyone to learn about sexually transmitted diseases (STDs), one of Montana's most persistent health problems.

Public awareness and knowledge are critically low around the state and STDs remain at epidemic levels. Anyone who has sex is at risk, but some groups are more affected. These include young people aged 15-24, gay and bisexual men, and pregnant women. STDs are tricky, many have no symptoms or they are too minor to see.

The only way to know if an STD is present is to get tested. Unfortunately, there is no lifelong immunity once a person has had an STD or gets treated. A person can get infected again and again through unprotected sex. The good news though, is that STDs are largely preventable and most are curable or can be controlled to prevent complications.

Since January 1st of this year, Beaverhead County has 25 confirmed cases of chlamydia. Last year in Montana, there were 4,564 cases of chlamydia (93.2% increase from 2016), 782 cases of gonorrhea (9.9% decrease from 2016), and 48 cases of syphilis (243% increase....that's not a typo! increase from 2016). As of April 13th, twelve cases of primary and secondary syphilis have been reported in Montana this year. Syphilis was a disease that once was felt to be nearly eliminated. HIV is a STD that we often feel is not a concern in Montana, but of the 595 people reported to be living with HIV in Montana the end of 2015, 15% were women. At the time of new diagnosis, women ages 25-44 (like their male counterparts) were the most common age group to become infected with HIV.

To help interrupt this steady climb in STDs, I recommend these three steps.

- Be open with your conversations with your partners and your health care provider.
- GET YOURSELF TESTED at any health care provider, clinic, or Beaverhead Family Planning.
- Get treated if you have a STD.

Please call Beaverhead Family Planning at 683-4771 for more information.

Bible Truth...What the Bible says about being 'Saved' (Part 2)

----*We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.*

"*Who needs to be saved*" was asked and answered from the Bible last week. The answer is – everyone who wants to go to heaven.

The next question is, "*Why does one need to be saved*?" Romans 3:23 states, "All have sinned and come short of the glory of God," and Romans 6:23 says, "...the wages of sin is death." The death penalty refers to eternal separation from God and heaven. John 3:18 states that those who *believe* in Christ are *not* condemned, but those who *haven't believed are* condemned. This condemnation places one under the wrath of God as stated in John 3:36, "...he that believes not the Son shall not see life; but the wrath of God abides on him."

"*What do we need to be saved from*?" is the next question. John 3:36 states that God's wrath abides on those not believing in God's Son, but that wrath is removed from those who believe. When God's wrath is removed the believer has everlasting life while the unbeliever has everlasting condemnation. When the believer dies his spirit goes into the presence of God (2 Corinthians 5:6-8) while the spirits of unbelievers go into the torments of the place called hell (Luke 16).

The final dwelling of unbelievers is recorded in Revelation 20:11-15. It states that "...the (spiritually) dead, small and great, stand before God...and death and hell were cast into the lake of fire. This is the second death. And whosoever was not found written in the book of life was cast into the lake of fire."

Revelation 21:4-8 records a tremendous contrast of where believers will be eternally. No crying, tears, death, sorrow or pain. The fearful, abominable, murderers, immoral, sorcerers, idolaters and liars will not exist there. Where you will be throughout eternity will be based on your faith in, or rejection of, Jesus Christ.
