Jess M. Knapp, 55

Jess M. Knapp, 55, died April 11th, 2018 at home in Argenta, Montana. He was born June 12th 1962 in Dillon Montana to the late Jack and Nancy Knapp. Jess was the youngest of five children, his sister Judy Knapp preceding him in death.

Jess enjoyed life as a mechanic, graduating from WyoTech and continued on to teach there as well. He had a passion for hunting and loved the mountains above Argenta.

Jess savored simple pleasures like chatting with friends and family, spending time with his grandchildren, tinkering on all things automotive and of course snacking.

He was always helping others and taking care of everyone around him.

He is survived by his wife Kim Foss, His life long best friend Alicia Lovell, three daughters, Annie Knapp, Shawna Duffy, Dawna Knapp, son Shiloh Mizell, brothers Tony Knapp, Jack Inky Knapp, Ted Knapp and several grandchildren, nieces, nephews and cousins.

Due to Jess's sudden death, service arrangements will be held at a later date.

DILLON EARTH DAY CLEANUP AND CELEBRATION ANNOUNCED

The University of Montana Western's Terra Verde Club and the City of Dillon will be hosting the 2018 Earth Day Cleanup and Celebration on Saturday, April 28, 2018.

Registration for the clean-up and lunch is at 9:00 a.m. on Montana Street across from the Depot Park (between Los Koritas and Beaverhead Brewery) in Dillon, Mont. where the celebration will also take place. The festivities start at noon with music, food, exhibits, and activities running until 3 p.m.

Community members and public and private organizations, including those involved in community development or public services, are invited to participate by reserving a table for exhibits or a space for activities related to nature and/or community life.

The Earth Day Celebration in Dillon dates to as early as 1995 when UMW students belonging to Terra Verde began gathering to pick up trash around the community and celebrate Earth Day. The event became a joint project with the City of Dillon in 2014, and has expanded to include an increasing number of displays and demonstrations as part of the celebration representing many local businesses, organizations and community members. The Earth Day Celebration is also a great opportunity to network with potential volunteers.

Please RSVP to dillonearthday@gmail.com or call 683-1249 in the evenings before April 20, to reserve a table or space.

Please join us to make this event fun and educational for the entire community. Visit <http://dillonearthday.blogspot.com> for more information and updates on the celebration.

DPHHS reminds Montanans to take precautions to avoid hantavirus this spring

The Department of Public Health and Human Services (DPHHS) and local public health agencies remind Montanans and visitors to the state to be aware of the risk of hantavirus and to take precautions to avoid exposures to rodents, their droppings and nests.

"Although hantavirus infection can occur during any month, the risk of exposure is increased in the spring and summer as people clean cabins and sheds and spend more time outside in the vicinity of rodents," said DPHHS epidemiologist Rachel Hinnenkamp.

With 43 cases of hantavirus reported since its recognition in 1993, Montana has one of the highest rates of infection in the United States. Early symptoms include fatigue, fever and muscle aches with progression to coughing and extreme shortness of breath. Hantavirus infection can cause severe illness; about 25 percent of Montana's cases have resulted in death. Supportive medical care is essential to survival and, if diagnosed early, specific antiviral medications may help with recovery.

Studies have shown that deer mice (*Peromyscus maniculatus*) are the most common host of the virus, and are well dispersed throughout Montana. People can become infected with hantavirus when saliva, urine, or droppings from an infected deer mouse are stirred up and inhaled. It is important to avoid activities that raise dust, such as sweeping or vacuuming, if there are signs of rodents in the area.

The best protection against hantavirus is to control rodent populations in the places you live and work by sealing up holes to prevent entry and using snap traps to eliminate any mice indoors. Individuals can also reduce rodent populations near dwellings by keeping grass and shrubbery near the home well-trimmed, and moving woodpiles at least 100 feet from the dwelling and raising them at least one foot off the ground.

Hinnenkamp said recommends following these precautions when cleaning areas contaminated by rodent droppings:
"Improving and Protecting the Health, Well-Being and Self-Reliance of All Montanans."

- Avoid sweeping or vacuuming areas with rodent droppings and urine, as the action can stir up dust and aerosolize the droppings.
- If cleaning an area such as a cabin, camper or outbuilding, open

windows and doors and air-out the space for 30 minutes prior to cleaning.

- Wear rubber or plastic gloves.
- Thoroughly spray or soak the area with a disinfectant or a mixture of bleach and water to reduce dust. Let soak for 5 minutes.
- Wipe up the droppings with a sponge or paper towel, and discard after use.
- Clean and disinfect the entire area with disinfectant or bleach solution.
- When cleanup is complete, remove and discard gloves and wash hands thoroughly with soap and warm water.

Here's the Dillon Middle School news for the week of April 23rd through April 27th, 2018

The lunch menu for the week is as follows: On Monday, we will enjoy taco salad with trimmings and whole grain chips. On Tuesday, a weiner wrap will be served with savory rice. On Wednesday, we will enjoy a chicken patty on a school made bun with trimmings, and on Thursday, we will have corn dogs with baked beans. Friday a pulled pork sandwich will be served with a cinnamon roll, applesauce and fresh veggies.

This week will be make up testing for the math and English Language testing we have already had. The following week, we will start up ELA testing again. Stay tuned for more details. Parents, we ask that you keep your child in school if at all possible. Our testing window is very short, and when it is closed, there is no longer make-ups allowed. We want our students to be able to show how well they can do. Missed tests will end up being scored as 0's, and we don't want that for your child.

Wednesday, April 25th is the last day for the Homework Help in the library after school. A big thank you to the students who are a part of the Education Club at the University of Montana Western for all your help to our DMS students.

Also, Wednesday, will be the Night Of Excellence held at the district gym starting at 5:00 pm and going until 8:00 pm. Come and check out all the great things kindergarten through 8th grade students have been doing.

Friday, April 27th, midterms will go home with students. Parents, if you do not receive your child's midterm report, don't hesitate to call the DMS office.

Next Monday, April 30th, DMS will host their track meet at the Beaverhead County High School track. The track meet will begin at 12:00 pm, and 13 teams will be competing. Come on out and support the DMS tracksters. Concessions are available.

The infamous dodgeball tournament is over...the competition was stiff. In the end, during the championship game...the teams had to battle a full five games to determine the winners. The returning champs....consisting of Jon Kirkley, Connor Vezina, Conner Curnow, Jack Gibson, Anthony Macias, and Callahan Hoffman NARROWLY beat the Trumps...consisting of Kaden Pittman, Damon Skradski, Gavin Garrison, Walker Spurlock, Hunter Barnes, Ben Steadman and Trapper Doering. Great job
