Street & Alley Committee

By: MJ

Members Present Councilman Nye (Chair), Garry and Hand.
Road Evaluation Methodology: (Tabled) At meeting time Mayor Klakken did not have information from the engineer, but should have it for the next meeting.

Bike Rack discussion @ Street and Alley Committee meeting 3/5/2018: Mr. Ed Mooney of the Trails Coalition presented information for a trial proposal to place bike racks in Dillon. The proposal is for 36 racks over a 2-year period with each rack parking only 2 bikes. The racks would take up 16' of street with offsets, markings and delineators. Mr. Nick Hoem suggested trying the racks on Montana St. since the street has better drainage. Ms. Celine Beaucamp-Stout spoke of placing a bike rack at the corner near Thomas Jewelry. She stated that all business owners on that side of the street are in favor of the project. *The committee voted to recommend to the council that the Trial project of 2 bike racks be approved.*

Bike Racks discussion @ City Council 3/21/2018: Ms. Joan Grogan from 3-D addressed the city council stating she did not want a rack at her store. She spoke of how hard it is to clean snow from around the rack. She suggested that the council consider snow removal for safety. Mr. Mooney from Trails Coalition addressed the city council and ask for approval to place two (2) bike racks at sperate off-street locations in the downtown area. Those locations would be at Jaycee Park and the other is at the Museum or Old Depot Theatre. City Attorney Dolan stated the bike racks not placed in such a way as to impede ADA requirements for sidewalks. Mayor Klakken said the rack at Jaycee park would be off the sidewalk. Mooney said he had a list of business owners and stakeholders who have endorsed the project. He

stated there have been comments from others who are not in favor of having bike racks near their businesses. Note: To my knowledge he did not present the list to the council. *The city council voted to approve the trail project of placing two (2) bike racks in downtown Dillon.*

Specifications for Streets and Alleys: Mr. Gutcheck provided drawings to get definitions of what is wanted in the city for streets, driveways, and sidewalks. This information will be done in specific drawings so when work for curbs, driveways, and sidewalks, ADA ramps, etc. there will be specifications to follow when any work is done.

Idaho Street Replacement (3 blocks): Mayor Klakken stated; presented information that was only for informational purposes. He got a quick estimate of \$500,000 from Rowe Excavation to do 1 block of South Idaho St. and 2 blocks of North Idaho St. This would remove concrete, dig down to specifications and allow the city to look at water main and service lines for possible repairs. With street maintenance you take the money you need to operate each year and you must spend 75% of it. You cannot build up an account for a large project however with the new gas tax, you can save it for up to 5 years, but you must spend it after that or lose it.

Street Signs: It is nice to drive around most of the town and be guided via a street sign. The city hopes to have of the signs up by the end of summer.

Stop Signs on Streets: Mr. Hazelbaker said splash pad is coming along and the city might revisit Washington/Reeder, Washington/Seabee stop signs.

Wizard of Oz Sing-A-Long

Join us for a special sing-a-long version of the classic movie The Wizard of Oz this Saturday, May 19, at 10 am at the Big Sky Cinema. Audience members will be encouraged to interact with the movie – singing, dancing, using props, etc. The first 100 kids will receive a “goodie bag” containing treats and props for use during “magic moments” of the film. Before the movie starts, our emcee will prepare you for special moments throughout the film. Consider coming in costume as it really adds to the fun! Prizes will be given for the best costumes.

Tickets cost \$10 for adults, \$5 for ages 3 -17 (under 3 free). Advance tickets can be purchased at The Bookstore and the Dillon Public Library. Doors open at 9:30 am.

Wizard of Oz themed refreshments/bake sale items will be sold. Also, several items will be raffled off. Raffle tickets are \$1 each and can be purchased in advance at The Bookstore and the Dillon Public Library as well as the day of the show. You need not be present to win. The raffle includes the following items:

- Wizard of Oz quilt
- Basket of Wizard of Oz books and treats
- A 100th Anniversary Wizard of Oz book
- Items from Bliss Salon
- Basket of 5 DVD musicals, pizza certificate, & popcorn
- Two season tickets for the Dillon Concert Association shows

The Wizard of Oz, first released in 1939, is the best-known and most commercially successful adaptation of L. Frank Baum's 1900 children's book The Wonderful Wizard of Oz. This icon of American popular culture is legendary for its use of Technicolor, fantasy storytelling, musical score and memorable characters. Don't miss this chance to see it on the big screen!

The movie is sponsored by Dillon Friends of the Library, Dillon Friends of Music, and the Big Sky Cinema. The proceeds will be shared by the two nonprofit groups. For more information, call the Dillon Public Library at 683-4544.
