2018 Entertainment & Education Series

July 14 @ 2pm: Live Music: Nick Spear will be performing his original western songs. You may have heard Nick's songs on A&E and Lifetime Networks. His song "Tap er Light" was used at the centennial memorial ceremony at the Granite Mountain/Speculator Mine Disaster site in Butte.

Thank You Rick Smith and Blacktail Services

Rick Smith and crew graded, watered and compacted the "Rough Spots" on Clark Creek road for FREE.

While his equipment on site was performing the annual Torrey Mountain Ranch road work in the subdivision Rick saw the need and bladed the bad spots of the Forest Service road.

The public using this road thank you very much!

Montana Consumers Can Avoid Summer Repair and Paving Scams by Choosing Contractors Carefully

Home repair and improvement scams flourish in warm weather or in the days following natural disasters. With the recent storm in Eastern Montana, the Montana Department of Justice's Office of Consumer Protection reminds Montanans of tips to keep in mind when selecting a contractor to do paving, roofing, or remodeling projects on their property.

Tip-offs to fly-by-night paving or storm chasing repair swindles include individuals who:

- Refuse to provide a written estimate, contract or references;
- Offer very low bids;
- Use high-pressure sales tactics;
- Arrive in a vehicle that does not have a company name, address, or phone number on it;
- Claim they just finished a job nearby and have materials left over so they can do your job for a discount; and
- Have the ability to "start immediately" on your project.

When hiring a contractor, remember to:

- Research similar projects. Learn the best way to complete it and how much it should cost;
- Research which licenses and permits are required for the project. Demand in writing who will be responsible for obtaining the licenses and permits;
- Consider local, reputable contractors;
- Get at least three written bids. If you don't feel comfortable with a bid, don't be afraid to say no.
- Check references;
- Contact the Montana Office of Consumer Protection to see if any formal complaints have been filed against your potential contractor;
- Don't believe what you read in a contractor's ad. Check for yourself to make sure a contractor has a license, insurance, and is bonded;
- Ensure the contractor is registered to do business in the state by checking on-line at www.mtcontractor.com or by calling the Montana Department of Labor at (406) 444-7734; and
- Avoid payments of advance fees. Demand a written contract that includes: Start and end date of project, payment schedule, a list of materials (quality grade, and cost), any guarantees or warranties, and details about the project.

To report an attempted scam, call your local law enforcement agency or the Montana Department of Justice's Office of Consumer Protection at (800) 481-6896 or (406) 444-4500, or visit <http://dojmt.gov/consumer>.

Bible Truth...Comparing satanic lies to Bible truth

----We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

The scriptures note a tremendous difference between the devil's lies and God's truth in Genesis. Genesis 2:17 records that God told man not to eat of "the tree of the knowledge of good and evil...: for in the day that you eat thereof you shalt surely die." The death referred to here was both physical and spiritual, causing a separation from God that had not existed before Adam and Eve sinned. Romans 5:12 states, "Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that (because) all have sinned."

In contrast to what God said note the subtlety of the devil in Genesis 3:1-5. The first thing he said to Eve was, "...has God said, you shall not eat of every tree of the garden?" This was not just an innocent inquiry. It was designed to get Eve to question what God had said and what He meant by what He said. In Genesis 3:2-3 Eve responded by confirming that God had said not to eat of the fruit of the one tree, but added the phrase, "...neither shall you touch it, lest you die."

At this point Satan boldly speaks the first lie recorded in the scriptures. He directly contradicts the truth declared by God and states in Genesis 3:4-5, "...you shall not surely die, for God knows that in the day you eat thereof, then your eyes shall be opened, and you shall be as gods, knowing good and evil.

The devil continues to methodically get men to question what God says. Denying His word regarding eternal condemnation will bring ultimate, eternal separation from God. As stated in Romans 6:23, "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord."

Believing the lie that sin will go unpunished brings eternal condemnation to the unbeliever.
