Henry "Heinie" Kenneth Richardson, 87

Henry "Heinie" Kenneth Richardson, 87, was one of 10 children born to Walter and Marie Richardson in Bannack, Montana on May 16, 1931. Heinie passed away on July 1, 2018, with his family by his side.

Heinie was proud of his roots growing up in Bannack and jokingly referred to himself as an "SOB" Son of Bannack. He attended grade school in Bannack and high school in Dillon graduating from Beaverhead County High School. He enlisted in the Navy where he served four years on the U.S. Estes during the Korean War.

After the war, Heinie returned to Dillon and enrolled in Western Montana College where he earned his secondary education degree in history. During this time, he met Rosalee Bastian. They were married and later divorced. Coming from this union were two children, Michael Walter and Kim Lorraine. Heinie worked at Hofferber's Tire Shop their early of years of marriage. He later went to work for Vigilante Electric where he served as a lineman and retired from there as line superintendent after 32 years in 1993. He also was a member of the Dillon Volunteer Fire Department for 27 years. Heinie enjoyed fishing, hunting, going to Jackpot, hosting backyard barbeques, watching the New York Yankees and telling countless stories and jokes. Heinie had a heart of gold who would do anything for anyone in need.

Heinie was preceded in death by his parents; brother, Donald; sister, Janet; sister, Ruth; brother, Charlie; brother, Swede and grandson, Kyle Salmonsens.

Heinie's first love was his family. He leaves behind his son, Mike (Candi) Richardson of Dillon and daughter, Kim (Jim) Salmonsens of Butte as well as grandchildren Brady and Kadi Richardson, Casey Schilling (Shalyssa Leggitt) and great grand-daughter, Karey Ann Salmonsens.

Heinie's surviving siblings are Norah (Don) Elliott, Barbara (Neil) Benson, Patti (Russell) Peterson, Donna (Don) Rude and sister in laws, Jackie Richardson and Liz Richardson.

Memorials can be made in Heinie's name to the Dillon Volunteer Fire Department or Dillon Cubs Baseball.

Funeral services will be at 2PM, Tuesday, July 10 at the Brundage Funeral Home in Dillon with a luncheon immediately following at the Dillon Elks Lodge.

The Naked Truth of the Spirit Ride "Spirit" Passing through Dillon

When the Spirit Ride passed through Jackson, Michigan on June 24th last year, TV journalists had the option of covering a uniquely American ceremony honoring fallen first responders, or, a naked woman riding a motorcycle on the highway nearby. Where do you think the cameras went?

Well, the NBC affiliate, channel 10 WILX, covered the Spirit Ride. Aside from truck processions that often stretch into a parade of 100 trucks or more, each Ride features a ceremony both solemn and celebratory in nature.

Spirit Ride ceremonies feature the colorful, custom-built Spirit casket, twirling rain sticks, color guards, Taps buglers, bagpipers and original folk songs performed live in tribute to first responders who have been struck down while working on the roadway. Present are dozens, sometimes hundreds of professionals from the police, fire, EMS, and towing services.

The ceremonial casket, named Spirit, was built eight-feet long and painted by Cecil Burrowes, an artist famous for his intricate designs air-brushed on wreckers. The scenes depicted on the casket represent all first responders and the perils they face on the highways.

The color scheme of the casket represents patriotism and tragedy. On one end are red and white stripes and faded stars. On the other end are red, white, and blue bars: red symbolizing the blood sacrificed, white- the spirit of the fallen, and blue- the loss to family.

The ceremony includes a blessing recited by all present and the singing of "Bless the Spirit Riders," an original song composed as an anthem for the Spirit Ride.

The Spirit Ride drew much media coverage as it crisscrossed the nation in 2017. Adding to the spectacle,

5,000 tow trucks and emergency service vehicles (fire trucks, EMS vans, police cruisers and motorcycles) joined in processions escorting the "Spirit Casket" through 2,000 municipalities, relaying the casket in 140 cities. Another 160 cities are scheduled for 2018.

Hundreds of men and women of towing, police, fire, and emergency medical services, are being maimed, dismembered, paralyzed, and killed annually. Sixty percent of these casualties are tow truck operators. The mission of the Spirit Ride is to promote public awareness of the Slow Down, Move Over law. According to the Federal Highway Commission 70% of the motoring public is unaware of the law, while others simply ignore it.

When the Spirit Ride comes through Dillon, on 07/20/18, led by Turney Repair & Towing, llc, Spirit's journey will capture attention of all Americans. After all, in this day and age you can watch a naked woman on a motorcycle anytime.

There is still time to voice your support for the parks!

The next city council is on July 18th at 7 pm. You can still contact your council person to let them know that you support the creation of the park district. You can also send or drop a letter of support. Finally, you can join the city council on the 18th to ask question if you have some and make a comment in person.

Drop a letter off at City Hall (125 N Idaho St) or email it to Cityclerk@dillonmt.org expressing your support for the district ASAP. Letters and input from the hearing will be considered by the Parks & Playgrounds Committee when making their recommendation to the full Council and will affect the Council's decision. An example letter is attached.

Contact your Council Persons (everyone has two) and let them know your position before their next meeting; they do listen and keep score.

Your council persons' contact information is available here:

<http://www.dillonmt.org/CityDirectory.aspx>

If you are not sure which ward you are in, browse here for a map of the wards:

<http://www.dillonmt.org/SiteData/General/2000-Ward%20Map.pdf>

Reminder:

The City has proposed a new Parks District as a way to provide a stable, dedicated, source of funding for Dillon's parks. Establishment of the district will allow the City to assess property owners within the city limits at a rate established by the City Council for maintenance Dillon's parks.

The reason for the proposal to establish the district is that constraints on the City of Dillon's General Fund budget have forced reductions in funding for parks for years. Minimum maintenance, virtually no improvements and, more recently, a reluctance by the City to accept new parks have resulted.

The proposal has passed the first hurdle - Despite general belief, it was NOT rejected by a majority of the property owners. It is now up to the City Council to decide whether to go forward and, if they do, there will be a referendum in which residents of the City will vote on the proposal. The Council could choose to pursue a different funding mechanism or reject the proposal outright, leaving funding for parks at the current inadequate level.

Health officials launch new STD/HIV testing website

The Department of Public Health and Human Services has launched a new website to make it easier for Montanans find HIV testing sites.

As part of National HIV Testing Day (June 27), DPHHS and local public health agencies are encouraging everyone who has never been tested for HIV to get tested now.

The Centers for Disease Control and Prevention (CDC) recommends that everyone between the ages of 13 and 64 get tested for HIV at least once as part of routine health care. Sexually active gay and bisexual men and anyone who has injected drugs and shared needles may benefit from more frequent testing.

Public health partners are making it easier to find testing locations across Montana, many are free of charge and some offer anonymous testing in private settings. "People who perform the tests are highly skilled, non-biased and dedicated individuals who take pride in helping you determine your HIV or STD status," said Dana Fejes of the DPHHS STD/HIV Prevention. "They can also connect you with any resources to help reduce your risk of being exposed to HIV."

In 2017, Montana's state-sponsored HIV testing network performed more than 2,000 HIV tests and found six individuals with HIV. Counselors are able to link clients directly to care and ensure they receive the services they needed to make choices that keep them healthy and protect others. In most situations, test results are ready in less than 30 minutes and most tests accurately detect any HIV one month after the last exposure.

Today, an estimated 1.1 million people are living with HIV in the United States, including about 700 Montanans. When recognized and treated, HIV is a manageable condition and people with it can live longer and healthier than ever before. Working closely with local partners, DPHHS supports case management and comprehensive HIV treatment services. Services are available statewide and case managers can help anyone with HIV navigate through various care options.

To find out more about sites that offer STD/HIV testing and related services visit GetTested.MT.gov.

Letter to the Editor

To the Editor

July 2, 2018

While many politicians are legislating women's bodies, Senator Tester is doing what the others should be doing - he stays out of it.

Jon Tester has always trusted women to make their own health and reproductive decisions. He doesn't believe that he knows better than a woman, her doctor or families. That's why he's received an endorsement from the Planned Parenthood Action Fund and a 100% pro-women's health voting record.

The priorities of the GOP are to waste time and money trying to take health care and resources away from those who need it most. They limit women's access to birth control by endorsing Pregnancy Crisis Centers and restricting health clinics like Planned Parenthood from giving out birth control information.

The GOP is doing all they can to restrict access to abortion which is legal in the U.S. according to Roe V Wade. The GOP thinks it is okay to restrict half the population from one of the most personal of health decisions, whether or not to have a child. Ready or not.

Senator Tester is always working to expand access to affordable & quality health care for all Mt women and their families.

Montana needs a Senator who stands up for women and families. Senator Jon Tester has a record for doing just that.

Letter to the Editor

We are celebrating the 4th of July, just as Americans have done since 1778, when George Washington ordered a 4th of July artillery salute. We celebrate the signing of the Declaration of Independence, the Constitution and our Freedoms.

From 1791, when George Washington made his only 4th of July address until now, Presidents and Patriots have celebrated our freedoms.

But now. Yes now! There is much concern. We have a President unlike any of his predecessors. We don't quite know if he is destroying our democracy. Mr. Trump has a hard time working with people. Thirty five staff members have left Mr. Trump and the White House. These are people he picked and said they were top notch people. Since Mr. Trump has become President we have witnessed his bizarre behavior, his coarse language, his bullying techniques and his statement that he personally is above the law.

His leadership skills and his competence have been a question since the first day he was sworn in as President.

His moral ethics are untrustworthy. his endless twitters are ridiculous. His ability to tell the truth has been continual.

Mr. Trump has divided this country. Mr. Trump has divided his own political party with his brash conduct and his disregard for the law and his lack of principles.

Are we moving in the direction to a dictatorship? Will the middle class and the working poor survive?

The fire works may have been bright but our freedoms are getting dimmer and dimmer.
