Planning Board Committee

By: MJ

PRESENT: Committee members; Chairman Mooney, Shafer, Hand, Scalzone, Manley, Mayor Klakken, Director of Operations Hazelbaker, and City Attorney Dolan. Mr. Mathew King was there to represent the Dillon Motor Coach Park located on Swenson Way.

There is confusion with a state law that says R.V. Parks with a certain number of spaces is required to go through a full blown sub-division. **Note:** A sub-division is an area of land where plats are designed for resale. A sub-division when sold will have several owners. Dillon adopted the state laws. "Unintended consequence" are invariable when people take someone's word and vote a "yes" without doing their own research.

R.V. Parks create a plan where spaces are designed to rent or lease but not own. R.V. Parks are owned by one person or company and when sold it is sold as a complete unit. The city of Dillon is requiring the Dillon Motor Coach, to comply with the sub-division regulations because the city adopted state law. **Note:** Dillon could have corrected this confusion by changing their regulations. This is another example of why the zoning document needs to go through a review and make sure it fits the needs of Dillon.

Spending Money: The R.V.'ers buy gas, pay rent for spot to park in, often buy a meal and some groceries... They do not remain in the community however they do leave dollars behind that trickle down through the economy and help improve the "standard of living." This is another example where taking a good look at regulations for Dillon would be a positive and help the community.

President John F. Kennedy said; "Ask not what your country can do for you--ask what you can do for your country." **Question:** Could we tweak and add to the oath taken by elected officials and others placed in positions to represent Dillon. It might read "Ask not what Dillon can do for you -ask what you can do for Dillon?"

Maybe this is the time we ask state representatives, Welch & Welborn, to look at this law. They might be able to shed more light on why R.V. parks are classified as a sub-division. Another question that might be asked is what they did to keep three (3) State Offices open and viable in Dillon and not let them move them to Butte. Mr. Welch has an ad asking to be re-elected. It would be helpful for people to contact him and for him to be in contact with the people if he had a contact number or email address included in his ad.

Attorney General Fox Releases Statement on Ninth Circuit Decision Upholding Montana's Contribution Limits
 Ninth Circuit Rejects Rehearing Request on Challenge to Contribution Limits
 Montana Attorney General Tim Fox released the following statement Wednesday on the Ninth Circuit Court of Appeals' second ruling in seven months, upholding his office's defense of Montana's contribution limits in *Lair v. Motl*:
 "I'm pleased the Ninth Circuit rejected further attempts to challenge Montana's campaign contribution limits. The voters of Montana approved the current contribution limits, and it's the responsibility of the Attorney General's office to defend Montana's laws. I'm proud of the hard work Assistant Attorney General Matt Cochenour and the rest of my team put in to defend the will of the people."
 Montana's contribution limits were passed by the voters in 1994, through a citizen initiative. The *Lair* case challenging the contribution limits has been ongoing since 2011. In October 2017, a three-judge panel upheld Montana's contribution limits. Opponents to the contribution limits filed a motion for rehearing, which the court rejected today.
 The final order from the court stated, "The full court was advised of the petition for rehearing en banc. A judge requested a vote on whether to rehear the matter en banc. The matter failed to receive a majority of the votes of the nonrecused active judges in favor of en banc consideration."
 To see the full decision by the Ninth Circuit denying rehearing, visit: <https://dojmt.gov/wp-content/uploads/Lair-Rehearing.pdf>
 To see the full decision issued by the Ninth Circuit last October, visit: <https://dojmt.gov/wp-content/uploads/Lair-Opinion.pdf>

MONTANA WESTERN HOSTS WINE AND CRAFT BEER FESTIVAL FUNDRAISER TO SUPPORT ACADEMIC PROGRAMS.

The University of Montana Western's Foundation and Alumni Office in partnership with Summit Beverage present the Third Annual Southwest Montana Wine and Craft Beer Festival, to be held on Saturday, May 19, 2018 from 6-9 pm in the Keltz Arena on the Montana Western campus. A fireworks show will be held following the festival.

The theme of this year's festival is the 125th Birthday Bash, highlighting 125 years of Montana Western's continued innovation and success.

"We are thrilled to celebrate the University's 125th birthday in conjunction with the Wine and Craft Beer Festival. It is poised to be a remarkable celebration of this university and the impact it has had on our community and students for 125 years," said Alumni Coordinator Vanessa Graham.

Proceeds benefit the students and departments of Montana Western by raising funds that are utilized to support various programs and projects on campus and aren't limited to a specific department. These "unrestricted funds" can be used to purchase research equipment, support art and literary series and events, support student projects, and much more.

"We cannot adequately express our gratitude to this community for the years of support they have provided our university. We are grateful to those who helped establish and maintain this campus for 125 years. I can only imagine what the next 125 years of innovation and transformation will look like at the University of Montana Western," said Foundation Director Roxanne Engellant.

In addition to receiving a souvenir glass and enjoying wine and craft beer tastings paired with sweet and savory hors d'oeuvres, guests will enjoy art and music by local artists. The featured artists are oil-painter Charlotte Quist, potter Cody Mitchell, multimedia artist Cory Birkenbuel, artist and craftsman James Wiggen, and watercolorist Jessica Glenn. Musical entertainment for the evening will be provided by Montana Western professor and classical guitarist

Quarterback Club

The Bobcat Quarterback Club would like to invite interested and future members to dinner to discuss starting a Quarterback Club chapter in Dillon. The dinner will be Tuesday May 15th at 6:00 pm at Blacktail Station. Admittance will be by reservation only.

Join Coach Choate and Coach Robertson to discuss the MSU Football program, upcoming season, and how impactful the Quarterback Club is to Bobcat Football. Beaverhead County has been a crucial part of Montana State Football with a number of players coming from this area. We would love the opportunity for Beaverhead County to continue to be an essential part of Bobcat Football by starting a Quarterback Club Chapter. To become a Quarterback Club member there is an annual fee of \$1000 which directly supports the players and coaches. With the Quarterback Club's help we were able to provide each player with an iPad which can be used for them to watch film on their own time and help them academically. Currently MSU Football has a team GPA of 3.04, which is the highest in program history. The investment we were able to make in the XOS video software has given our coaches the tools they need for our program to continue to be successful. The Quarterback Club has provided the Bobcat Football with the ability to create eye-catching graphics and video edits that highlight our program and separate MSU Football from the competition. Your annual membership will allow you to have weekly film breakdowns with Coach Choate, admittance to the Quarterback Club banquet and the ability to attend practice. The Quarterback Club is the difference for MSU Football. With your membership, you are putting us on track to BEAT THE SKY and OWN THE STATE.

If you are interested in attending please RSVP no later than Friday May 11th to Kim Finch at 406-660-2602 or MSU Coach BJ Robertson at 406-579-3562.

Introducing the "Beaver Blend"! BChS students sell coffee to raise funds for Peru trip in 2020

Students in the BChS Peru Travelers club are raising funds for their service learning and language immersion trip to Peru in 2020 by selling sustainably harvested certified organic coffee beans roasted in Bozeman from Ghost Town Coffee Roasters.

Available blends are "Dillon Decaf", "Dillon Beavers Beaver Blend", "DB Pride Breakfast Blend", and "Peru: Chirinos", a single-origin coffee sourced directly from Peru. Go to "www.ghosttowncoffee.com, click on COFFEE, and follow the instructions on the site to order!" Coffee is available during the month of May and delivery options are: 1) Local pick-up in Bozeman, 2) Local delivery in Dillon at the end of the sale, or 3) Direct Mail anywhere in the US (\$7 flat-rate shipping cost). Coffee bag sizes come in 12 oz, 2 lb, or 5 lb. Note a traveler's name in your order notes and all proceeds will go to their trip, or if no student is noted funds will be split evenly among students. Please support the Peru Travelers and order coffee today! Ask a traveler or Ms. Edgington if you have any questions about coffee or our trip. Gracias!
