Embezzlement Charges Filed

Alesia Lappe AKA Lisa Lappe of Lima was served with a summons and complaint charging her with felony theft by embezzlement alleging the theft of approximately $38,000 from the Montana High School Rodeo Association (MHRSA). Lappe served as the MHSRA secretary from 2015 to 2017. The Dillon Police Department investigated the case as financial institutions which held the accounts were located in Dillon.

The investigation led to a separate incident which Alesia Lappe was ultimately charged and arrested for theft by embezzlement, and common scheme for the alleged theft of approximately $21,000 from the local Beaverhead High School Rodeo Association.

Chief Don Guiberson, in a press release Friday said Lappe is currently being held at the detention center in lieu of $21,000 bond.

Dillon Police Department Press Release

On 5/17/18 at approximately 0107 PM it was reported to the Dillon Police Department that an approximately 50 year old white male, in a light blue Ford focus, and bearing Idaho plates was acting suspiciously in the area of south Idaho street. The concern was that the male may have been suspiciously following a middle school aged female. The suspicious male was observed by an alert citizen and followed for a short time and later left the area. The Dillon Police Department is diligently investigating the report.

This notice is not meant to alarm as no verification has been substantiated of any attempt at criminal behavior. With that being said, we believe it is law enforcements responsibility to advise our residents to be aware of their surroundings. Please continue to speak to your children about how to react to strangers and the appropriate reactions. Dillon is a safe community, but bad things happen everywhere. I would personally like to thank the concerned citizen and ask the public to report suspicious behavior and forward any information they may have regarding this incident. License plate numbers are always very helpful.

The Dillon Public Library will be hosting talks by police officers on stranger safety May 24, 2018 at 10 AM and 4 PM if anyone is interested.

The Dillon community and The Dillon Police have a long history of working together and we as a team will continue to keep Dillon a safe and enjoyable place to live.

CPR Instructor Class

Are you interested in becoming a CPR instructor and giving back to the community? The Beaverhead County Public Health Department will be providing a Basic Life Support (BLS) Instructor class June 19 & 20 from 6-9pm. By completing this course, you will be eligible to instruct students in basic CPR, AEDs (automated external defibrillator), First Aid, and the Basic Life Support (Healthcare Provider) CPR course using the American Heart Association (AHA) guidelines. This is a perfect opportunity for organizations requiring CPR certification to have their own person trained as an instructor. We are also looking for people interested in teaching CPR and first aid to the general public, as there is a huge need in the community for instructors. Prerequisites include:

- Current AHA BLS card
- Agree to teach 4 courses in a 2-year period
- Complete online BLS Instructor Essentials Course ($30.00/1.5 hr)
- Complete Instructor Candidate Application
- Become aligned with an AHA Training Center
- Be monitored teaching your first class within 6 months of the instructor course (this is a classroom course, not skills testing for the online course)
- Purchase (online) BLS Provider Student Manual and Candidate Workbook BEFORE class

If you are interested in becoming an American Heart Association BLS Instructor, please contact Sue Hansen ASAP for information at 683-3179.

Cemetery Committee

By: MJ

Present Councilman Hand (Chair) & Shafer. Councilman Garry was excused.

American Legion Plot Proposal: Councilman Hand explained that the Men's Singles section in the Mountain View Cemetery needs to be expanded. The proposal is to exchange ground with the American Legion. In the past the City of Dillon transferred a portion of the cemetery to the American Legion. Problem: The ground was transferred, but grave spaces were not, resulting in a piece of private property within the cemetery. This presents issues with maintaining the grounds and opening and closing graves. The committee recommended to the council that an agreement be made with American Legion to exchange ground. The council **approved.**

Statue in Cemetery: The American Legion has selected a monument to replace the statue that was damaged when a tree fell on it. A motion was made and approved by the city council to accept the statute.

Water Lines: City Council approved the committee's recommendation to install two (2) water lines to irrigated new section of cemetery at the approximate cost of $2,307. The new line will allow trees to be planted and improve grass.

Trees: City council approved the cemetery recommendation to spend no more then $6,000 on tree removal and planting of new trees. There are some trees in the cemetery that have become a hazard and need to be removed.
