Harold Frederick Grogan

Harold Frederick Grogan, age 87, passed away on June 23, 2018 at Pioneer Care and Rehab in Dillon. He was born May 18, 1931 to Manchie and Mattie Grogan in Kansas City, Kansas .

Harold was hard working, responsible, and caring. He delivered newspapers as a kid in Kansas City, Kansas; managed a produce department for Safeway in Los Angeles, California, served our country by joining the US Army, then began barbering in Fresno, California along with working in a bakery and early mornings making donuts! He then moved to Tacoma, Washington with the Army, then moved to Dillon, Montana in 1963 to resume his barbering career. He retired in 1994.

Harold served two tours for the US Army, the last at Fort Lewis, Washington. He was proud to have served his country. After his discharge he and Leta moved to Dillon where he worked in 5 barbershops and owned 3 of them. He worked off rent from Christiansen Ranch by making house improvements and sitting on the tractor. Always looking for efficiency and ways to improve his business, he was the first barber to set up scheduled appointments and later offered "hair styling", permanents, ear piercing, and anything else that could be sold from the barber chair. No one was a stranger to Harold and he had a gift of gab, which was perfect for his barbering career.

Harold cared about his community and was a Dillon Jaycee in his younger years. He especially cared about veterans and made sure they were taken care of or had a job. People who did not have a place to go for Thanksgiving or holidays were always invited to come to his house. He gave haircuts at the nursing home and at the Twin Bridges Orphanage. Some of the orphans would trade with him for hair products, sometimes offering fresh trout for his services! He even brought a few kids home with him. In retirement years, he volunteered at Bannack State Park showing his extensive collection of razors and barbering tools and offering old time hair cuts. He and Leta were so proud of their commitment to Bannack that they held their 50th Wedding Anniversary Vow renewal ceremony at the park, during Bannack Days. He was always working on improving, and hosting friends and family, at the Elkhorn cabin. They spent their early retirement years

Masonic AED Program update

The Masonic AED Program has been completed in Dillon, and the Dillon Masons would like to thank those caring and concerned people and businesses who supported us. Paul Craft is especially to be thanked for all he has done. Sixteen AED units have been placed in the Dillon area and are as follows. These are in addition to the ones already placed. The new locations are: Dillon Liquor Store, Kristy's NV Salon, Crossfit, Travis Welborn's Aqua Haul @ Fire Services (2 units), City of Dillon (2 units), Beaverhead Golf Course (2 units), Identity Hair Salon, Murdoch's, Les Schwab, Rocky Mountain Supply, Pioneer Savings & Loan, and one unit at the Masonic Lodge which can be checked out by any responsible group.

We certainly hope none of these units ever have to be used, but unfortunately statistics do not bear this out. Thanks again to Great Harvest for making this possible and all the Lodge members for all their work. Youth Challenge passed out flyers prior to the Great Harvest bake sale last September as well. Thank you Dillon, for your support.

City Council June 6, 2018

By: MJ

All council members were present with exception of Councilperson O'Rourke. The council moved to excuse her as she was out of state.

City Attorney: Mayor Klakken asked for the attorney's opinion as to whether a member of the Dillon City council, acting as a chairperson on one of the standing committee, may exercise a vote over any matter coming before one of the committees. Mr. Dolan reported that the State statute permits councils to establish procedural rules and/or bylaws for their operations. The Dillon City Council has authority to adopt rules of procedure for itself, and by extension, and committees wholly comprised of Council members. The council has adopted Roberts Rules of Order as the procedural process they will follow. The Roberts's Rules of Order Newly Revised, 10th Edition expressly allows the chairperson to vote on a small board and/or committee. Mr. Dolan stated that the Dillon City Council has authority to change this rule pursuant to §7-5-4103.

Director of Operations Report: Street and Alley personnel. Nick Hoem & Dale Peterson have been working on the Sebree Street paving project. Donovan Hucke and J.D. Ferris have done a great job in patching potholes and are in the final weeks of getting completed. **Parks;** Nick Gutcheck continues to maintain the parks. **Water/Sewer,** Jason Johnson, Stan Roder & Rob Dumke have been sampling and completing various required activities. Eric Rude has been using the new GIS system to mark manholes through the community. Rob Dumke attended water school June 5th & 6th. They have been working on fire hydrants and waterline on the UM Western campus. **City Bus;** Mr. Tom Danenhower form MMIA insurance gave a presentation on the work compensation system and the various programs that MMIA provides at the special safety meeting May 31st. **Cemetery;** Riley Martello, Kyran Allen and Danny Devers continue to work on the new water system for expansion of cemetery.

Ordinances, Charts & Other Issues Approved: **1)** First Reading of and Ordinance Creating Chapter 2.80 Entitled "Records and Information Management Program" establishing the duties and responsibilities of City personnel with respect to city records. **2)** Ordinance amending DMS Title 1 to revise chapter 16 – ward descriptions. **3)** The Dillon Organizational chart was approved. **4)** Council approved recommendation to hire an engineer to investigate installing a 200 unit pump station between Beaverhead River, Selway Drive, and the City limits at Highway 91N. **5)** approved recommendation to move the road into the Waste Water Treatment Plant 100 ft north.

Letter to the Editor

Dear Commissioners:

As one of the nearly sixty landowners living in or adjacent to the Torrey Mountain Subdivision in the Grasshopper Valley, I am writing this letter to complain about the maintenance on our access roadway in to the privately maintained roads of the subdivision. The road is currently dangerous, since all traffic uses only one lane on a nearly blind corner just at Grasshopper Creek. Furthermore, the excessive runoff this Spring and a clogged culvert created a scenario where water washed over the road for the better part of a month contributing to the deteriorated condition it now represents.

Previous complaints about this same roadway have been deflected by the Beaverhead Country Commissioners, who claimed that the U.S. Forest Service is responsible for the upkeep on that roadway, and thus suggested the residents take up the issue with USFS representatives. However, as a tax paying resident of Beaverhead County, and a regular voter for County Commissioners, I am convinced that it is, indeed, your responsibility to deal with this issue, as our elected representatives. You should be dealing with the USFS as a body, not us as individuals. That is why you were elected.

Secondly, even though I have lived here full-time for the past twenty-three years, and owned property in the Torrey Mountain Subdivision for thirty years, I fully understand the constant struggle to find proper funding to maintain Beaverhead Country roadways. Having said that, however, I must also point out that during the past ten tax years (2008-2017) I have personally paid more than $48,000.00 in property taxes, which I submit is probably enough to do proper repairs to the road. Again, I am only one of nearly sixty property owners who use this road to access their property, so the total amount of taxes from this small community is significant. Since persons in the County Treasurer's Office claim that we are paying the highest tax rate in the County, because our property is so desirable, I would think you should be responding to those of us who are getting fed up with what we get for our hard-earned tax money.

When you drive out to see what we live with, bring a pickup, because you don't want to damage your town car.

Letter to the Editor....LaVon D. Brillhart..228 W. Morse St/ Dillon MT. Phone 683-2860...6/25/18

What are we going to do about the whole problem? No, I mean the hole problem! Yes, potholes! There are at least a zillion pot holes in America. We have enough pot holes to stretch from your favorite pot hole to the planet Ewoglinwgvoz. Last week I saw four men playing golf in a pothole. I yelled at them. They told me all had a hole in one.

Who creates these potholes? Some say it is the car companies who want to sell you extra parts that fall off. Without a doubt the supervisor for pot holes is named Chuck. Chuck is in charge of the hole operation. His friends call him the potentate of pavement caused by the presence of water in the underlying soil structure. Now I can really relate to asphalt. It was the day I fell into a pothole.

Let me tell you! Once I had a pot without a hole. Or was it I had pot that was whole or was it I had a hole that wasn't a lot? I did take a potshot at buying a pot hole. I didn't have enough cash. So I had to borrow a hole lot of money. You do know potholes are for sale? You can rent a chuck hole. Potholes are now taking over this country. Last week I saw a woman with pot holders selling potpourri and I saw a man with a pot belly and a big pot hole.

Pot holes do multiply. Potholes grow larger every day. The potholes in Montana are out of control. The N.P.A.,National Pothole Association is protecting these holes. It is some kind of plot. You know plot holes!

In some states you get arrested for pot. So if you have a pothole in front of your house you'd better watch out. Call the Pot Hole Orifice to find out your rights. Hope you do have potluck. I know this is a hole mess!!
