Buckle Up and Car Seat Safety Event June 6th

Beaverhead County Public Health is partnering with the Dillon Police Department, Montana Highway Patrol, and Dillon Fire Department to bring a safety event on June 6th from 3:30 to 6:30 at the Southwestern Y. The event is open to the public but is focused on parents, grandparents, and others that transport children in a vehicle. Information will be provided on seat belt safety and car seat installation and safety.

Do you know how to properly install a car seat? Its not as easy as you think. Many people take short cuts or simple don't know how to install the car seat. This contributes to the multiple injuries and deaths to children every year.

This event will coincide with the Y's Summer Program. When you come and get your child on June 6th, stop by the information booths and enjoy free hot dogs and drinks provided by the Fire Department. There will be information, activities, and a car seat clinic to train you on the proper installation of your car seat. The Highway Patrol and Dillon Police will be available to answer your questions or concerns.

For more information, please contact Beaverhead County Public Health at 683-4771.

BEAVER SPORTS - STATE CHAMPS

After last weekend we have a couple more state champs back in town.

In the BCHS tennis we had Brad Rakich taking first place in the boys singles after a shortened first day due to rain. After the first day of play, all four singles boys players qualifying for quarterfinals were out of the Southwest division. These boys have battle each other all season. Brad Rakich of Dillon, Marius Godard of Corvallis, Alex Raymond of Hamilton and Manuel Gonzalez of Butte Central. It has been a pleasure to watch this competition and battles all season. Brad had remained undefeated all season.

In track and field the Dillon girls came out on top with the team win for the state championship.

We will bring you photos and individual results tomorrow.

BORDER TO BORDER SUCCESSFULLY COMMENCES 2018 CLICK IT OR TICKET CAMPAIGN

The Montana Highway Patrol worked alongside several law enforcement agencies from bordering states and local jurisdictions for the annual Border to Border (B2B) initiative, which commenced the 2018 Click It or Ticket seat belt enforcement campaign, held May 21-June 3. The 1-day national seat belt-awareness kickoff event, coordinated by participating state highway safety offices and their respective law enforcement liaisons, aimed to increase public awareness of seat belt laws by coordinating highly visible seat belt enforcement and by providing seat belt fact sheets for drivers at heavily traveled and highly visible state border checkpoints. The 4-hour B2B event resulted in 328 traffic contacts and 132 citations for seat belt violations by the MHP.

"It's proven that we achieve more when we work together," said Major Steve Lavin (MHP). "This doesn't mean writing more tickets—it means saving more lives. Through our enforcement efforts, we believe we helped keep community members safe and reminded drivers of the importance of buckling up. Issuing tickets was not our goal, but it was a way to remind people of the importance of such a simple action."

According to the National Highway Traffic Safety Administration, nearly half of the passenger vehicle occupants killed in crashes in 2016 were unrestrained. During this year's campaign, NHTSA urged law enforcement nationwide to issue seat belt citations to anyone caught in violation of the law—during the day, and especially in the evening, when 56 percent of those killed are unrestrained.

The national seat belt use rate is currently at 90.1 percent,

according to NHTSA's 2016 data, up from 88.5 percent in 2015. The Click It or Ticket campaign is for the remaining 9.9 percent—some 32 million people who still don't buckle up. Thousands of lives could be saved each year if every person was properly restrained on the road.

For more information on the B2B Initiative or Click It or Ticket mobilization, please visit www.nhtsa.gov/CIOT.

Applicants Sought for National Forest Resource Advisory Committees

Candidates are needed for membership on the Southwest Montana and Tri County Resource Advisory Committees.

Resource Advisory Committees (RACs) were established to review and recommend projects to be carried out using Title II funding under the Secure Rural Schools and Community Self-Determination Act (Public Law 112-141). Projects are funded that protect, restore, and enhance fish and wildlife habitat; improve the maintenance of existing Forest Service infrastructure; protect and enhance ecosystems on the national forests; and restore and improve land health and water quality. Past projects include maintenance of Forest Service roads, trails and infrastructure; replacement of county bridges; control of noxious and exotic weeds; and reestablishment of native species.

In 2018, it's expected the committee will make recommendations concerning projects in Beaverhead, Madison, Silver Bow, Granite, Powell and Deer Lodge Counties. The committees are made of up to 15 representatives. Without full membership (a quorum), no recommendations can be made.

"It is critical that we find qualified members to serve on the RAC. Without a full committee, funds that have been committed by the Counties to complete this important work cannot be utilized for potential projects. "I'm seeking candidates that will represent a wide array of interests to help each RAC reach full membership" said Forest Supervisor Melany Glossa.

Citizens are urged to consider applying to participate on the one or both of the Resource Advisory Committee's. This is a great way to learn more about management of public lands and help to allocate Title II funds to worthy projects that will improve natural resources on our public lands.

The committee has or will have vacancies for members to represent the following interests:

Festival of Trees 2018 Recipients Named:

*Bike Walk Southwest Montana
and Dillon Friends of the Library*

We are happy to announce the recipients for the 2018 Festival of Trees Fundraising Event to be held on Friday, Nov. 30th. The Event will be held for one night only due to scheduling conflicts and will consist of Dinner, Live and Silent Auctions and the sale of homemade candy.

Bike Walk Southwest Montana will benefit from funds raised to assist in the building of a bicycle camp. The camp will act as a waystation for travelers, a place for local walking, bicycling events, a meeting area for presentations and bicycle maintenance, and a facility to host large bicycling or walking groups. The camp will have a shelter, a meeting area and a wash/shower house. The camp will be located in the Chris Kraft County Park in conjunction with a three part Southwest Montana recreational complex that will include the Hockey Club ice rink and the Dillon Rifle Club indoor shooting range.

Dillon Friends of the Library plan to use funds raised from the event to complete the heating system in the basement of the Library so they can safely use the downstairs area for children and family programs including Storytime, Book and Babies, Family Game Night, Fly Tying, Lego's and Robotics classes. They are currently operating and hosting events without heat and will finish the system creating a more comfortable and safe area for their ever growing community members.

CPR Instructor Class

Are you interested in becoming a CPR instructor and giving back to the community? The Beaverhead County Public Health Department will be providing a Basic Life Support (BLS) Instructor class June 19 & 20 from 6-9pm. By completing this course, you will be eligible to instruct students in basic CPR, AEDs (automated external defibrillator), First Aid, and the Basic Life Support (Healthcare Provider) CPR course using the American Heart Association (AHA) guidelines. This is a perfect opportunity for organizations requiring CPR certification to have their own person trained as an instructor. We are also looking for people interested in teaching CPR and first aid to the general public, as there is a huge need in the community for instructors. Prerequisites include:

- Current AHA BLS card
- Agree to teach 4 courses in a 2-year period
- Complete online BLS Instructor Essentials Course (\$30.00/1.5 hr)
- Complete Instructor Candidate Application
- Become aligned with an AHA Training Center
- Be monitored teaching your first class within 6 months of the instructor course (this is a classroom course, not skills testing for the online course)
- Purchase (online) BLS Provider Student Manual and Candidate Workbook BEFORE class

If you are interested in becoming an American Heart Association BLS Instructor, please contact Sue Hansen ASAP for information at 683-3179.

Dear friends in southwest Montana,

Please join the Montana Stockgrowers Association on June 14th and 15th for their 134th Annual summer convention. As chairman of this grand event, it's my pleasure to invite you to attend and participate in the "All Horse" parade. We are expecting 500 horses and riders. Southwest Montana is home to the largest number of cattle in the state and is rich in the Montana ranching history. This is our opportunity to show case our part of the state and how vested we are in preserving the west! So come ride with us and enjoy the whole day!

Schedule of events: FRIDAY, June 15th
