Dillon Garden Club to Make Living Pictures

Dillon Garden Club will meet Thursday, July 19, at 7 pm at the home of Diana Pippen, 143 Sweetwater Estates in Dillon. We will be planting a "Living Picture". Participants need to bring a 1 inch deep frame (like a shadow box) which can be purchased for a dollar in town. Any dimension is fine but smaller is better as we are limited on the number of plants. If possible, bring any small succulents, Hen & Chicks, and/or sedum plants. We will provide screen, soil, moss and some plants to get everyone started. Please RSVP to Diana at 406-865-0372 by Tuesday 7/17 so we know how many will be attending or to ask questions.

MONTANA WESTERN RANKED AMONG THE BEST FOUR-YEAR COLLEGES IN MONTANA

The University of Montana Western was recently ranked third among the top ten "Best Four-year Colleges in Montana" by Schools.com, an online education resource. The ranking is based on factors including affordability, flexibility and student services. The other four-year Montana colleges in the top three are Montana State University, listed first, and the University of Montana, listed second.

U.S. News & World Report has also bestowed The University of Montana Western, a public institution founded in 1893, with several impressive rankings in the Western region. The rankings include #8 in Best Regional Colleges, #4 in Top Public Schools, #5 in Best Value Schools, and #6 in Best Colleges for Veterans. One of the most unique aspects of Montana Western is the Experience One program, an innovative class scheduling system that allows students to focus on a single course at a time.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. Montana Western focuses on serving students, achieving academic excellence, and promoting experiential education. The 20-acre campus is an excellent choice for students to take advantage of the immersive learning opportunities offered by the Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities.

Help us water the re-vegetation at the park!
 Our beautiful park by the river is getting quite beautiful with the new re-vegetation growing! But with the hot temperature, we need your help now more than ever so that the seedlings survive!!!
 Also, water and hot temperature are bringing up a lot of weeds that are competing with the native seedlings. They need to be pulled now while it is still easy! So if you have a couple of hours or just a few minutes to spare, there is always something you can do!!! We will train you on your first time.
 A weed list with pictures will be available at the park if you are able to pull weeds.. Feel free to do so whenever you want!
 Note: in order to keep track of volunteer hours, please let me know about your time spent volunteering at the park please!

Letter to the Editor

The Dillon Cubs board of directors feel that we needed to write this letter to the editor in response to the article in the July 11th issue - of the Dillon Tribune titled "City Parks Proposals Parked".

We would like to inform the citizens of Dillon about our new field next to the softball fields at Ray Lynch Park. In January 2014 the City of Dillon and Dillon Cubs (a 501c3 non-profit organization) signed into a nine year lease. That lease requires that the Cubs pay the City rent and utilities totaling \$510.00 every year. The field and surrounding buildings, which include the crow's nest, bleacher seating, ticket booth, scoreboard, storage sheds and concessions/bathrooms have all been paid for by the Cubs organization thru multiple years of fund-raising and generous donations from many business and individuals in this community. All of the buildings and the field are being maintained by volunteers, which includes the parents, players and even a grandparent or two. Without all of their hard work it would not be what it is today.

It is amazing how many complements we receive from the parents and coaches from the other teams on how nice our complex has become.

Dillon Cubs Board of Directors:

Travis Gibson - President

Justin Fox - Vice President

Raquel Morast - Treasurer

Mike Richardson - Secretary

Jim Richardson - Member

Carly Pulliam - Member

Toni Case - Member

The University of Montana Western Athletics Department has announced a multi-year agreement with Under Armour to serve as the exclusive supplier of athletic apparel, uniforms, and accessories

"We are excited to be partnering with the Under Armour Apparel Company and The Graphic Edge." Said Director of Athletics Bill Wilson, "The Under Armour brand is one of the most globally recognized brands and their innovative products will serve to enhance our overall Bulldog Athletics brand. Our student-athletes will be competing in cutting-edge uniforms, apparel and footwear."

The new official outfitter agreement includes marketing entitlement that will complement Under Armour's brand marketing campaigns through print and venue presence at the University.

Montana Western is located in Dillon, Mont. and is a member of the Frontier Conference and National Association of Intercollegiate Athletics (NAIA). The Bulldogs have 12 varsity sports competing in football, volleyball, men's and women's basketball, and men's and women's cross country, men's and women's indoor and outdoor track, and men's and women's rodeo.

All of Montana Western's Under Armour products will be managed through The Graphic Edge, a custom apparel outfitter out of Carroll, Iowa.

"We are fortunate in that one of the top screen printing and embroidery companies in the country, The Graphic Edge, will be supporting our relationship with Under Armour." Said Wilson.

The five-year agreement begins immediately and will cover all of Montana Western's 12 varsity athletic teams.
