WE ARE THE CHAMPIONS

It was a good weekend for both our track and tennis teams, coming home with a number of state placers and state champions. We will celebrate our new champions on Wednesday, May 30 with a firetruck ride through town. Due to our semester finals schedule, we will load the bus when finals let out at 11:30 AM on Wednesday and start the firetruck ride through town about 11:40 AM.

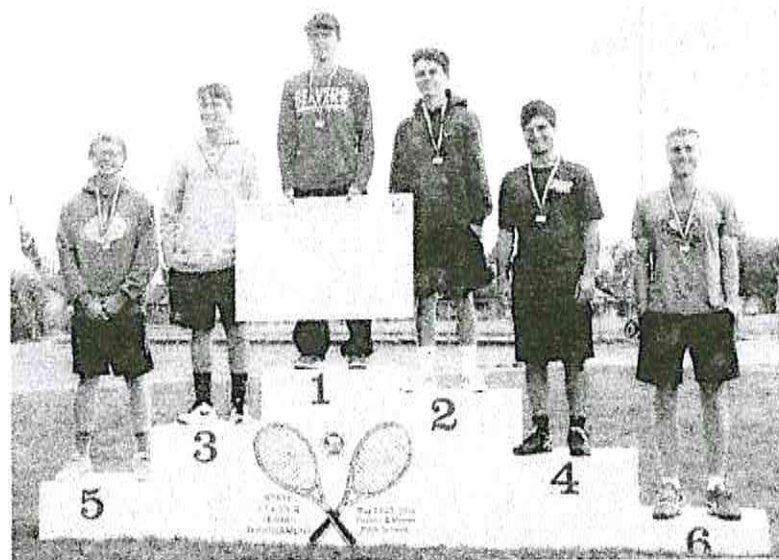

Tennis:

Bradley Rakich--Boys Class A Singles Champion

Track:

Girls 2018 Class A State Champion

Girls 4X100 Relay Champion (Madalen Shipman, Hayle Sundquist, Brynley Fitzgerald and Tylia DeJohn)

Boys Triple Jump Champion —Zane Johnson

The Beavers had Bradley Rakich in first place singles, Nicole Hritsco took 5th place and Mark Southam and Luke Peterson lost out in placing but it gave the boys enough points to take 4th place in team scores. Rain delays and moving the girls from Ronan to Polson extended play into Saturday before everyone could finish.

The Class A State track meet team scores were Womens - Beaverhead County first place with 59 points and 2nd place went to Belgrade and Custer County each having 50 points. On the boys side the team scores were Corvallis with 79 points, Custer County 62 and Beaverhead County took 6th place with 34 points.

Local Lions Club Lobster Fundraiser a Success

The Dillon Lions Club wishes to thank everyone involved with the recent local lobster sale for all their support - especially those that purchased one or more of these live lobsters. The club uses the money from the sale to help fund local service projects and activities. We want to express our appreciation to both Womack's Printing Place and the KDBM-KBEV Radio Station here in Dillon for their excellent help in getting the word out about the fundraiser.

We're grateful to Vigilante Electric Co-Op who once again graciously allowed the club the use of their Dillon facility as the site from which club members could distribute the lobsters and cook them for those who requested.

We also thank the China Garden, Vigilante Electric, and Stockman Bank for serving as locations where members of the community could stop in to pick up their order forms.

This year marks the 20th year the Dillon Lions Club has shipped in live Maine lobsters for this local fundraiser. To those folks who asked us if the club will be doing it again next Spring, the answer is a resounding "yes!"

Alyssa Creighton of the Dillon Girls Softball Association still hopes to continue to work on the fields, but they question the availability of water. Darrin Morast spoke on behalf of the Dillon Cubs and asked about the water meters for Ray Lynch and Cubs Fields. He explained the Cubs lease the field, but it is a city park. They must make around \$8,000± a year to pay expenses. He said it would be a problem to pay for metered water and they would look to the city for some help.

Tobacco Signs: A discussion of placing no smoking signs was had and Phil Taylor presented samples of signs that might be used. The committee sent a recommendation to the council to place "no smoking" signs in the parks.

Jaycee Park projects: Todd Hazebaker reported the Jaycee Committee is working to get the permits through the State. City Attorney Dolan has completed a draft of the contract between parties involved and it will be forwarded to RayAnn Sutton.

The committee took a bus tour of all the parks with Nick Gutcheck speaking on the needs of each park. **Depot Park;** has 8 picnic tables and Director of Operations is checking on a grant from the Union Pacific to put in a fence along the back. The fence would take driving access away. A sprinkler system is needed for the park and the sidewalk along Reeder St. needs to be completed. **Westside Park;** has a power pole in the center of a sidewalk. Nick stated he would be removing the BBQ pit as it is never used, and the park needs to be ADA compliant. **Children's Park;** has a playhouse that needs to be re-shingled and refinished. The park does have a sprinkler system. **Vigilante Park;** will have changes. The current practice field will become a practice field for the varsity team and half of space will become a parking lot for the college. **Iberville Park;** needs a fence along Normal St. and needs addition of sidewalk. **Ray Lynch Park;** has 2 baseball diamonds and only 1/2 of the sprinkler system is operational. Nick stated he was able to fix sprinkler for field #1 and will continue to work on repairs for the field #2. **Walking path at YMCA;** the bus drove by the walking path around and near the YMCA. There is a drip system and the city pays for water used. *Nick Gutcheck said this is not a city park and he questions why the city has to maintain it, pay for the water, provide doggie bags and pick up the garbage.*

FIELD AND CLASSROOM ATHLETES

The 2018 Google Cloud Academic All-District® Men's and Women's Track & Field/Cross Country teams, selected by CoSIDA (College Sports Information Directors of America), recognize the nation's top student-athletes for their combined performances on the field and in the classroom.

For the second straight year, Mindy Kaufman and Tanner Lehr were selected to the CoSIDA College Division Academic All-District Team, district four for the 2017-18 season. District four is made up of schools from Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, New Mexico, Nevada, Oklahoma, Oregon, Texas, Utah, Washington, Wyoming, and Western Canada. Players are selected for both their athletic and academic prowess.

Kaufman is a junior from Alta, Wyo. and is majoring in interdisciplinary social science. She currently holds a 4.0 GPA (grade point average) and has been named to the Dean's List for six straight semesters. She has qualified for the NAIA Cross Country National Championships three straight years. This past season she finished 59th overall. This season she broke her own school record in the 5k with a time of 18:14.8 and was named to the Frontier All-Conference team. In the outdoor track season, she competed in the 5000m (18:32.02), 1500m (5:01.71), and the 800m (2:35.96). She was named Frontier Conference Athlete of the Week, and Academic All-Conference in both sports.

Lehr is a junior from Hamilton, Mont. He is majoring in health and human performance where he currently holds a 3.88 GPA. Lehr has made the Dean's List six times. This season Lehr ran personal bests in the 8k (27:02.7) and in personal best in outdoor track 5000m (16:26.04) and anchored the first Montana Western 4x400m relay team in 32 years. Lehr was named Frontier Academic All-Conference in both sports for the second consecutive year.

Both Kaufman and Lehr are now eligible for the prestigious CoSIDA Academic All-America Team, which will be announced in June.

Letter to the Editor

UM Western Professor Michael Joseph Francisconi's ongoing love affair with Marxism demonstrates how some academics suffer from memory loss about the lessons of history, past and present. Contrary to Prof. Francisconi's bold assertions, neither Karl Marx nor his murderous ideology of Marxism is compassionate, loving, and diversity acceptance. Marx thought that religious faith was "the opiate of the masses" and he hated property owners of all sizes.

My UM Missoula professors attempted to indoctrinate us with required reading of Marx's short works (The Communist Manifesto) and long works (Economic and Philosophic Manuscripts) and longer works (Das Kapital).

Whenever we challenged the ideas of Marx and the applications of Marxism, our professors would resort to this intellectually weak defense: "Well, we New Marxists are enlightened and truly smarter than the Old Marxists. Under our version and vision of Marxism, we would never create a totalitarian government."

To paraphrase the rock group The Who's lyrics, "New Boss Marxists, Same As The Old Boss Marxists!" Former communist, Yugoslav philosopher Milovan Djilas' The New Class (1957/1985) reflects The Who's lyrics. The Old Class of aristocracy and property-owners were replaced by The New Class of Marxist Bureaucrats who created special privileges of power and property for themselves. So much for Marx's classless society!

Countless labor unions (Marx's chosen class was the proletariat workers) rejected Marxism, including future Nobel Peace Prize Winner, Lech Walesa, head of Poland's shipping union and Solidarity movement that challenged Poland's Communist Government.

Countless intellectuals who lived under Communist Governments rejected Marxism. Among the most famous anti-Marxists were these future Nobel Prize Winners: writer Boris Pasternak (Doctor Zhivago, 1957), writer Alexander Solzhenitsyn (One Day in the Life of Ivan Denisovich, 1962), and physicist Andrei Sakharov (Alarm and Hope, 1978). As early as 1936, Russian-born, future global best-selling author Ayn Rand captured the horrors of Marxism in her novel We The Living.

Marxist apologists advocate this false assessment. The Soviet Union was an aberration of Marxism. Wrong! Murderous Marxism transcends generations, countries, and cultures as evidenced in Mao's Agrarian Marxist China, Cambodia's Killing Fields, and today's totalitarian North Korea.

World-class prominent historians such as Robert Conquest (The Great Terror, 1968/2008) have estimated that Marxist Communist Governments Have Murdered More Than 100 Million. (Yes, 100 Million!)

So, Prof. Francisconi, as the self-described preacher of justice and compassion, when you next praise Marxism, please do so by beginning to identify individually the 100 Million Murdered Souls!
