Semitractor-trailer Crash

Mark Thompson, was driving on Highway 43 Wednesday morning when he came upon a semitractor-trailer crash at Thompson's Corner between Dewey and Wise River.

"Molybdenum dust was all over the road and all over the guardrail and the tractor itself was halfway off the edge," Thompson said. "It had gone through the guardrail but not off."

Dillon crews were paged to the scene of the accident. Montana Highway Patrol Sargent Tammy Perkins said the crash occurred around 8:30 a.m., near mile marker 69. Perkins said the accident occurred when the truck came up against a guardrail, the load shifted and the "moly" fell off the truck. There were no injuries in the crash, but reports indicate that ore spilled not only all over the road but also into a ditch near the Big Hole River.

Jim Kott, Thompson Creek Mine site manager, reported the truck was carrying 48,000 pounds of moly worth approximately \$24,000. He said the load was a "total loss," Kott said Montana Resources "took control, right away," sending pumper truck to the scene to immediately begin vacuuming up the spilled moly. According to Kott, the cleanup was ongoing on Thursday afternoon, with the aim of having 95 percent of the spill cleaned up by Thursday evening.

Asked whether moly poses a public health danger, Kott said, "Moly is not a hazardous substance, at all."

Mark Thompson is the president of Butte's George Grant Chapter of Trout Unlimited and he remains concerned about the harmful effects it might have, despite the cleanup efforts. It will rain and this will get in the river and I don't know what it's going to do, Thompson said.

Kott said he, too, wasn't sure of the dangers of moly in the river, but was adamant that "it won't reach the water."

Jeff Ebert, Butte district administrator for the Montana Department of Transportation, said he doesn't know if there have been a lot of crashes at that particular spot. The MDT looks at data from the Montana Highway Patrol on an annual basis to determine if particular locations need spot safety improvements.

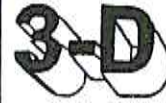

"We look at all crashes occurring on our roadways," Ebert said. "We determine if there's a correction that can be made and try to implement those using federal safety funds."

Thompson suggested the George Grant Chapter of Trout Unlimited would be willing to take the initiative to add warnings for drivers in order to protect what Wade Fellin, owner of Wise River's Big Hole Lodge and chair of the board of the Big Hole River Foundation, calls "one of the best stretches of the whole [Big Hole] river."

"I don't know how expensive it is to put up a sign," Thompson says, "but we'll pay for it if need be, for God's sake."

Perkins said MHP is still investigating the cause of the crash.

Dillon Lions Club Annual Live Lobster Fundraiser

That's right, the Dillon Lions Club is again holding its spring sale of fresh, delicious Atlantic lobster! Please keep in mind that the money generated by this lobster sale is one of the primary sources we use to fund the many local community service projects we engage in. As just one example, the Dillon Lions Club provides vision screening for the students in every school in Beaverhead County, including each class of Youth Challenge Cadets.

If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, May 14 at the very latest. These order forms, with more detailed information including price, are available at Vigilante Electric Cooperative, China Garden, and Stockman Bank.

The lobsters are caught, cold packed, and flown overnight for your delivery in approximately 24 hours. In fact, they're so fresh that it's suggested you keep children, pets, horses, cows, sheep and other ranch critters away from these ornery crustaceans until after they're cooked!

You can pick up your live lobsters on Saturday, May 19 between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the Courthouse main entrance. And if you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge!

SEARCH & RESCUE AUCTION

Annual Auction Sunday, May 6th at the Search & Rescue building, 1000 Hwy 41. Viewing opens at 9 am and the auction starts at 10. Breakfast and lunch will be available.

If you have donations you can ask any Search and Rescue member or call Jason @ 865-0165. We also have a Facebook page: <https://www.facebook.com/Beaverhead-Search-and-Rescue-Auction-268184663722099/>

Beaverhead Search and Rescue News

Submitted by: Mel Rice, Public Relations Officer

On Wednesday May 2, the Beaverhead Search and Rescue held its monthly meeting. Commander Alan Holt called the meeting to order at 7:10 with 31 members in attendance. There are a number of things happening in the next couple of weeks which will prove to be very time consuming. First, the unit has its annual auction on Sunday May 6th. It is a very busy time leading up to the event with the collection of items that have been donated as well as the set up. The unit tries very hard to display all the items for viewing prior to the beginning of the auction. The auction starts at 10:00 am with viewing to begin at 9:00. The S&R members will also be serving breakfast for a nominal fee. Lunch will also be available for purchase. If you have items you would like to donate please contact a search and rescue member and make arrangements for pick up. The auction this year is quite large with a multitude of items from a two home estate as well as all the other donations the unit has received.

Next order of business was discussion on resuming the search for Calvin Zimdars. Calvin disappeared west of Glen around the 2nd of December 2017. On the 3rd of Dec BVHD S&R began a search for Calvin in the mountains and vicinity of his home. That search was suspended after multiple days. Now that the snow is reseeded and warmer weather is in the forecast dates to resume the search have tentatively been set. These tentative dates are May 18th and 19th. The dates may change if weather conditions are not good. The search will take place in the Glen area north of Dillon. Search methods will include dog teams, horseback teams, road teams, and ground teams walking in areas of high to moderate probability. If interested in helping, we ask that you report to basecamp on the morning of the 18th. In order to get to camp, take the Glen exit and follow the signs. It will be visibly marked.

It was also decided the unit will participate in the "Kids Day on the Big Hole" May 5th. Donald Smith, Katie Kajin, and Alan Holt will do a presentation similar to the "Hug a Tree" program that the unit presents at various time of the year. They will inform the kids how to be prepared when they venture out camping, fishing, hiking, etc. and what to do if they find themselves lost.

The last item brought before the members was an recap of the White Water River training that took place this past weekend. Several members of the unit and Sheriff's department participated. There will be a more details story about this training in the days to come.

Quarterback Club

The Bobcat Quarterback Club would like to invite interested and future members to dinner to discuss starting a Quarterback Club chapter in Dillon. The dinner will be Tuesday May 15th at 6:00 pm at Blacktail Station. Admittance will be by reservation only.

Join Coach Choate and Coach Robertson to discuss the MSU Football program, upcoming season, and how impactful the Quarterback Club is to Bobcat Football. Beaverhead County has been a crucial part of Montana State Football with a number of players coming from this area. We would love the opportunity for Beaverhead County to continue to be an essential part of Bobcat Football by starting a Quarterback Club Chapter. To become a Quarterback Club member there is an annual fee of \$1000 which directly supports the players and coaches. With the Quarterback Club's help we were able to provide each player with an iPad which can be used for them to watch film on their own time and help them academically. Currently MSU Football has a team GPA of 3.04, which is the highest in program history. The investment we were able to make in the XOS video software has given our coaches the tools they need for our program to continue to be successful. The Quarterback Club has provided the Bobcat Football with the ability to create eye-catching graphics and video edits that highlight our program and separate MSU Football from the competition. Your annual membership will allow you to have weekly film breakdowns with Coach Choate, admittance to the Quarterback Club banquet and the ability to attend practice. The Quarterback Club is the difference for MSU Football. With your membership, you are putting us on track to BEAT THE SKY and OWN THE STATE.

If you are interested in attending please RSVP no later than Friday May 11th to Kim Finch at 406-660-2602 or MSU Coach BJ Robertson at 406-579-3562.

WALKING MAN

The Beaverhead County ACE's Task Force and Be The Change 406 Coalition will present the documentary "Walking Man" on Monday, May 7th, at 7 p.m. at the Beaverhead County High School Auditorium in Dillon. Doors will be open at 6:30. The event is free to the public.

The film features a Missouri family, Mark, Lisa and their son Eric, who are faced with the hard truths about mental illness. In the film, father and son embark on a 200-mile walk to raise suicide awareness after three students in one Missouri high school take their own lives.

Norwine will be at BCHS and Dillon middle school earlier that day to talk to students about mental illness, bullying and the importance of kindness.

For more information, please call Kim Martinell at 406-596-1284.

Letter to the Editor

Dear Editor,

OK, we've gotten over our big sad from reading the front page of the May 2nd Tribune. We got the impression that barriers are pretty important in Dillon, and now would like to suggest another approach to the proposed upgrade park. We'd like to hear, "We've got some issues.....now, how can we get together to overcome them?"

Sinking ground? The proposed playground would be built with all volunteer labor, so, could we consider a 'clean up the sinking ground' volunteer weekend?

Taxing information is foggy? How about the city and county naming task forces to work on clarification. And is there actually a law that says governments can't tax each other, or is this something that could be researched for possibility. (\$1600? That's really far above and beyond working to provide creatively?)

Some would say, "Big deal, guys You're renters, not property owners." We'll go out on a limb here and suggest that our landlord probably pays property taxes on this apartment.

Please don't take these words as a lack of appreciation for the hard work put out by City Council members or County Commissioners.

We do want to come across as asking this small town, on the cusp of something wonderful in this amazing park plan, to start talking possibility. A lot of enthusiastic people and organizations in Dillon have already seen what this new park could do for the whole area, and it would be a crying shame to see this get shut down. We've already made plans to put all 8 great grandchildren's names on fence pickets because that's something we CAN do to help, and we've decided to help bring lunch the day of playground construction for people who will be putting sweat equity into this dream to help it come true.

Come on, Dillon! Let's put our heads and hearts together and make the new Jaycee Park something we can all be proud of!

Sincerely, Harry and Val Neeley, Dillon

Letter to the Editor

President Trump just said Senator Jon Tester should resign. Resign for doing his job? Senator Tester was not the only person on the Veterans Affairs Committee but was the Chairperson. President Trump should congratulate Senator Tester and the committee for doing a job that Mr. Trump has proven he cannot do!

President Trump has proven he does not and cannot pick people to work for him or work with him. One out of every three he has picked to work with him are gone. Some got fired, some quit, some are under investigation waiting for jail time.

If Dr. Ronny Jackson had been hired for the job as head of Department of Veterans Affairs it would have just been a matter of time until he was fired because of his past performance.

Senator Tester and the committee did the Veterans and the United States a great service.

Again President Trump was wrong and bullies those in the right.

Again, thanks Senator Tester and your committee!

Dillon is Character Rich!

Today's featured character is Katie Barba. Katie has many passions in her life. Her husband, two sons and two dogs top the list. As well as her job as Economic Developer for BDC (Beaverhead Development Corp).

However, Katie also loves clay! Making ceramics feeds her soul. And now she is sharing the fruits (or flowers) of her labor with the City of Dillon. Her first ever ceramic mural featuring hand formed flowers and birds surrounded by mosaic swirls and an ever shining sun is complete. The mural titled "Spring Fever" measuring 6x10 hangs on the side of Big Tyme Sports Wear and Design at the corner of Glendale and Montana Streets.

Building owner and Art Enthusiast Corinne Welborn offered her building for this mural. Corinne did much of the leg work to get this project approved. She talked with adjacent business owners and current tenant of the building to get their feed back and support.

Katie financed and created the "Spring Fever" mural herself. What a gift!

Previous dART sculptures and mural installations were paid for by private sponsors. "It is important that we have Patron of The Arts Sponsors or a Grant in place to pay the artist for their lovely contributions to Dillon," says Barba.

"If you would like to sponsor an artist or talk about art for your building please contact myself or Clare Bailey. You can reach us through our FB Page dART Collaborative."

dART acknowledges Todd Hazelbaker, Dillon's Director of Operations for his supportive and mindful attention to these beautification projects. His assistance is greatly appreciated.

\$50 REWARD FOR MISSING WHEELBARROW

33 yr old Mothers day gift is missing. My wheelbarrow is heavy duty, solid, and still partially blue with many years ahead of it. It's not a deep construction type to mix mortar but this one has been used for it. The right handle has been chewed on. I can still see my then little girls trying to push it to me on mothers day 1985 so it is sentimental. It has been used to haul kids and tons of garden supplies etc. It was last seen 3 houses behind the High School. Come on People!!! Please call 683-2498 with any info. A reward is offered, no questions asked.

DILLON LIONS CLUB LIVE LOBSTER FUNDRAISER

Order by May 14th for delivery May 19th, 2018

Dillon Lions Club is pre-selling 1¼ to 1½ pound LIVE Maine lobsters. The lobster are caught, cold packed, flown overnight for your delivery in approximately 24 hours - fresh from the Atlantic Ocean. The funds we raise primarily provide vision exams and glasses to the kids in Beaverhead County, giving them a tool they need to be better students.

Please use the form below and submit your order by May 14th along with your payment of \$22.50 each. Then just pick them up on May 19th at Vigilante Electric Cooperative parking lot between 1:00 and 3:30 p.m. Lobsters can be cooked while you wait for no additional charge. Please remember to bring a container with you to transport your lobster(s) home.

Bible Truth...Reason to use only the King James Version

(#81)

---We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

In 2009 the American Bible Society stated that there were about 900 English translations and paraphrased editions of the Bible. According "Statista" the English Bible read most often is the King James Version at 31% followed by the NIV is 13%.

The challenge in the following test is to answer the following questions from the NIV, which is supposedly easier to understand than the KJV.

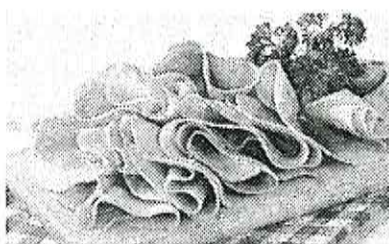

1. Fill in the missing words in Matthew 5:44. "Love your enemies, _____ them that curse you, _____ to them that hate you, and pray for them that _____ and persecute you."
2. What two things are required to cast out a demon in Matthew 17:21?
3. Why did Jesus come to earth according to Matthew 18:11?
4. What was Pilate's first name in Matthew 27:2?
5. When the soldiers parted His garments in Matthew 27:35 they were fulfilling the words of the prophet. Copy what the prophet said in that verse from the NIV.
6. What did Jesus give the apostles power to do besides cast out demons in Mark 3:15?
7. According to Mark 7:16, what does a man need to be able to hear?
8. What does Luke 7:28 say about a man named John?
9. How many apostles were with Jesus in Luke 22:14?
10. In what three languages was the superscription over Jesus written as He was on the cross in Luke 23:38?
11. What did they give Jesus to eat with His fish in Luke 24:42?
12. Copy Romans 16:24 word for word.
13. 1 Timothy 3:16 speaks of the deity of Christ. In this same verse, who was manifested in the flesh?
14. Fill in the blanks from the first part of Revelation 1:11, "I am the _____ and _____, the _____ and the _____."

Note: The answers to all of the above questions are found in the KJV.
