State Music Festival

This past weekend May 4-5, BCHS Music students enjoyed a successful State Music Festival. The two day event was hosted by Helena High School. We participated in 70 events and received 49 Superiors and 21 received Excellents. We are appreciative of our bus drivers, administration, accompanists, and parents for their unending help and support. We could not have succeeded without them.

FIRE TRUCK RIDE

On Thursday, May 10, 2018 we will celebrate the hard work, commitment and dedication that our state qualifying music students showed at the State Music Festival with a firetruck ride through town. These music students participated in 70 events where they received 49 Superior Ratings and 21 Excellent ratings. We are so proud of the students who participated, as well as the teachers and accompanists who help guide and support them.

Please help us celebrate these students but coming out and cheering them on!

ROTARY SPEAKER

Dr. Ryan Braun, with the Dillon Small Animal Hospital will be the featured presenter at the noon Rotary meeting scheduled for Wednesday, May 9, 2018. Dr Braun will speak about why he chose to become a veterinarian and share some of his stories related to his work.

The Rotary Club will meet at the Guild Hall of St. James Episcopal Church located at 203 East Glendale St. in Dillon. Visitors are welcome to join Rotarians for lunch. The presentation is scheduled to begin at 12:30 p.m. For more information, email Deb Hedeem at deborahhedeem@gmail.com or Roxanne Engellant at engellant@gmail.com.

Dillon Lions Club Annual Live Lobster Fundraiser

That's right, the Dillon Lions Club is again holding its spring sale of fresh, delicious Atlantic lobster! Please keep in mind that the money generated by this lobster sale is one of the primary sources we use to fund the many local community service projects we engage in. As just one example, the Dillon Lions Club provides vision screening for the students in every school in Beaverhead County, including each class of Youth Challenge Cadets.

If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, May 14 at the very latest. These order forms, with more detailed information including price, are available at Vigilante Electric Cooperative, China Garden, and Stockman Bank.

The lobsters are caught, cold packed, and flown overnight for your delivery in approximately 24 hours. In fact, they're so fresh that it's suggested you keep children, pets, horses, cows, sheep and other ranch critters away from these ornery crustaceans until after they're cooked!

You can pick up your live lobsters on Saturday, May 19 between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the Courthouse main entrance. And if you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge!

BCHS Boys and Girls Tennis News

Friday/Saturday Mayfair Invite May 4/5 at Billings

The BCHS Boys and Girls tennis teams traveled to Billings to compete against Billings Central, Hardin, Glendive, Lewistown, Miles City and Cody, Wy. While missing a few strong players to State Music Festival, outstanding play took place during the two day event with the top three boys singles players and the #1 boys doubles team meeting the challenge and were all undefeated!

On the girls side, the top three varsity players dropped few matches and rotated from singles into the #1 doubles position for all 6 rounds. The format for the invite changed from the usual dual match process filling only the #1 and 2 singles spots while adding a 4th doubles position. All sets began at 2-2 scoring and a 10 point tie breaker was used for the 3rd set when necessary.

A full week of tennis began Tuesday when the Beavers host Hamilton and then travel to Butte Central on Thursday. Friday morning the bus pulls out for the long trip to Lewistown for matches Friday afternoon and all day Saturday making up for lost time earlier in the season due to unstable weather conditions!

Letter to the Editor

Diamonds in Montana

There are an awful lot of diamonds in Montana. Most every town or city has jewelry store full of them. But if you get up into the mountains it's another story.

If you get a good mineralogy book like "Elements of Mineralogy" by B. Mason and L. G. Berry, 1959, and read up on diamonds you'll find that "isolated diamond crystals are common in most granitic or volcanic formations". There are a lot of such formations here in Western Montana. The problem here is that isolated diamond crystals don't make economic deposits.

The book goes on to say that the average grade for known, operating diamond mines in Africa is only .0000055%. If you assume that they are talking about industrial grade diamonds, most diamonds are, then that amounts to only about 1/2 Carat of diamond per ton of ore, or just about \$ 0.50 per ton. Here in Montana that would be far below an economic grade. Now if you had diamond with something else, like gold, it might be a different story, but they aren't usually found together.

Sorry!

Financial Assistance

Notification

If you have active insurance coverage & your household earns 200% or less of the published federal poverty level you are eligible to apply for assistance with your Barrett Hospital & HealthCare bills. For details see below and contact Barrett Hospital & HealthCare.

Barrett Hospital & HealthCare (BHH) offers financial assistance to those who apply, qualify, and submit all required documentation timely for the program. The financial assistance program is a payer of last resort and applicants should check with Insurance Market Place the local Office of Public Assistance (OPA) to determine if they qualify for programs or coverage prior to applying.

BHH's financial assistance program is administered in conjunction with the Federal Poverty Guidelines that are used nationwide and that pertain to medical services provided at Barrett Hospital and Healthcare only. These guidelines incorporate rationale for age, number and ages of dependents and provide definitions of family and net income. The United States Department of Health and Human Services sets the Federal Poverty Income Guidelines and applies annual revisions to account for increases in the Consumer Price Index. BHH increases the federal poverty income levels from 100% to 200% for eligibility purposes.
