Letter to the Editor

On the way to our beautiful cemetery this Memorial Day weekend, we drove along what Thomsen Ave. could be renamed - Lilac/Apple Lane. The color, fragrance and exuberance of all those blossoming trees was memorable.

From where we sit, we'd like to make some observations that, to us, lead to what we see as Dillon sitting on the cusp of a new era. In preparation for such a renewal, we commend these attributes:

1) Great Harvest Franchise, 2) Patagonia Outlet, 3) our new Barrett Hospital, and many medical providers, 4) Western Montana College, with unique Experience One, 5) Western's fine Equine Program, 6) an extensive Trails System, 7) YMCA, with wide-ranging programs and pools, 8) good restaurants, 9) many family small businesses and several new businesses, 10) year round outdoor recreation opportunities, and 11) SOON! - a renovated mid-town park that will outshine any in this part of Montana.

Dillon is prepping for a fine future, and our new park will be an outstanding draw - for those wonderful summer concerts, where lunch and music re-create us from daily duties.....Shakespeare will have a great venue to continue drawing crowds of visitors.....children's laughter and play.....an amphitheater for events from holiday specials to weddings/receptions. A welcoming park is a key gathering place in any community, and it indicates a citizenry who value not only aesthetics, but what it means when people can mingle freely and find their spirits refreshed; parks are neutral ground. Children's lives are enhanced by the kind of free play a good park offers. Green grass, tall shade trees, picnic tables - these serve our sense of re-creation. Anyone who has been blessed to live where good parks exist can verify these values, and it's exciting that Dillon will have this setting to offer to those of us who live here, to folks from the area who will come to shop and enjoy park offerings, and to visitors looking for a new home or business site. We see Dillon getting ready, and it's hoped we can all look around to see what is plainly before us every day.

Now, have you bought your \$50 pickets to name your children or grandchildren?

Sincerely, Harry and Val Neeley

Letter to the Editor

Politics, politics, who should I vote for? Who will best represent me? Should I vote for a person who calls themselves a liberal or a conservative? You need to think long and hard before you vote for a man or woman who says they are a conservative. This is what the conservatives have done to you and America in the past year and a half.

Donald Trump told 2,140 lies in just his first year. The conservative health care bill, there is no bill. Just die! Betsy DeVos, Education Secretary wants to get rid of public schools. \$9.2 billion cut for public education. School lunch programs cut by \$4.7 billion. Ryan Zinke wants to give public lands to his rich friends. Conservatives added \$1.5 trillion to the National Debt. Yes, \$1.5 trillion. Tom Price, Secretary of Health and Human Services charged tax payers \$400,000 for charter air flights. Conservatives cut \$1.3 billion from Energy Efficient and Renewable Energy Office budget. Conservatives cut the E.P.A. budget by 24% and eliminated 2,000 jobs. But then the conservatives gave \$233 million to oil and gas companies to drill and mine on public lands. Conservatives gave \$28.7 million to build a new headquarters for the Afghan Ministry of Defense. Conservatives cut funds from Social Security Disability funds. In just 9 months it cost taxpayers \$147,000,000 for vacations, golf and personal services for President Trump, Mrs. Trump and their son. Mr. Trump fired 118 missiles at Syria at a cost of \$165.2 million with no beneficial results for America. Conservatives cut funds from Medicare, Social Security and the supplemental nutrition assistance programs.

This is just a sample of what the conservatives have done in less than two years. A conservative is one who says they believe that taxes should be lower and government smaller.

But it looks like a conservative is one who believes everything should be for the rich and the middle class and the working poor should fit the bill.

Finance Committee Meeting Thursday, May 31, 2018 at 2:00 p.m.

Letter to the Editor

In just a few days we will be voting for a candidate for U.S. Senate.

We need someone who will relentlessly fight for our Montana interests. As a member of the Land Board, Matt Rosendale has a proven record of doing that by expanding our access to public lands by nearly 45,000 acres. As a State Auditor, he cut 23% of the office's operating costs. He has expanded health care options for Montanans, worked towards transparency in the system and advocated for more competition and lower costs. I urge you to cast your vote for Matt Rosendale for U.S. Senate.

Documentary Sneak Preview

IN GOOD FAITH is a documentary that centers around the work of Dr. Orlan Svingen, professor of history at Washington State University (WSU), and his ongoing work with the Mixed Bands of Shoshone, Bannock and Sheepeater Indians at the Fort Hall reservation in Pocatello, Idaho. Through his decades of work with Indian tribes across the U.S., Dr. Svingen has developed strong relationships at Fort Hall and forged the creation of Indian history field schools that are conducted in Central Idaho and Southwestern Montana.

Since 2010, Dr. Svingen and his students have researched The Virginia City Treaty of 1868, negotiated and signed almost 150 years ago by Chief Tendoy. It was signed, in good faith, by the US government and tribal members, but never ratified.

Though never ratified, the US took all that was promised to them and, in return, granted the tribe an Executive Order reservation, a far cry from the terms of the treaty. Dr. Svingen, researching National Archives microfilm, found the "Holy Grail." It was the signed and sealed Cession Document that clearly laid out the parameters of the treaty and the boundaries of the lands the tribe gave up - over 12,000 square miles of territory in Wyoming and Montana.

With these findings, the Mixed Bands have started the legal process to right the wrong and proceed
