## Bvhd Outdoors Assoc. 2018 Kid's Fishing Derby June 16

The Beaverhead Outdoors Association in cooperation with Montana FWP will be sponsoring the 2018 Kids Fishing Derby, June 16, at the Blacktail Kid's Fishing Pond in Dillon. Registration for the event will begin at 9 am and the fishing derby will run from 10 am to 1 pm. 1st, 2nd, and 3rd place prizes will be awarded in two age groups: 1-9 and 10-14, along with a grand prize for the biggest fish caught. A FREE lunch including beverages will be provided from 12 noon to 1 pm. Also, a new fishing pole and reel will be awarded to the kids who catch one of the first 15 fish of the day. For more info, contact Gene Loder at (406)925-1811.

## Wildflower and Pollinator Walk at Lemhi Pass - June 24

National Pollinator Week is June 18th to 24th this year. Come celebrate with a walk at beautiful Lemhi Pass southwest of Dillon on the Continental Divide on Sunday, June 24, with local pollinator and plant experts. The Calypso Chapter of the Native Plant Society in conjunction with the Beaverhead-Deerlodge National Forest are hosting this event, with experts from Montana State University and the Rocky Mountain Research Station providing pollinator and plant identification expertise.

This family friendly event is free to all and designed to help those interested in learning more about the local flora and pollinators. Participants can walk at their leisure at several stops along the way.

If you are planning to join in, dress for inclement weather and bring a lunch, water, rain gear, sunscreen and a camera. If you have wildflower field guides and magnifying lens, bring them along, as they are helpful, however, there will be additional ones to share on the tour.

Those interested should meet at the Forest Service office in Dillon located at 420 Barrett Street at 9 a.m. Carpooling is encouraged. Attendees may return home when they please, but the event will likely run until 2 or 3 p.m. before returning home.

For information, contact the Forest Service at (406) 683-3900.

## Annual Wildflower Tour of Gravelly Range Set for July 5

The Forest Service will sponsor its 21st annual wildflower tour of the Gravelly Range on Thursday, July 5, starting at 9 a.m.

The free tour winds through the Gravelly Range in Madison County which is noted for a spectacular, high-elevation display of wildflowers. Forest Service employees on the tour will help identify plants seen along the way. Officials note that each year brings its own set of growing conditions, producing an always plentiful and varied show of wildflowers.

The tour will begin at the Forest Service office in Ennis and proceed toward the Gravelly Range. Participants generally drive their own high-clearance vehicles, but can catch a ride with others if they don't want to take their own vehicle. Attendees are advised to dress for inclement weather and bring their lunch and water.

For information, contact the Forest Service in Ennis at (406) 682-4253, or check out the Beaverhead Deerlodge National Forest Facebook page.

## JAYCEE PARK RENOVATION UPDATE

The Jaycee Park Renovation Project is moving forward. The committee is excited to announce that they have received a \$20,000 grant from the Dennis & Phyllis Washington Foundation. There is pre construction meeting this week for the playground. The plans have been sent in and we are waiting on permits for the splash pad and changing room. The process is slower than some of us would like, however it is moving forward. The project proceeding and seceding is not tied to the City getting the park district to go through for the budget of the city. We are working with some amazing people locally in all areas to get this complete, thank you DILLON!

## City Council June 6, 2018

By: MJ

All council members were present with exception of Councilperson O'Rourke. The council moved to excuse her as she was out of state.

**City Attorney:** Mayor Klakken asked for the attorney's opinion as to whether a member of the Dillon City council, acting as a chairperson on one of the standing committee, may exercise a vote over any matter coming before one of the committees. Mr. Dolan reported that the State statute permits councils to establish procedural rules and/or bylaws for their operations. The Dillon City Council has authority to adopt rules of procedure for itself, and by extension, and committees wholly comprised of Council members. The council has adopted Roberts Rules of Order as the procedural process they will follow. The Roberts's Rules of Order Newly Revised, 10th Edition expressly allows the chairperson to vote on a small board and/or committee. Mr. Dolan stated that the Dillon City Council has authority to change this rule pursuant to §7-5-4103.

**Director of Operations Report:** Street and Alley personnel. Nick Hoem & Dale Peterson have been working on the Sebree Street paving project. Donovan Hucke and J.D. Ferris have done a great job in patching potholes and are in the final weeks of getting completed. **Parks;** Nick Gutcheck continues to maintain the parks. **Water/Sewer;** Jason Johnson, Stan Roder & Rob Dumke have been sampling and completing various required activities. Eric Rude has been using the new GIS system to mark manholes through the community. Rob Dumke attended water school June 5th & 6th. They have been working on fire hydrants and waterline on the UM Western campus. **City Bus;** Mr. Tom Danenhower from MMIA insurance gave a presentation on the work compensation system and the various programs that MMIA provides at the special safety meeting May 31st. **Cemetery;** Riley Martello, Kyran Allen and Danny Devers continue to work on the new water system for expansion of cemetery.

**Ordinances, Charts & Other Issues Approved:** 1) First Reading of and Ordinance Creating Chapter 2.80 Entitled "Records and Information Management Program" establishing the duties and responsibilities of City personnel with respect to city records. 2) Ordinance amending DMS Title 1 to revise chapter 16 - ward descriptions. 3) The Dillon Organizational chart was approved. 4) Council approved recommendation to hire an engineer to investigate installing a 200 unit pump station between Beaverhead River, Selway Drive, and the City limits at Highway 91N. 5) approved recommendation to move the road into the Waste Water Treatment Plant 100 ft north.

## BEAVERHEAD OUTDOORS ASSOC. MEETING

The Beaverhead Outdoors Assoc. is holding its monthly meeting at the Search and Rescue Building on Thursday, June 14th at 7:00 pm. On the agenda is the kids Fish Derby at the Kids Fish Pond, Saturday June 16th.

## RED HAT SOCIETY NEWS

The Red Hat Belles celebrated their 15th Anniversary as an established chapter of the Red Hat Society this month. Co-hostesses, Alyce Wassall and Barb Schrader invited the ladies to Barb's house on June 12th for lunch and games. Nineteen ladies were able to attend including Irene Miller who was welcomed back as a member.

Barb's table was decorated with a small Happy 15th Anniversary sign and decorated Red Hat cake made by Brit's Bake Shop.

Each lady was given her choice of a Red Hat pin, cleverly and beautifully made by Barb and Alyce. The first game played was to guess how many candies in each of three jars of candy. Winners were Joanne King (jar #1), Mary Staples (jar #2) and Bonnie Baker (jar #3). The second game played was to make words of three or more letters out of "Red Hats". Winners were Diana Carroll (most words-29) and "Pete" Tarleton (longest word-hearts). Door prizes went to Irene Nesgoda and Sylvia Roberts. Congratulations to all prize winners!

A delicious buffet style lunch was served by Alyce and Barb consisting of lasagna, chicken alfredo, garlic bread, fruit salad and pistachio salad. Of course, dessert was cake and ice cream.

After a short discussion, it was unanimously decided due to family visits etc. that we should skip July and August and resume in September. Irene Nesgoda and Mary Staples volunteered to co-host at that time. Thank you Irene and Mary.

Thank you Barb and Alyce for all the work you put into this event. You made it so very special for us. Thank you to Brit's Bake Shop for that yummy cake. Last but not least, thank you to the drivers who provided transportation to and from Barb's house.

## Letter to the Editor

If I had one reason to give Montanans to re-elect Jon Tester it is this. He is a fighter. He will fight for both sides of the isle.

This year Senator Tester has introduced bills (15 of which have been signed into law) for better, more accessible care choices for all veterans.

Mr. Tester supports Net Neutrality to keep equal access to the internet for all Montanans.

Jon Tester is sponsoring the "Transporting Livestock Safely Across America Act" which gives livestock haulers more drive time to get their live cargo safely to the destination. This reduces livestock loss and the total costs for everyone.

Our Senator Jon Tester has also secured major funding to keep MT Community Health Centers open and running after some in Congress let the funding lapse. Even if you don't have insurance the CHC care is affordable.

That was 5 reasons to re-elect Jon Tester to the U.S. Senate. Five very good reasons.

Jon Tester is our man. If you want a man who listens, Tester is the one to vote for. Don't forget to make sure you are registered to vote.

## Beaverhead Conservation District Tidbit- 310 Permits

What is a 310 permit? The simple answer is a permit to do any type of work that impacts a perennial stream or river. Unfortunately this simple answer gives rise to many more questions, such as:

What is a perennial stream? Who needs a permit? What qualifies as work? What qualifies as an impact? Who issues the permit? How does one apply? Read on for a quick primer!

What is a perennial stream? Conservation districts define perennial streams as any stream which naturally flows throughout the year, including all portions of streams that may contain sections that run dry at some point during the year. All projects on rivers require permits.

Who needs a permit? Everyone doing work in streams on private lands! Public lands projects go through the 124 permitting process instead of the 310 process.

What qualifies as work or an impact? Work that requires a 310 permit includes bank stabilization, bridge and crossing construction, in stream diversions, dams, culverts, headgate installation and maintenance, and more. Anything that has to do with adding or subtracting material from the stream or its banks. Streams are dynamic systems that are constantly changing. Impact is anything that may alter or disallow the stream from naturally evolving or interrupt natural flows. If you have questions about whether or not your project qualifies, contact your local conservation district.

Who issues the permit and how does one apply? Conservation districts issue 310 permits. In order to apply one must complete the joint application which may be obtained through the conservation district. The application process is simple, but is subject to public notice laws therefore applications must be submitted to the district by the Thursday before the monthly meeting to be considered that month. After an application is received the project must be inspected by conservation district supervisors and the local Fish, Wildlife, and Parks biologist. After the inspection the project will be presented and voted upon at the monthly district meeting which is held on the third Thursday of each month at 6:00 pm in the USDA conference room. If you have questions or would like more information contact Jamie Cotton at the Beaverhead Conservation District, 683-3802 or beaverheadcd@gmail.com.

### "Trail of Trees" Tour Thursday Evening, June 14 at 6:30 PM

On Thursday June 14 the Dillon Tree Board will partner  
with the Beaverhead Trails Coalition and Bike Walk Montana  
Inc. on a "Trail of Trees" tour of some of Dillon's most beautiful  
trees. The tour will start at 6:30 PM at Jaycee Park. People  
interested in walking or biking the "Trail of Trees" are welcome  
to participate. There is no charge for the tour, just come and  
enjoy some light exercise, have fun, and learn about the different  
species of trees that can be found here in Dillon.

There are 13 different species of trees along the trail. The  
tour will take approximately 30 - 45 minutes to complete.  
The "Trail of Trees" brochure can be found at your local  
nurseries, City Hall, Chamber of Commerce and on line at  
www.dillontrees.org Copies of the brochure will be passed  
out before the tour begins. If you have questions please  
contact Jason or Tim at 406-683-6305.

### Co-Ed City League Softball

Any individuals interested in playing co-ed city league  
slow pitch softball please join us at Ray Lynch Park on  
Thursday, June 14 at 6:00 PM. Games will be played on  
Thursday evenings through July. To sign up an entire team  
contact Susanne at 660-1415.

# THE PURSUIT OF ENDURANCE

HARNESSING THE RECORD BREAKING POWER  
OF STRENGTH AND RESILIENCE

with author Jennifer Pharr Davis

National Geographic Adventurer of the Year and record setter of  
the Appalachian Trail's fastest known time

**Friday, June 15th @ 6:30 p.m.**

**Patagonia | 16 S. Idaho St. | Free and open to all.**

In her latest book *The Pursuit of Endurance: Harnessing the Record Breaking Power of Strength and Resilience*, Jennifer Pharr Davis reveals the secrets and habits behind endurance as she chronicles the incredible accomplishments of leading athletes in the world of endurance hiking, backpacking, and trail running. With a storyteller's ear for detail and description, Davis distills complex rituals and histories into easy to understand tips and action items that will empower readers to leverage new-found grit and achieve personal bests in everything from sports and family, to the boardroom. Jennifer's hour-long program will involve storytelling, slideshows, readings from her book, and Q&A. Following the program, Jennifer will sign copies of *The Pursuit of Endurance*.
