Lakota Lore Book Signing

The Bookstore will be hosting author Mark Lewing on Saturday, June 30th from 1:00-3:00. Mark will be signing copies of "Lakota Lore". Lewing, a retired forester, found his background in the outdoors led him to an intrigue about the Native Americans and their way of life. His late wife, Alyce had Oglala Lakota bloodlines and he felt she and their children should know about their rich heritage. "Lakota Lore" explores the history and culture of the Dakota Nation with emphasis on the Lakota branch of the tribe, the largest of the three. The reader will learn of spiritual beliefs and legend, genealogy and daily community life. Which gives the background on how the Dakota Nation developed into the greatest fighting force on the northern plains, the only Native American presence significant enough to back down the United States of America. Included in the book are chapters that deal with movies that are available today and literature that can be accessed to further expand on the subject. While the book does provide historical information, the Indian Wars and the reformation years are only referred to peripherally. A five page bibliography serves to prove that this compendium offers the most complete treatise on the subject available today. A twenty page color picture section provides further background to round out the text.

The author explores the belief that heritage is not determined by culture or bloodline or the percentage thereof. Rather, heritage is a part of identity and to acquire it means to know it, to be aware of all it entails, its history, its culture, whether practiced to any degree or not.

benchmarks. Our providers, nurses and staff perform at a higher standard of care, which has been validated by this award and honor," stated Ken Westman, CEO Barrett Hospital & HealthCare. "We take tremendous pride in improving the health of all who place their trust in our care and want to be the healthcare provider that comes to mind first when you and your family think about your healthcare needs."

The determining factors for the Top 20 CAHs were based on the results of the Hospital Strength INDEX® and its eight indices of performance including inpatient market share, outpatient market share, quality, outcomes, patient perspectives, operating costs, patient charges and financial stability. This elite group was selected from The Chartis Center for Rural Health's 2018 Top 100 CAH list, which was released earlier this year. Maria Koslosky, Chief Quality & Compliance Officer for Barrett Hospital & HealthCare, says "Whenever possible, we measure our results against statewide and national standards. This helps patients better understand how we perform compared to other hospitals. We are humbled to be recognized again as a national award-winning Critical Access Hospital for quality, safety, patient experience and value." The 20 highest ranked CAHs in the country, as determined by The Chartis Center for Rural Health, were announced by the National Rural Health Association (NRHA). An awards ceremony

Thank You So Very Much!

When the Lord suddenly called my dear old cat Muffin home, Dr. Bob Braun interrupted his Friday night activities to make Muffin's last minutes painless. Thank you Dr. Braun and the Small Animal Hospital!

When I couldn't find a landlord who would allow my special friend, Brenda Womack came to our rescue. In ten years, Muffin never created one ounce of damage of any kind. Thank you Brenda!

Thanks to both Dr. Braun and Brenda Womack for your compassion and support of our community. May God be with you both!

WIZARD OF OZ THANK YOU

The Dillon Friends of the Library and Dillon Friends of Music want to thank everyone that helped make our Wizard of Oz movie sing a long such a success. We could not have done this without the help of many. Stan at Big Sky Cinema provided us the venue and gave out free popcorn and soda to attendees. Womack's Printing distributed our posters. The sound system was provided by the Bannack Association and Debbie Sporich and KDBM regaled us with Wizard of Oz trivia. So many people provided food for our bake sale, what a bounty of offerings we thank Fran Schissler and the retired teachers for answering our call.

Raffle items were donated by Byron and Kathleen Martinell, Bliss Salon, Dillon Concert Association, The Bookstore and Dillon Friends of Music. Many people volunteered to help us set up, decorate, take tickets, sell concessions, tear down and clean up. Volunteers helped assemble goodie bags that were free to the movie goers. The Dillon Public Library provided the prizes for the costume contest, Mayor Mike Klakken portrayed the mayor of Munchkinland and the girl scouts ran the bake sale. John and Liz Garry provided "witchy" water and Adele Hansen added her creative flair to the munchkin costumes. With special thanks to Arlis Vanett who chaired this event with help from Cathy Speich-Ferguson, Jackie Clark and the staff of the Dillon Public Library. So many unnamed heroes helped us pull off this (what we hope will be) an annual event and none of this could happen without the people of Dillon showing their support.

Annual Wildflower Tour of Gravelly Range Set for July 5

The Forest Service will sponsor its 21st annual wildflower
tour of the Gravelly Range on Thursday, July 5, starting at 9 a.m.

The free tour winds through the Gravelly Range in Madison
County which is noted for a spectacular, high-elevation display
of wildflowers. Forest Service employees on the tour will help
identify plants seen along the way. Officials note that each year
brings its own set of growing conditions, producing an always
plentiful and varied show of wildflowers.

The tour will begin at the Forest Service office in Ennis and
proceed toward the Gravelly Range. Participants generally drive
their own high-clearance vehicles, but can catch a ride with others if
they don't want to take their own vehicle. Attendees are advised to
dress for inclement weather and bring their lunch and water.

For information, contact the Forest Service in Ennis at (406)
682-4253, or check out the Beaverhead Deerlodge National Forest
Facebook page.

Bible Truth...Who are the walking dead?

---We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

If you used the expression "The walking dead", most people would think you are referring to a TV program with that title. It is a purely fictional series, but according to the Bible there are millions who are truly part of a group referred to as *the walking dead*. Who are these people? Consider the following scriptures carefully to be sure you are not among this group.

Colossians 2:13a refers to the Christians there as once being "dead in your sins" but that "he (Christ) has quickened together (made alive) with him, having forgiven your trespasses."

Being dead in sins refers to spiritual separation from God. Without receiving forgiveness a person's destiny is eternal fire.

The same principle is stated in Ephesians 2:1-2, "And you he has quickened, who were *dead in trespasses and sins*. Wherein in time past you *walked* according to the prince of the power of the air (satan), the spirit that now works in the children of disobedience (unbelief & abstinence)."

These references make it clear that all those whose sins have not been forgiven are among *the walking dead*! Paul declared to these Christians in Ephesus, "But God, who is rich in mercy, for his great love wherewith he loved us, even when we were *DEAD IN SINS*, has quickened us (brought us to life) with Christ, [by grace you are saved.]"

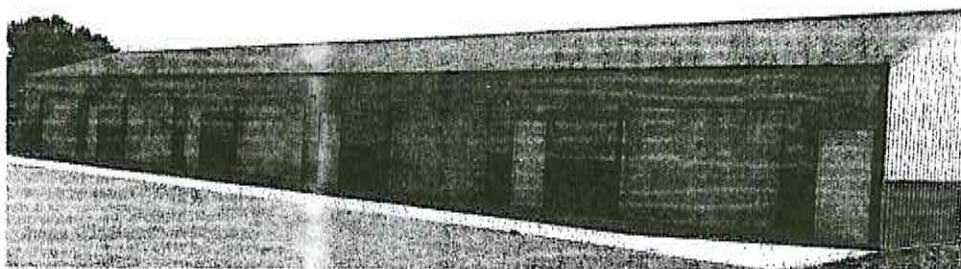

These walking dead are referred to as children of wrath because they have not believed in Jesus Christ as their personal Savior. Jn. 3:36 makes this clear in stating, "He that believes on the Son has everlasting life: and he that believes not the Son shall not see life; but the wrath of God abides on him."

Conclusion: Christ grants forgiveness of sin to the walking dead that put their faith in Him. He removes all condemnation from them and makes them alive in Christ. **ARE YOU AMONG THE WALKING DEAD??**

Meet Barrett Hospital & HealthCare's Pre-Authorization Team

WHO ARE THEY?

They are funny, spontaneous, adventurous, creative women who are dedicated to patients, their families, and co-workers. They volunteer in the community, mentor young adults, crochet, paint, make origami and pottery, are fabulous cooks, hike, fish, love animals, terrific party planners, are kind and terrific problem solvers. They are mothers, daughters, and one is a grandmother.

WHAT DO I LOVE ABOUT WORKING AT BARRETT HOSPITAL & HEALTHCARE AND BEING A PATIENT FINANCIAL ADVOCATE?

"I love working at Barrett Hospital & HealthCare, everyone is so caring and has the best interest of our patients in mind. I love helping people in our community." – Dora

"I love being an advocate for patients because I enjoy being in the service of others, and playing a small, but important part of their healthcare experience here at Barrett Hospital. I am lucky to work for an organization that has such a strong vision for improving the lives of every patient who comes through our doors. We have a phenomenal team of men and women dedicated to serving Dillon and the surrounding areas, and I am blessed to be a part of it." – Amara

WHAT DO THEY DO?

They are advocates for the patients! Insurance companies determine what services do and do not require authorization and that varies from company to company and plan to plan. These ladies are dedicated to helping patients navigate this maze and work with the insurance companies to make sure patients receive the benefits they are entitled to. Insurance deductibles, co-pays, co-insurance, and pre-authorization requirements are daunting to a healthy person, let alone someone who is experiencing health issues. Every effort is made to inform patients about what they can expect financially for those planned "big ticket" items.
