Patrick "Pat" Shafer

Patrick "Pat" Shafer, residence of Corpus Christi, TX, formerly of Dillon, MT, passed away on June 2, 2018 at Bay Area Heart Hospital at the age of 70.

Pat was born November 11, 1947 in Dillon, MT to Lois (Burt) and Stanley Shafer. Pat grew up in Dillon spending summers at "The Mine" with his grandparents, Jack and Ruth Shafer and his brother Mike. They enjoyed many adventures such as camping, fishing, hiking, hunting, boating, waterskiing, and jeeping. Pat was the oldest of 5 children: Mike (Kathy) Shafer, Jackie Shafer, Bill (Lori) Shafer, and Geneese Shafer. After graduating from Beaverhead County High, Pat married Jean Cromwell. They had 2 children: Robert Shafer and Mary Shaffer both of Columbia Falls, MT. Pat and Jean later divorced in March of 1979. Pat worked at the Dillon Glass Shop with his father, was a volunteer at the Fire Department and Search and Rescue, then later joined the Dillon Police Department.

In 1981, Pat moved to Missoula, MT to work as a glazier. There he met the "love of his life" Delores "Dee" Parker and her 3 children: Ron Parker, Kim Parker, and David Parker.

In 1982, they moved to Baytown, TX where Pat worked for Binswinger as a glazier. While in Baytown, Pat enjoyed his family, fishing, and being a member of the Elks Lodge. Pat was also known to be able to sleep through the hurricanes without batting an eye.

In 1995, they moved to Corpus Christi, TX where Pat now managed the local Binswinger Glass. While in Corpus Christi, Pat especially enjoyed playing with his grandchildren and great-grandchildren. On Sundays he enjoyed family card night, on Wednesday mornings he enjoyed spending time with his friends from the Corpus Christi Executive Association and on Fridays he enjoyed playing poker with his friends. He also enjoyed going to Charms with his wife Dee. Pat had a passion for decorating for Christmas and having the family around to share the holiday with and of course fishing!

Pat is survived by his wife Dee Shafer of 36 1/2 years; his brothers Mike (Kathy) Shafer and Bill (Lori) Shafer; sisters Jackie and Geneese Shafer; children Robert (Tonia) Shafer and Mary (Jeff) Shaffer, Ron Parker, Kim Parker, and David (Melissa) Parker; grandchildren Joseph, Anthony, Briana, Rebecka and Cody, Bryan and Katelyn, Crissy, Amber, Kirsten, Kearsten, Emily, Bryant, Greg, Jasmine, Zoe, and Emma; great grandchildren Christopher, Junior, Kaylee, Elora, and Grayson due July 2018. Pats granddaughter Jennifer Parker preceded him in death.

Pat will be dearly missed by all his family, many friends, and co-workers.

PIONEER CARE AND REHAB (previously Parkview Acres) 2nd ANNUAL SPRING CLEAN UP June 9 & 10 9 am to 4 pm

BBQ LUNCH PROVIDED

Join us at Pioneer Care and Rehab this Saturday and Sunday June 9th & 10th

WHY?: you may ask yourself should I volunteer my time to a private facility owned by a corporation?

BECAUSE our community elderly, infirm, memory impaired, and mentally ill neighbors, family and friends live here. They are cared for by some of the most caring and hardworking caregivers imaginable. This caregiving work is physically and emotionally among the most challenging in healthcare today. This caregiving work is among one of the most rewarding and amazing in healthcare today.

The finances of long term care are complicated and making ends meet is a challenge in providing long term skilled nursing day to day care to those most in need and with the least resources. We are fortunate as a community to have Pioneer Care and Rehab for our families, our neighbors, our friends. The corporation is keeping the doors open. Our volunteer work is much appreciated by the residents and staff who live and work at Pioneer and by the new owners who are motivated to keep our facility vibrant.

Join us to clean, garden, plant, haul dirt and debris, paint and generally spruce the place up. BRING YOUR WHEELBARROWS, GARDEN TOOLS AND GLOVES, CLEANING GLOVES AND BUCKETS. It's a spring clean up! Join us to clean up the home of so many who may have loved to do their own spring clean up but are no longer able. It matters. It's what community is all about.

If you have questions, if you just want to let us know you'll be coming please call Deb Johnson or Rhenda Goins at Pioneer 683 5105

Montana Western launches Bulldog Club

The University of Montana Western Director of Athletics Bill Wilson announced the launch of the Bulldog Club, a new athletics organization seeking members to provide support to the University's athletics programs.

The Bulldog Club will help strengthen current intercollegiate athletic programs offered at UMW. The new organization, which is an upgraded version of UMW booster clubs from the past, will support the entire athletic department and its student-athletes. This support is designed to enhance the student-athlete experience, as well as help increase competitiveness. The Bulldog Club will be the primary way fans will purchase their UMW season passes to home games. Supporters can join the Bulldog Club for as little as \$30. Season ticket packages begin at the \$100 level. Members will receive a monthly newsletter, window decal, exclusive Bulldog Club apparel, season passes, reserved seating, tailgating spots, and sideline passes, depending on which level they join.

"The main objectives of the Bulldog Club are to enhance the profile and visibility of UMW athletics, provide financial support to our athletics teams, and strengthen and establish positive relations with alumni, community members and friends of Montana Western," says Wilson. In addition to financial support, the Bulldog Club connects supporters of The University of Montana Western with each other.

Wilson sees community involvement as an important element of the Bulldog Club. "We have numerous relationships within the community, and the Bulldog Club will only strengthen those relationships. The Bulldog Club monthly meetings will provide a place for everyone to come together and talk about how we can all maximize our opportunities."

Wilson also hopes the Bulldog Club will enhance competitiveness. "As we elevate our athletic programs at the UMW, a big part of doing so includes ensuring student-athletes have the resources to be successful whether it's equipment upgrades, training facilities or competition facilities," says Wilson.

Those looking for more information about the Montana Western Bulldog Club or interested in becoming a member can learn more online at www.umwbulldogs.com

IN GOOD FAITH DOCUMENTARY

IN GOOD FAITH is a documentary that centers around the work of Dr. Orlan Svingen, professor of history at Washington State University (WSU), and his ongoing work with the Mixed Bands of Shoshone, Bannock and Sheepeater Indians at the Fort Hall reservation in Pocatello, Idaho.

Dr. Svingen, researching National Archives microfilm, found the "Holy Grail." It was the signed and sealed Cession Document that clearly laid out the parameters of the treaty and the boundaries of the lands the tribe gave up - over 12,000 square miles of territory in Wyoming and Montana.

With these findings, the Mixed Bands have started the legal process to right the wrong and proceed IN GOOD FAITH.

Bridge Closed

The Wisdom Ranger District has closed the bridge on Forest Road #7410 that leads from the Maiden Rock area to the Canyon Creek/Glendale area due to an unsafe bridge crossing. "The bridge has a rotted decayed deck that is unsafe for any vehicle to cross," said Wisdom District Ranger Molly Ryan. "We want our visitors to have a safe enjoyable experience when visiting the area and due to the condition of this bridge we will be temporarily closing the bridge."

Forest engineers plan to replace the bridge with a safer temporary bridge in August after threats from flooding and high water have reduced and allows for crews to safely access the bridge. Recommended alternative routes for travel in this area are to travel along the Trapper Creek road from Melrose to the Canyon Creek road, Forest Road 187.

For more information, contact the Forest Service in Wisdom at (406) 689-3243, or in Wise River at (406) 832-3178.

IN GOOD FAITH is a documentary that centers around the work of Dr. Orlan Svingen, professor of history at Washington State University (WSU), and his ongoing work with the Mixed Bands of Shoshone, Bannock and Sheepeater Indians at the Fort Hall reservation in Pocatello, Idaho. Through his decades of work with Indian tribes across the U.S., Dr. Svingen has developed strong relationships at Fort Hall and forged the creation of Indian history field schools that are conducted in Central Idaho and Southwestern Montana.

Since 2010, Dr. Svingen and his students have researched The Virginia City Treaty of 1868, negotiated and signed almost 150 years ago by Chief Tendoy. It was signed, in good faith, by the US government and tribal members, but never ratified.

Though never ratified, the US took all that was promised to them and, in return, granted the tribe an Executive Order reservation, a far cry from the terms of the treaty.

Dr. Svingen, researching National Archives microfilm, found the "Holy Grail." It was the signed and sealed Cession Document that clearly laid out the parameters of the treaty and the boundaries of the lands the tribe gave up - over 12,000 square miles of territory in Wyoming and Montana.

With these findings, the Mixed Bands have started the legal process to right the wrong and proceed **IN GOOD FAITH**.

2nd ANNUAL SPRING CLEAN UP
June 9 & 10

BBQ LUNCH PROVIDED

Join us at Pioneer Care and Rehab this Saturday and Sunday June 9th & 10th

WHY?: you may ask yourself should I volunteer my time to a private facility owned by a corporation?

BECAUSE our community elderly, infirm, memory impaired, and mentally ill neighbors, family and friends live here. They are cared for by some of the most caring and hardworking caregivers imaginable. This caregiving work is physically and emotionally among the most challenging in healthcare today. This caregiving work is among one of the most rewarding and amazing in healthcare today.

The finances of long term care are complicated and making ends meet is a challenge in providing long term skilled nursing day to day care to those most in need and with the least resources. We are fortunate as a community to have Pioneer Care and Rehab for our families, our neighbors, our friends. The corporation is keeping the doors open. Our volunteer work is much appreciated by the residents and staff who live and work at Pioneer and by the new owners who are motivated to keep our facility vibrant.

Join us to clean, garden, plant, haul dirt and debris, paint and generally spruce the place up. BRING YOUR WHEELBARROWS, GARDEN TOOLS AND GLOVES, CLEANING GLOVES AND BUCKETS. It's a spring clean up! Join us to clean up the home of so many who may have loved to do their own spring clean up but are no longer able. It matters. It's what community is all about.

If you have questions, if you just want to let us know you'll be coming—please call Deb Johnson or Rhenda Goins at Pioneer 683 5105

Bible Truth...Four kinds of faith (part 2)

---We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

Our last article spoke of *historical* faith and *trusting* faith as recorded in the scriptures.

The third usage of the term 'faith' seen in God's word is *working* faith. This faith applies to those who have become children of God by means of the spiritual birth when exercising *trusting* faith in Jesus Christ. *Working* faith brings obedience to God's command as stated by Jesus to His disciples in John 14:15, "If you love me, keep my commandments." He then told those disciples very bluntly in John 14:23-24 that those who really love Him will keep His words and that those who aren't obedient to His words don't truly love Him.

The principle is that *working* faith is motivated by love and seen in outward actions. Hebrews 11 records that the Old Testament saints proved their *trusting* faith by their *working* faith. The Jerusalem church proved their *trusting* faith by their *working* faith in carrying out the commands of Christ given in Matthew 28:19-20. Here Jesus commanded them to, "...teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe (attend carefully to and guard) all things whatsoever I have commanded you..." Notice the 3 phases of this commission: (1) teach [i.e. make disciples or followers] of all nations; (2) baptizing them, thus adding them to His church; (3) teaching those that had been saved, baptized & added to the church to keep all of His commands. The record of the *working* faith of the Jerusalem church is seen in Acts 2. First, the gospel was preached, many believed in Jesus Christ, and 3000 people became followers, Acts 2:41. Second, in the same verse it states that the church baptized these followers. Finally, they taught the doctrines of God's word to these new members thus bringing unity to the church, Acts 2:42-44.
