HELP NEEDED TO WATER

The Beaverhead Trails Coalition, Fish Wildlife and Park and Montana Department of Transportation have worked tremendously hard to bring you the newest accomplishment for Dillon outdoor recreation: Selway Park and boat ramp!!!!

If you haven't seen this new park yet, I would like to invite you to check it out at the corner of Selway Dr and Laknar Ln, or look at the pictures on our website: https://www.beaverheadtrails.org/laknarselway-public-park/

Now that construction is done, our team of volunteers are working on re-vegetating the area with native grass and that's where we need your help!

We have 2 areas, (soon to be 3) that need 20-30 minutes each twice a day for the next few weeks! It's a lot of work on only a few volunteers so we are recruiting help to spread the load. Even if it is only for a couple of days, this would really help us!

Please help us make this public space successful and beautiful!

You can also find an online schedule to give us your availability at: https://doodle.com/poll/rhq2eh2m6tek3x2x

Thank you so much for your contribution!

Cheers and see you soon at Selway Park,
BTC team of dedicated volunteers

Montana Department of Justice Announces New Webpage and Hotline for Sexual Assault Survivors

As part of its Sex Assault Kit Initiative (SAKI), the Montana Department of Justice has developed a new webpage and hotline for survivors of sexual assault. Both the webpage and the hotline were designed to make it easier for sexual assault survivors to connect with the resources and support they need to heal.

The webpage, featuring a video message from Attorney General Tim Fox, can be found at www.dojmt.gov/SAKI. It includes:

Links to survivor resources, including an interactive map to locate nearby services;

Crisis phone numbers and contact information for local victim advocates;

Explanations of community-based advocate and system-based advocate roles;

Confidentiality information;

Progress updates on the SAKI Task Force/Initiative; and

Sexual Assault Response Teams locations.

Soon, the webpage will feature a kit tracking system, allowing survivors to monitor the progress of their sexual assault kit in the testing system. This function will provide a greater level of visibility into how sexual assault kits are processed. The kit tracking system is designed to ensure anonymity and confidentiality for survivors.

In the meantime, survivors can access the newly developed hotline, 1-888-KIT-LINE, or SAKI e-mail service ContactSAKI@mt.gov, for more information on the status of their sexual assault kit. These new services are specifically for survivors who completed a sexual assault exam in Montana between 1995 and 2015, but do not know if their kit was tested. The hotline does not operate like a crisis line; callers are directed to leave a voicemail in order to receive a return call from the SAKI Advocate.

"The goal is to provide information to sexual assault survivors in ways that minimize revictimization trauma, address the issue of untested sexual assault kits, and connect survivors with resources and professionals who can assist them with healing and potentially moving forward with their cases," Attorney General

Tim Fox said. "Our SAKI and IT teams did an outstanding job of finding ways for survivors to receive information in a manner and at a time appropriate and convenient for them," Attorney General Fox added.

Survivors may also use contact information provided on the website to opt in or opt out of case information by letting the agency's SAKI Advocate know their wishes for involvement in their case or preferred notification method. For more information, contact the SAKI Advocate at 1-888-KIT-LINE or ContactSAKI@mt.gov.

Beaverhead Motors Helping the Community

Karl Tyler's Beaverhead Motors will be supporting the Jaycee Park Renovation Project by donating $100.00 from every new or used car, truck, or SUV sold during the months of June and July 2018. We will also donate $50.00 for every motorsport vehicle sold. This renovation will bring more people to our downtown area and boost our economy. Like many other businesses in town, Beaverhead Motors is committed to giving back to our community where possible.

Wildflower and Pollinator Walk

National Pollinator Week is June 18th to 24th this year. Come celebrate with a walk at beautiful Lemhi Pass southwest of Dillon on the Continental Divide on Sunday, June 24, with local pollinator and plant experts. The Calypso Chapter of the Native Plant Society in conjunction with the Beaverhead-Deerlodge National Forest are hosting this event, with experts from Montana State University and the Rocky Mountain Research Station providing pollinator and plant identification expertise.

This family friendly event is free to all and designed to help those interested in learning more about the local flora and pollinators. Participants can walk at their leisure at several stops along the way. If you are planning to join in, dress for inclement weather and bring a lunch, water, rain gear, sunscreen and a camera. If you have wildflower field guides and magnifying lens, bring them along, as they are helpful, however, there will be additional ones to share on the tour.

Those interested should meet at the Forest Service office in Dillon located at 420 Barrett Street at 9 a.m. Carpooling is encouraged. Attendees may return home when they please, but the event will likely run until 2 or 3 p.m. before returning home.

For information, contact the Forest Service at (406) 683-3900.
