The city must replace the main water line on the west side &
cost will be 3± million dollars. They are filing for a TSEP grant
from the state of Mt. The application must be submitted around
June 15, 2018. The TSEP grant is offered every two (2) years by
the state. When the state receives the application, they review and
grade it. If the state okays the grant app. Then it is sent onto the
legislature for funding. This grant can amount to \$500,000.

City is asking for your help: *If the city sends signed
support letters with the application from people living in the
area, and are directly affected by the water line, it improves
the possibility of receiving grant.*

**The city is asking you to stop in at city hall and sign a
prepared letter that they will submit. Just ask one of the
clerks of anyone else in the office for the letter.**

Beaverhead Search and Rescue News

Submitted by: Mel Rice, Public Relations Officer

The month of May was a busy time for the Beaverhead Search and Rescue. It started with the Unit participating in the "Kids Day on the Big Hole" May 5th. Members Katie Kajin, Alan Holt, and Donald Smith participated for 4 hours presenting to about 75 kids a short version of "Hug a Tree". Because the Big Hole was running so high, it was determined to be unsafe for a float with the kids. That provided each station a little more time for their presentations.

Sunday May 6th, the BVHD SAR put on their annual fund raising auction. With around 75 bidders participating, Val Prophet and Dave Marsh kept them on their toes all day long. There were so many things donated this year that the auction had to be called before selling all of the items. That has provided the Search and Rescue with a storage unit full for next year's auction. Thank you to all who provided auction items, came out and participated as bidders, and to Val Prophet and Dave Marsh for their entertaining and humorous ways of getting people involved. After all expenses, the unit netted in the neighborhood of \$7500.00.

During a three day stent starting on the 17th of May, the Beaverhead Search and Rescue, under the authorization of the Sheriff's office, resumed the search for Calvin Zimdars. On Thursday the 17th, 10 dog teams and trainers searched the area without interference by other human searchers. On the 18th, horse teams were assigned to specific areas, dog teams expanded their search from the area they worked the day before, ground searchers covered significant country not covered before, ATV's, motor cycles, and UTM's drove roads looking for specific clues as to his whereabouts, and two locally owned helicopters aided from the air. The search was continued on Saturday the 19th with the same means of searching employed. With no clues showing up, the search was once again suspended. There were 29 S&R members participating during the search.

Every year two members of the Unit participate in the 5th grade Outdoor School at the UM Western facility up Birch Creek. This year on the 25th of May Brian DeMars and Russ Sigman once again presented to all participating 5th graders the "Hug a Tree" program. In the program the students learn how to take care of themselves while playing in the great outdoors. It provides them with knowledge about what they should have with them anytime they venture out and what

to do if they ever become lost.

On the 6th of June, commander, Alan Holt called the Beaverhead S&R monthly meeting to order with about 32 members in attendance. The first order of business was a recap of all the events the unit participated in. Next, Lawrence Morrisroe, training officer, discussed the annual campout training. It has been set for the 18th of August. The location has not yet been determined. Brad Wagner, communications officer, talked about a new application of cell phones that will improve communications immensely. The meeting closed with a good of the order atty boy for Jason Erickson who chaired the auction.

Letter to the Editor

I am so - happy that -President Trump is in a pardoning mood. He can pardon criminals, his friends, his enemies and of course he can pardon himself.

So I called Mr. Trump. I wrote to Mr. Trump and asked his pardon for some of my past blunders and mistakes. Now if you pardon the expression, "I didn't get a damn response!."

All I wanted was a pardon for the time I was a little kid, with my Mother and I took a candy bar off the rack and ate it without paying. I need a pardon for the time I played my music too loud just to aggravate the neighbor lady. Please pardon me for the time I was in Sunday School, I farted and the boy next to me got blamed. Please pardon me for the time I called a phone number and asked the man that answered, "is your refrigerator running?" I need a pardon for the time I mowed down my wife's petunia plants because I thought they were ugly.

Oh, Mr. Trump please pardon me for all the bad things I have said about you and written about you. They are still true that you are a bully and the poorest President this country has ever seen. It is still true your administration is the most corrupt and you make Richard Nixon look like a Saint. But other than that I do hope you pardon all the criminals in your administration.

Oh, Mr. Trump while you are in the pardoning mood please pardon me for paying any more taxes so the rich can get richer!

Pardon me for writing this but there is nothing like absolution! Isn't that a drink?

LaVon Brillhart

Beaverhead Motors Helping the Community

Karl Tyler's Beaverhead Motors will be supporting the Jaycee Park Renovation Project by donating \$100.00 from every new or used car, truck, or SUV sold during the months of June and July 2018. We will also donate \$50.00 for every motorsport vehicle sold. This renovation will bring more people to our downtown area and boost our economy. Like many other businesses in town, Beaverhead Motors is committed to giving back to our community where possible.
